### T. R. SENDS NEW AIDE TO CHICAGO

SENATOR FLINN TO ACT AS REPRESENTATIVE BEFORE COMMITTEE

### DECISION REACHED AT CONFERENCE

Colonel Undecided As To Whether He Will Attend—Leadership Still Retained By Dixon

OSTYER BAY, N. Y., June 6.—State Senator Flinn, of Pittsburg, was dispatched post haste to Chicago by Colonel Roosevelt tonight to act as the ex-President's representative in the fight before the National committee over contested delegates. This decision was reached after a conference at Sagamore Hill tonight, in which the situation at Chicago, as told to the Colonel over his private wire, was discussed at length. Colonel Roosevelt was careful to explain that the leadership of his fight would remain where it has been—in the hands of Senator Dixon. "Senator Flinn starts for Chicago at once," he said. "He is going at my request. Senator Dixon will be in charge. Mr. Flinn will assist him." Colonel Roosevelt did not go into particulars as to the precise nature of Mr. Flinn's work, beyond making it clear that the Pennsylvanian was to have an important part in the fight. Three other Roosevelt men from

### U'REN AND VEAZIE DEBATE SINGLE TAX

OREGON CITY LAWYER MAKES PLEA FOR GRADUATED MEASURE

### GEORGE SYSTEM MAY COME LATER

Opponent Declares That Proposed Law Would Not Induce Owners To Improve Real Estate

The single tax idea was discussed for and against by W. S. U'ren and A. L. Veazie, at the Sellwood Y. M. C. A. Following the debate persons in the audience discussed the proposition among themselves. Mr. U'ren devoted his time largely to explaining the meaning of the new measure of graduated single tax, which will be voted on at the coming election. Mr. Veazie rather drifted away from the graduated tax idea and talked on the theory of single tax as proposed by Henry George. In answer to Mr. Veazie's statement that the graduated single tax measure proposed as a question for the voters to decide, is merely a bait at the trap of the Henry George single tax idea, in which it is hoped to eventually catch the taxpayers, Mr. U'ren said: "All that is intended in offering the voters an opportunity is to give them a chance to try it. They do not have to accept it, and if they do not want

### A PRESIDENTIAL BEE IS A SERIOUS MATTER IN MEXICO.

### TAFT MEN WIN ON TEST OF STRENGTH

CHICAGO, June 6, (Special).—The Republican National Committee which convened here this afternoon, elected Victor Rosewater, of Nebraska, Chairman without opposition. The committee voted 39 to 13 to admit representatives of five press associations, defeating a motion made by Roosevelt men to admit the press generally. It was decided to recommend to the convention that the basis of representation not be changed. The Taft men won their point on the number of votes to require a roll call, defeating the Borah motion that eight votes ever all that would be necessary. R. B. Howell, newly elected committeeman of Nebraska, whom the Roosevelt men once had declared they would seat at once as successor to Victor Rosewater, withdrew, averting hostilities. Rosewater was elected chairman of the National committee to succeed the late John F. Hill, of Maine.

### W. F. SCHOOLEY IS VICTIM OF HEAT

W. F. Schooley, the real estate man was stricken with a fainting spell while in the E. B. Anderson confectionary store on Main street Thursday afternoon. Mr. Schooley was enjoying the best of health early in the morning although had complained of the heat. He had started to his office but before reaching the door of the store fell. Mr. Anderson and others rushed to his assistance, and telephoned Dr. M. C. Strickland and Dr. Guy Mount, who arrived shortly after. Mr. Schooley was carried to his office nearby, where he was resuscitated shortly after. He went to his home in Gladstone last night, his condition being much improved.

The company has arranged to care for the large crowds that will visit Oregon City during the festival. It is expected that at least 5000 persons will visit this city that week.

The funeral of Charles M. Abbott, formerly editor of the Western Live Stock Journal, will be held at 10 o'clock this morning at the Holman Undertaking Establishment. The interment will be in Mountain View cemetery. Although Mr. Abbott was a comparative stranger in this city there will be a large attendance at the obsequies. His father, John T. Abbott, Tax Attorney for the Western Union Telegraph Company in New York City, has instructed Mr. Holman to take charge of the funeral arrangements. Mr. Abbott came to this city six months ago and soon after was employed by Mayor Dimick, manager of the live stock journal. ### POLICE DECISION EXPECTED SOON

QUESTION AS TO WHETHER ANY MEMBER OF FORCE HRS CLEAR TITLE

### SHAW'S SALARY SEEMS ASSURED

Frost Denies Neglecting Duty And Continues To Work Although City Council Cuts Off Pay

Circuit Judge Eakin is expected to render in a few days his decision in the suit of Charles E. Burns, the appointee of Mayor Dimick as chief of police, who is seeking to collect salary for his work. This decision may determine who is chief of police in the city, and help clarify the police situation generally. Under existing conditions there is not a man serving on the force with a clear title to his place. E. L. Shaw, chief of police under the last administration, has the backing of all members of the city council but one, and has made a determined fight to retain the place. While Mayor Dimick refused to appoint him, the city council has declined to confirm the appointment of another, and has insisted that Shaw be retained. In order to insure him his salary he was appointed Keeper Of The Jail, an office created by the council under the charter. It is contended that even if Judge Eakin decides Burns is entitled to the salary as chief, Shaw will collect \$100 a month for his services as Keeper Of The Jail. However, if the decision should be against Burns, friends of the mayor have announced that there will be further litigation. The charter provides that the appointment of chief shall be made by the mayor, but it must be approved by the council. Inasmuch as the requirements have not been carried out in either case—Burns having been appointed by the mayor, but the appointment not approved by the council, and Shaw having the support of the council without the support of the mayor—it is contended by one or two well-known lawyers that the final decision will be that neither Shaw nor Burns is chief. In that event Shaw would endeavor to collect his salary as Keeper of the Jail, and Burns would have to fight further in the courts for his or lose it. Night Policeman Jack Frost, whose salary was cut off by the council Wednesday evening, said Thursday that he would continue to work as long as the mayor wished him to do so. "I have not neglected my duty as charged," said Policeman Frost, "and I shall continue to work, and what is more I will get my money. The man the councilmen say I let go ran away before I reached him, and it was impossible for me to catch him. There are several witnesses that will substantiate all that I have said." Policeman Frost is the only member of the force whose appointment was approved by the council. Policeman Green, who was not reappointed by the mayor, is serving as a special policeman, and Henry Cooke, although he has the support of the council, has been dismissed by the mayor. Lee French is serving as a special policeman.

### ROSE, REIGNING QUEEN TOMORROW

THOUSANDS WILL SEE GRAND-EST EXHIBITION EVER HELD IN CITY

### CHILDREN'S PARADE TO BE FEATURE

Automobile Pageant Promises To Set New Record For County—Rose Show Starts In Afternoon

Tomorrow will be the biggest day of all. With a forecast for cooler weather, with a people prosperous, contented and ready for a frolic, all Clackamas County will be in Oregon City tomorrow to see the great rose show, the children's parade, the automobile parade and the baby show. It will be a day of days—a gala day, and the residents of this historic town, and the thousands of visitors will have more real fun than they ever had before in one day. No pains have been spared to make the festival a success. The merchants have contributed liberally, scores of persons with no desire other than to help the city by providing a fine spectacle, have worked unceasingly for weeks to make the carnival the finest ever given in any city in the country, with the exception of that given annually by the metropolis of the state. And the best news of all is that the roses are at their best. All over the city, and throughout the county the greatest flower of all is in profuse and beautiful bloom. Ajil with the rose and the weather, the city and the people there is bound to be an exhibition of unrivaled splendor. The festivities will start at 10 o'clock when the concert band will render several selections at the corner of Seventh and Main streets. The Children's Rose Parade, headed by the Oak Grove Girls' Band will start at 11 o'clock and proceed to the Hawley Mill. The grand automobile parade, consisting of decorated automobiles and motorcycles, headed by the Concert Band will start at 1:30 o'clock and the baby show at the Congregational church will be opened at 2 o'clock. The Woman's Club announced last night that an additional prize had been offered for the cutest baby under three years of age. Babies in all parts of the county have been entered and the show bids fair to excel any ever attempted in this city. "There will be concerts by two bands throughout the day. The Rose Show will open at Busch's Hall at 2:30 o'clock in the afternoon and the awarding of prizes will be at 8 o'clock in the evening.

### HUSBAND THREATENED HER LIFE, SAYS WIFE

Alleging that her husband April 6, 1912, threw dishes on the floor of their pantry and brandishing a butcher knife, threatened to kill her, Pearl Bergstrand Thursday filed suit for a divorce against Vernon A. Bergstrand. They were married in Portland, July 14, 1909.

Katie Bunte, who is seeking a divorce from Charles D. Bunte, alleges that her husband for weeks at a time lay in bed late in the mornings and refused to eat meals prepared by her. She further avers that he has a jealous disposition, and once accused her with being unduly familiar with a man who worked for them. They were married November 27, 1902, and have one child.
