

"MADE IN OREGON"

The publication of the advertisements on this page in ten of the leading newspapers in the state outside of Portland every week for a year is for the purpose of awakening the people of Oregon to the importance of their own manufacturing industries. The Oregon dollar goes from hand to hand, and benefits the whole mass of people, while the dollar sent to the eastern mail order house never comes back. The manufacturer who takes the raw material and works it up into a higher value is adding to the whole state. He is entitled to your support when you are buying anything represented on this page. Take the trouble to look over this page and ask the local dealer to supply you with the Made in Oregon product. Whether it is sawmill machinery, confectionery, counters and show cases, squirrel powder, blasting powder or face powder—call for and buy the Made in Oregon Product.
