Venom of Rattlers.
One authority on snakes has declared that the venom of the rattler will affect even vegetables. Having inoculated various varieties with the point of a lancet, he found them next day withered and dead, looking as if they had been struck by lightning. Another experimenter transmitted the venom through the blood of three animals successively with fatal results to all. Yet it is said the flesh of animals thus killed may be eaten with safety.

Two Loves.
"But, Emma, how can you prefer the plain and shabbily dressed Julius to my elegant and handsome brother?"
"That is quite simple. Your brother is in love with himself and Julius with me."—Paris Journal.

Dandruff Germs Are Responsible
Baldness and Most Hair Troubles Due to This Parasite, Which Destroys Hair Roots.

Nobody wants to be bald! But a neglected scalp means falling hair, then—BALDNESS. If you are troubled with itching scalp or falling hair, get rid of dandruff without delay. It destroys the hair roots so that no new hair growth is possible. Begin now using HAY'S HAIR HEALTH, the reliable dandruff remover. It destroys the dandruff germs and encourages a growth of youthful-looking hair. You won't have unsightly dandruff scales on your coat collar, or bald spots on your scalp if you use HAY'S HAIR HEALTH. W. W. White, Pastor Vienna (Md.) M. E. Church, writes us: "I have used half a dozen different hair tonics, but I find HAY'S HAIR HEALTH the very best preparation I have ever used for dandruff." You can get it at any druggist's for 50c. or \$1.00 per bottle, or from the Philo Hay Spec. Co., Newark, N. J.

FOR SALE BY HUNTLEY BROS

BUYERS ARE SLOW IN LIVE STOCK MARKET

The Portland Union Stock Yards Company reports as follows: Receipts for the week have been cattle 1579; calves 26; hogs 1611; sheep 5859; goats 12; horses 8.

The cattle market did not show any decided break in values but was a little soft throughout the week. Buyers were slow about taking hold declaring themselves for a hand them policy.

The hog market was a trifle easier and closed with a lower tone than when the week opened.

There was a big receipt of sheep and the sheep market showed a lack of strength. One shipment of feeder weathers came in and was taken out at \$2.90.

It seems that carnival week does not add to the strength of the live stock market, hotels, and restaurants buy their supplies the week previous and with full coolers are slow about adding to their stock.

Prevailing Oregon City prices are as follows:

DRIED FRUITS—(Buying)—Prunes on basis of 6 to 8 cents.

WATCH ABEL KIVIAT.

Crack Miller May Be One of the Sensations of the Olympiad.

Athletic sharps predict that Abel Kiviatt will be one of the sensations at the Olympiad to be held in Sweden if he maintains his present form. At Celtic park, New York, recently Abel smashed the world's record for the 1500 meter event when he went the distance in 3 minutes 59 1-5 seconds, beating the mark of 3 minutes 59 4-5

ABEL KIVIAT, seconds made by "Pony" Wilson of England June 30, 1908, at the tryouts for the English Olympic team.

In the recent race Kiviatt defeated such stars as Mel Sheppard, Oscar Hedlund and Frank Riley. Many close followers of the game who thronged the infield averred they witnessed some slashing races in years gone by, but nothing compared with Kiviatt's great running. He sprinted the last 200 yards. Kiviatt didn't do much all winter, but now that he has got into his stride it will take a man of the caliber of J. P. Jones of Cornell to make him bow to defeat. He is better than ever.

What She Will Be.
"What will the woman of tomorrow be?" sighed the pensive person.
"Oh, a year or two younger than she is today," replied the one who had reasoned such things out.—Chicago Record-Herald.

GLADSTONE MIDGETS BEAT PORTLAND NINE

The Portland Stars, managed by R. R. Libby, and the West Side Midgets of Gladstone engaged in an exciting baseball game at Chautauqua Park Sunday afternoon. The game was fast and snappy to the last inning and not until the last man was out did the Portland men admit the defeat. The score was 3 to 1 in favor of Gladstone. The umpires were Schooley and Dann.

The features of the game were the heaving hitting of the Midgets and the twirling of Donnelle, of Portland. Portland owes its defeat to the non-support of its pitcher. The batteries for Libby's Stars were Donnelle and Ruhlanc, and for the Midgets were Matrau and Victor Gault.

The Midgets are preparing for the game the Fourth of July, when Gladstone will have a home-coming, and the Midgets will meet the East Side Giants, of Gladstone.

MOLALLA STARS HAVE FIRST DEFEAT OF YEAR

The Molalla Stars met their first defeat Saturday at the hands of the Canby base ball team. Batteries, Stars, Steininger and Adams; Canby, Miles and Whipple. Score Molalla Stars 2; Canby 8.

Sunday at McFadden's Park the Stars defeated the Clarkes team for the second time this season. Batteries Stars, Vick and Adams; Clarkes, Dolbon, Baker and Haag. Score Molalla Stars 10; Clarkes 4.

Sunday on the Molalla Greys' grounds, the Greys played a fast game with Timms Crest team of Portland. Score, Molalla Greys 1, Timms Crest 4.

The Molalla Greys meet the Stars for the championship of the Molalla country, on the Greys' diamond at Molalla next Sunday.

Wool Drying.
Wool drying is one of the principal and serious operations in the woolen industry. The more gently and uniformly the wool is dried the better is the result attained, for should the wool be slightly damp in some of its parts the dye does not take well, and the result is an unevenly dyed yarn, which shows in the texture of the woven goods. Overdrying is also bad.
