BLOCKS OF VOTES HELD IN RESERVE

Manager Wants It Understood No Bids Will Be Received After 7 O'clock Wednesday

The contest manager learned Friday that the candidates in the big Morning and Weekly Enterprise contest were working harder than ever before, and that the finish would be exciting enough for most anyone. It is known that virtually all the candidates have blocks of ballots in reserve which they will poll just before the polls close Wednesday evening. There are only four more week days in which to work and it is a settled fact that all the entrants will do their best.

The first prize, a \$785 Ford touring car, is the prize sought by all, but the \$100 in gold—the second prize—will console the wounded feelings of the one coming second losing the automobile. Positively no votes cast after 7 o'clock Wednesday evening will be counted.

ROBERT GREEN IS THOUGHT RECOVERING

Robert Green, son of S. R. Green, who was accidentally shot Thursday by E. T. Fields, Southern Pacific agent at Oregon City, was much improved Friday and his physicians, Dr. E. A. Sommer and Drs. H. S. and Guy Mount believe that he will recover. The young man, who was graduated Wednesday at the Eastham school, stood the operation well, and says he is certain he will recover. The bullet passed just beneath the heart and lodged near the spine. No attempt will be made to remove it at the present. Mr. Fields, who fired at a snag in the river, the ball glancing and striking Green, is suffering from the shock. He has been in poor health for about a year, and the shooting it was feared might have a serious effect upon him. COLONEL MAY LEAD CONVENTION FIGHT

EX-PRESIDENT DOESN'T DENY REPORT THAT HE WILL BE ON FLOOR

BIG PARTY GOING TO OYSTER BAY

Suggestion Of Compromise Is Spurned By Roosevelt—Declares He Will Be Winner

NEW YORK, May 31.—That Theodore Roosevelt will go to Chicago personally to lead the fight for his nomination by the Republican national convention is the belief here today of well posted politicians. The former president refused to deny that such a move was not unlikely. Roosevelt denied that his present intention was to appear personally on the floor of the convention but when pressed he admitted that he might change his plans and make the trip. Medill McCormick and Chauncey Dewey, both of Illinois, and both close to the former president, conferred with Colonel Roosevelt today at the Outlook offices, and while no positive verification was obtainable, neither would deny that the question of Roosevelt leading the progressive forces in the nomination fight was gone into. McCormick emphatically denied reports that he was compelled to arrange a pilgrimage of Illinois delegates to Oyster Bay for consultation with Roosevelt to prevent them from deserting the Colonel's forces. McCormick said: "The delegates desired to go to Oyster Bay. They are for Roosevelt first, last and all the time. Many of them could not afford to make the trip and so at my own expense I invited them to come as my guests. A dozen or more are en route here today. All the others will arrive tomorrow and will meet Colonel Roosevelt at Oyster Bay."

Voicing set determination to make no compromise whatever with any opponent for the Republican nomination Colonel Roosevelt today telegraphed Walter Brown, his Ohio manager instructing him to entertain no proposition from the Taft camp. His telegram read:

"I have just seen a telegram which President Taft sent to Arthur L. Vorys declaring he would not tolerate any compromise in Ohio. Until I saw this telegram I had never seen any suggestion that there was to be any compromise and I assume such suggestion came from the Taft forces. In the first place, I would not consent to any compromise, and in the next place we carried Ohio by more than 30,000 in the popular primary. Any attempt to give Taft a single delegate at large would mean to sanction a deliberate effort to defraud the people by trickery, and to nullify their expressed will. Taft has, in morals and equity, no claim whatever to a single Ohio delegate.

"I wish this issue clearly made: We stand for the right of the people to choose their own candidates and to have the delegates carry out their choice. Any individual who attempts to secure a single delegate at large from Ohio for Taft is openly taking the position that the convention is not to represent the will of the people, and that politicians are to be encouraged to defy popular will and commit an outrage on justice.

"Any district delegate at the Ohio convention from any district that went for me at the primary, who himself votes for a single Taft delegate at large, commits an act of treachery to the people. Any man condoning or approving such an act, condones and approves treachery.

18 RECEIVE HIGH SCHOOL DIPLOMAS

GRADUATING EXERCISES IN NEW BUILDING DELIGHT BIG AUDIENCE

CLASS PROPHECY ELICITS PRAISE

Miss Marion Money, Salutatorian, and Miss Clara Wiewesiek, Valedictorian, Make Fine Impression

The forty-second graduating class of the Oregon City high school, in the presence of several hundred of their friends and relatives, held their Commencement exercises Friday night in the high school auditorium and received their diplomas. Fourteen of the 18 members of the class were sweet-faced girls, all gowned in white making a pretty picture. The masses of beautiful flowers were much admired, overflowing two large tables fronting the stage.

The exercises opened with a number, "Frat," by the high school orchestra, followed by Miss Marian Money, who gave the salutatory with grace and finish. Edwin Aldredge and John Dambach rendered a vocal duet, and then came the most entertaining feature of the program, the class prophecy. The stage was cleared and single and double rows of the girl graduates came on the stage and discussed the happenings involving the members of the 1912 class up to the imaginary date of 1925. The stunt was well planned and cleverly carried out, and those participating were Floella Hewett, Leola Kordasat, Clara Stornes, Florence White, Anne Tolpolar, Amy Whipple and Annie Lunt. The Lorelei Club, composed of high school students, sang a number pleasingly, and Miss Clara Wiewesiek gave the valedictory, which was full of enabling thought for the future of the class.

Rev. George N. Edwards gave the address to the class, and in a well attuned talk he told of the unsolved problems of life. He told the members of the graduating class to think for themselves, to have their own ideas and contribute something to the world. He said no one can receive an education, but that one could only receive the opportunity to gain an education for himself or herself. Mr. Edwards analyzed the class motto, "Give and Receive," and finished his address with an illustration of Kipling's "The Ship That Found Herself."

George A. Harding, chairman of the Board of Directors, made a happy little speech to the class and presented the diplomas, and City Superintendent Tooze thanked the audience for their presence and bade them good night.

Hundreds of people swarmed on the stage and warmly congratulated the graduates. The auditorium was tastefully decorated with the colors of the class.

SCHOOL EXHIBITION TO BE OPEN TODAY

Superintendent of City Schools Tooze announced Friday night that the school exhibition at the Barclay school would be open to the public this afternoon and evening. The hours are from 1 o'clock to 3:30, in the afternoon and from 7 to 9 o'clock in the evening.

The public is cordially invited to the service and to hear the Bishop preach. After the service those children of the Sunday school who have shown good progress are to be publicly asked questions by Mr. Robinson before the Bishop. The Sunday school of St. Paul's is held every Sunday at 10 a. m. E. A. Chapman is the secretary, William Hammond the superintendent but Mr. Robinson does all the teaching. The past year the school has nearly doubled its number and the children have made excellent progress.
