COMMITTEE GIVEN POLICE PROTECTION

CHARGES MADE THAT ROOSEVELT LEADERS INTEND TO START TROUBLE

NEW DENIES REPORTS ARE TRUE

Chief, However, Decides To Take No Chances And Sends Squad Of Police To Coliseum

CHICAGO, June 7.—Colonel W. F. Stone, sergeant-at-arms of the Republican National committee, appealed tonight to Mayor Harrison for police protection at tomorrow's sessions of the committee, which is conducting contest hearings in the Coliseum. Chief McWeeny decided to detail police and plain clothes men, as requested.

Colonel Stone's action, he said, was prompted by reports that certain Roosevelt leaders had prepared to take steps to intimidate the membership of the committee in its deliberations.

Other members of the committee, including Colonel Harry S. New, of Indiana; Senator Crane, of Massachusetts; and Senator Sander, of Tennessee, said they had heard the reports of a planned Roosevelt demonstration at the committee-room during the hearings.

"There will be no 'rough-house' in the committee," said Colonel Stone. "Neither will any demonstration be permitted on the outside of the Coliseum. Drastic measures will be adopted if anything of the kind is attempted. I have asked for police protection at the committee hearings."

It was said that the reference to "rough-house" methods were aimed at William Flinn, of Pittsburg, who is headed this way after a conference with Colonel Roosevelt at Oyster Bay and is said to be charged with an important and confidential mission.

"Such a report as this," said Colonel Stone, "seems incredible. Certainly no one is foolish enough to believe anything can be gained for a cause by the adoption of such methods. And surely no one who knows the members of the National Committee is going to be bluffed or terrorized by any mob or set of thugs that can be mustered."

"Mind you I don't believe that anything of that sort will be attempted, as surely someone in the crowd has intellect enough to head off anything of the sort if any misguided individual should attempt it."

24 DELEGATES ARE ADDED TO TAFT LIST

CHICAGO, June 7.—Twenty-four delegates from Alabama and Arkansas were added today to the Taft column by action of the Republican National committee upon the so-called Roosevelt contests from those states.

All the contests presented today before the committee were decided in Taft's favor, and in all except two the decisions of the committee were unanimous, although one rollcall test apparently had shown 15 anti-Taft votes.

The cases decided were those of the six delegates at large and the two each in the First, Second, Fifth, Sixth and Ninth Congressional Districts in Alabama and the four delegates at large and two each in the First and Second Districts of Arkansas.

We all admire a live one, you can pick them from the Enterprise advertisers.

CANAL TO REDUCE WATER TARIFFS

WILLAMETTE GROWERS WILL BENEFIT UNDER FEDERAL CONTROL

RATE SHEETS READY TO BE ISSUED

Charges For Farm And Garden Produce Fixed At \$1.50 Ton From Salem To Portland

With the passing of the locks and canal at the falls of the Willamette to control of the War Department, there will be a reduction in water rates that will give growers in the Upper Willamette River district the same advantages as those enjoyed on the Lower Columbia. Tariff sheets have been published and will be issued as soon as the locks are purchased.

On potatoes, hay, grain, onions and such things grown abundantly along the Willamette, the rate to Portland will be \$1.50 a ton from points as far south as Salem, and on other commodities there will be a lowering of rates in keeping with the amount saved when the lockage tariff charged by the Portland Railway, Light & Power Company is eliminated by the Government.

If Major Meindoc, Corps of Engineers, U. S. A., decides to undertake the deepening of the lower basin of the locks this year the Oregon City Transportation Company will continue to handle cargoes between Portland and points as far as Corvallis, for though the locks will be closed, one steamer will run between Portland and Salem City and another south from Canemah, each being transferred between them on wagons.

CONGRESSMAN CALLS HANFORD DRUNKARD

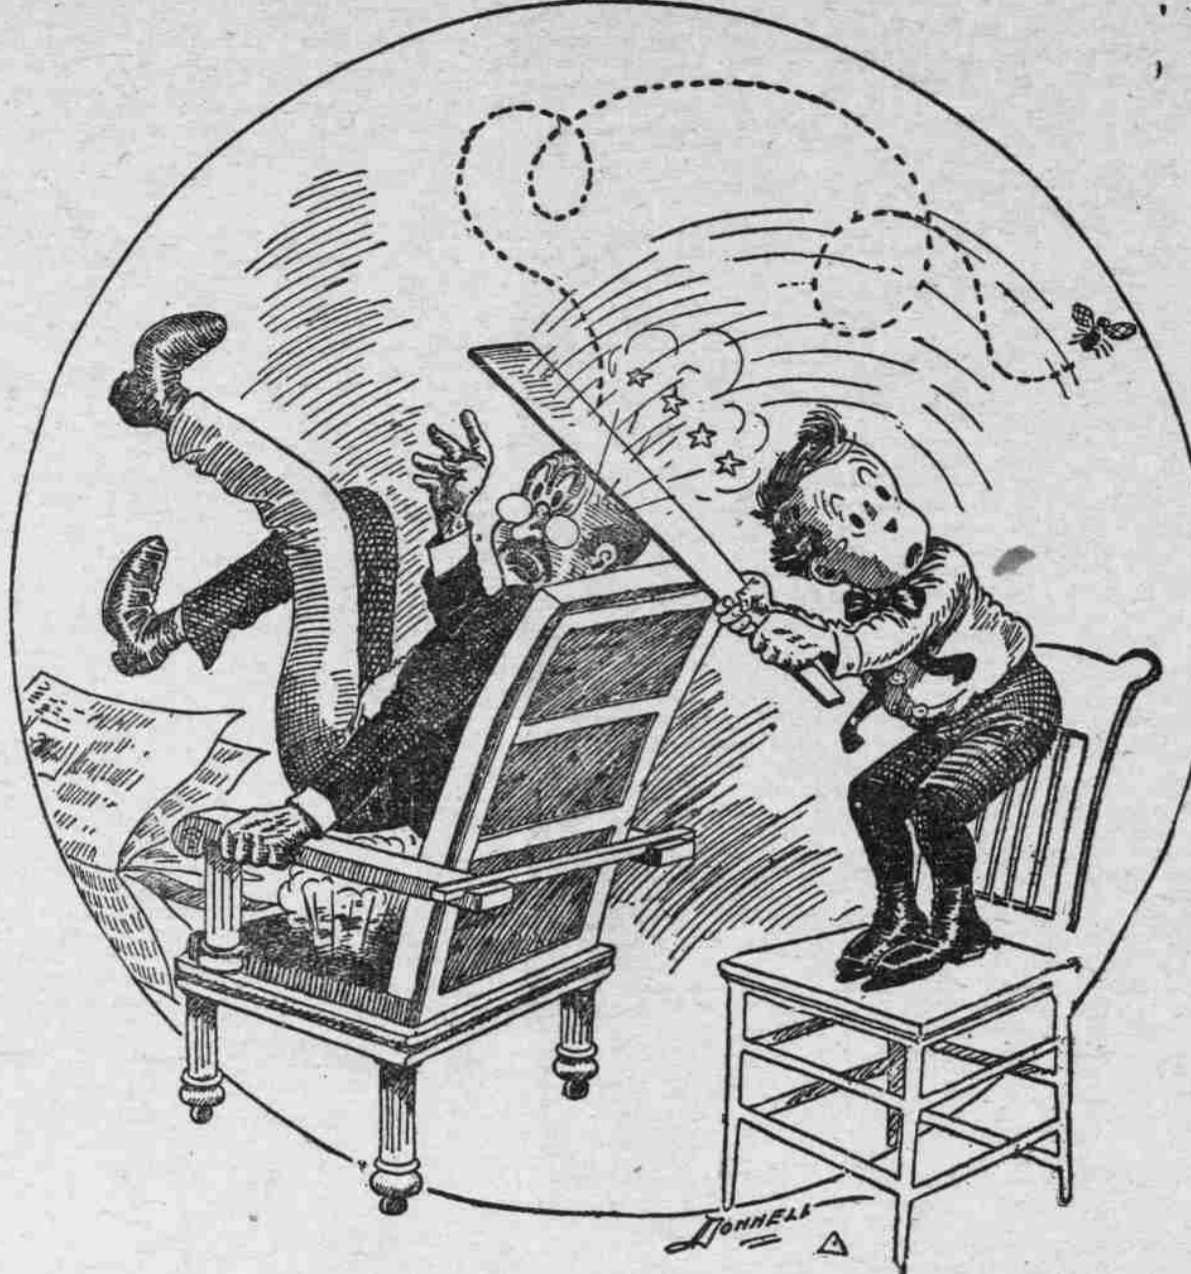

WASHINGTON, June 7.—Charging that Judge Cornelius J. Hanford, of the United States district court of Washington state, is an "habitual drunkard and morally and temperamentally unfit to hold a judicial position," Congressman Victor L. Berger of Wisconsin introduced a resolution in the house today to investigate the committee on judiciary to investigate charges and if substantiated to recommend Hanford's impeachment. When the resolution was referred to the committee Berger arose on a question of highest privilege and entered into a scathing arraignment of the Seattle jurist. He said in part:

"I accuse Judge Hanford of being an habitual drunkard. I charge that he annulled, on May 13, in violation of the constitution, the naturalization papers of Leonard Oleson, a citizen of Tacoma, charge that he issued in a collusive suit of August, 1904, against the Seattle, Denton & Southern railway, in August, 1911, an injunction in the interests of the company and against the interests of the citizens of Seattle, flagrantly violating justice and law. I charge that he is morally and temperamentally unfit to hold judicial position. I charge him with having been guilty of long series of unlawful and corrupt decisions."

Berger's resolution directs the committee to report if Judge Hanford "has been repeatedly in a drunken condition while presiding in court; whether he has been guilty of corrupt conduct in office; whether his administration has resulted in injury and wrong to litigants and others; and whether he is guilty of misbehavior for which he should be impeached."

QUESTION—WHAT WILL FATHER SWAT?

NEWSPAPER MAN HAS MOUNTAIN VIEW GRAVE

The funeral of Charles M. Abbott, late editor of the Western Stock Journal, was held at the Holman Undertaking Establishment Friday morning. Although Mr. Abbott was a comparative stranger in this city almost a score of persons attended the service, which was conducted by Rev. C. W. Robinson, rector of St. Paul's Church. There were no services at the cemetery. John T. Abbott, Tax Attorney for the Western Union Telegraph in New York City, father of the young man, wired Mr. Holman to make the funeral arrangements, saying it would be impossible for him to come to this city. There were many floral offerings.

BRILLIANT GAME LOST BY BEAVERS

PORTLAND, June 7. (Special.)—Poor old Beavers! They lost again. The Angels won, 5 to 2. And the pity of it is, the game the local men put up would win nine times out of ten. The visitors made 10 hits off Koestner's delivery. Leverenz allowed only 5, which tells the story. The game was an errorless one.

2 JAILED ON CHARGE OF THREAT TO KILL

T. J. Demis and T. A. Demis were arrested Friday on a charge of threatening to kill John Tarkes, of Third and Madison streets. Tarkes swore out a complaint alleging that the men went to his house, and producing a knife, said they would cut his head off. E. L. Shaw arrested T. J. Demis and Jack Frost arrested T. A. Demis. The latter was released on a \$20 cash bail. Another man is sought by the police in the case.

I. W. W. MEN COMPLAIN OF JAIL TREATMENT

SAN DIEGO, Cal., June 7.—Injection of formaldehyde fumes into crowded jails tanks, continued beatings, chokings and clubbings by police officers; frightful sanitary conditions and filthy food, are parts of the stories told today by 15 members of the I. W. W., who have pleaded guilty to charges of violating the street speaking ordinance and are out of the city jail on probation.

"We were not held in detention only," said Charles Pierce, one of the released prisoners today. "We were punished before we had been tried."

Pierce, who is a young man of more than ordinary intelligence, had been in the city jail for 113 days. He was among the first arrested for street speaking, February 8. He was employed by the city on street work from Christmas up to the day before he was arrested.

"After our arrest," continued Pierce "we were thrown into the 'drunk tank.' This is a cell 16 by 16 feet. There was 46 of us crowded in these seven days without blankets, with cement floor to sleep on and under awful sanitary conditions. Some of us had to sleep standing up with our feet under other men's bodies. It is a disgrace to humanity that any human being should hand to another such food as was handed to us to keep body and soul together."

"At intervals some of us would be taken out of the cells and, for no cause that we could discover, beaten, choked and kicked. Every vile epithet that a depraved mind could imagine was applied to us. Chief of Detectives Joe Meyers was particularly brutal."

"After seven days in the small tank 78 of us were crowded into a larger one that would have been well filled with 20 men."

BROWNELL TO SPEAK AT HUBBARD TODAY

George C. Brownell will speak at a big picnic to be given at Hubbard today. There will be races, baseball games and other athletic sports. A large attendance is expected.

MOLALLA AVENUE TO BE REPAIRED AT ONCE

Councilman Toozee, a member of the Committee on streets, at a meeting of the City Council Friday afternoon, announced that the work of repairing Molalla Avenue would be started next week. The street will be thoroughly drained, and broken rock will be placed in the holes. It is the intention of the council to put the street in good condition. The contract for the extension of the sewer on Monroe street was let to the Oregon Engineering & Construction Company, the cost to be about \$700.

STATE MAKES GAINS IN PENDER TRIAL

ST. HELENS, Or., June 7.—With a brilliantly evolved mass of circumstantial evidence introduced, the state today closed its case against John Arthur Pender. He is on trial for the murder of Daisy Wehrman, who, with her baby, was slain in a cabin in Apply Valley, near Scappoose, at 7 o'clock in the evening of Monday, Labor Day, September 4.

Today's developments were particularly in favor of the state. Witnesses without exception upheld the testimony of Guy Whitney, clerk in the Scappoose postoffice, who swore he delivered to Pender on Labor Day, a newspaper addressed to the Wehrmans. A newspaper was found in the Wehrman cabin Thursday, September 7, when the premises were first examined.

The defense devoted the most of its time today to an effort to show that Pender's face was scratched, if at all, later than Monday, Labor Day. There is a possibility that the case will go to the jury tomorrow.

Sheriff Robert L. Stevens, of Multnomah County, was the first witness today. His testimony was largely corroborative of that of Sheriff Thompson, of Columbia County, and of Investigator L. L. Levings.

Stevens testified that Before Pender's arrest the prisoner was shadowed for a day and night in Portland, when on his way to Independence, Pender finally was taken to the Buchanan building in which Detective Levings has his office.

Next D. W. Price was called. In his store is located the Scappoose postoffice. He corroborated the testimony of Guy Whitney, the postoffice clerk, who testified that he gave the Wehrman mail to Pender on Labor Day. Price's partner, J. G. Watts, testified that on Labor Day he did not give mail to Pender or Lindloff.

HIGH SCHOOL GIRL DIES SUDDENLY

MISS ELIZABETH MONELL, ILL FEW HOURS, EXPIRES AFTER OPERATION

FEARS ENTERTAINED FOR MOTHER

Victim Of Appendicitis Christian Endeavor Worker And Aided In Arranging Public Library

Miss Elizabeth Monell, only daughter of Mr. and Mrs. Charles A. Monell, of Fourteenth and Washington streets died Friday night, following an operation for appendicitis. Miss Monell apparently was in good health Thursday having called upon several of her friends in the business section of the city.

The young woman was stricken shortly before noon Friday, and her condition became so serious it was decided that the only chance of saving her life was an immediate operation. She was taken to the Oregon City Hospital and operated upon at 5 o'clock. She did not rally and died at 10:30 o'clock.

Miss Monell was one of the most popular girls in the city. She was a member of the Freshman class of the High School the past year and had been promoted to the Sophomore class. Superintendent of City Schools Toozee, when informed of her death, said she was one of the brightest students in the school. He declared that no complaint was too high to pay her. Miss Monell several months ago assisted Miss Myrtle Buchanan in arranging the books in the Oregon City Library, and she was one of the most enthusiastic members of the Christian Endeavor Society of the Congregational church. She had been a church worker since early childhood and took much interest in the work.

The news of her daughter's death prostrated Mrs. Monell and her condition was regarded as serious late last night. Mr. Monell is employed in the office of Justice of the Peace Bell in Portland, and formerly was connected with the business department of the Morning Oregonian. The family came to this city four years ago from Aberdeen, Wash., having lived in San Francisco before going to Aberdeen. Miss Monell was sixteen years of age. Her mother, Mrs. Monell, stricken with appendicitis enjoyed the best of health.

CHRISTIAN ENDEAVOR HAS FINE SOCIAL

The Oregon City Christian Endeavor Union held its first social in the Baptist church parlors Friday evening about fifty members being in attendance. The crowd was a jolly one and after the playing of various games ice cream and cake were served. The parlors of the church were beautifully decorated with pink roses. Miss Lilli Schmidl won the honors in the formation of a ten word telegram using only the letters in "Union Social." The next meeting of the society will be of a devotional nature the first Sunday evening in July.

ROSE ENTHRALLS THOUSANDS TODAY

ALL CLACKAMAS COUNTY TO PAY HOMAGE TO FRAGRANT FLOWER OF OREGON

CHILDREN'S PARADE STARTS FUN

Warm Weather Has Injured Blossoms Somewhat, But Show Will Be One Of Best Ever Held

That the rose show festivities today will surpass all previous ones is assured. O. E. Freytag, Manager of the Promotion Department of the Commercial Club, said Friday night that everything was in readiness for the great carnival, and that the program would be carried out to the letter. Delightful weather is promised today by the forecaster, although there may be a shower or two. There was a delightful change in the temperature last evening when the city was cooled by a brisk wind from the South, which is usually a harbinger of showers, but not enough rain is expected to dampen the ardor of the management of the festival or the thousands of persons from all parts of Clackamas and Multnomah counties who will be in attendance.

Mrs. A. C. Warner, president of the Clackamas County Rose Society, announced that the extreme heat of Thursday and Friday has played havoc with some of the choicest blossoms in the city, and that intending exhibitors who do not have as fine specimens as others have usually exhibited need not be alarmed over the competition.

"The condition of the roses is such," said Mrs. Warner, "that every grower has an equal chance to win the handsome prizes that have been offered, and the officers of the Rose Society urge everyone to bring their exhibits to Busch's hall early Saturday morning. We have fears that the exhibition of the finest roses will not be large and we hope that every grower will make a display. Premium lists may be obtained from any of the officers of the Rose Society."

The following are the contributors for the Rose Show and Bargain Day: L. A. Noble, Bannan & Company, B. T. McEain, M. W. Zak, J. W. Cole, Wm. Trudell, L. Ruonich, L. Adams, Huntley Bros., E. B.
