BRYAN WINS FIGHT FOR DOCTOR

CHAMBERLAIN NEAR SECOND CHOICE

PLATFORM PROGRESSIVE, REAF-
FIRMING "RULE OF PEOPLE,"
AND DECLARING FOR
STATE'S RIGHTS AND
JEFFERSONIAN
PRINCIPLES

John J. Fitzgerald of Brooklyn, as spokesman for Charles F. Murphy of the New York delegates, took the platform and began a speech. Fitzgerald appealed for harmony.

The roll call on the forty-sixth and final ballot was begun amidst tumultuous noise and disorder, which made it impossible for the clerks to catch the response of the delegation chairman.

After Senator Stone's motion to make Wilson's nomination unanimous carried the convention adjourned until 9 o'clock.

In order that the roll call might be a record one and at the same time the nomination unanimous, Chairman James permitted Senator Stone to move after the vote was announced by the chair, but before it was recorded by the secretary that the nomination be made by acclamation.

Delegates and spectators were still on their feet and cheering, when at the end of five minutes, James ordered the delegates and galleries to "come to order."

At 12 o'clock, the hour set for the convention to reassemble, only a few of the delegates were in their seats. The New Yorkers were caucusing in their room. The galleries were not two thirds full, although spectators were coming in rapidly.

James then gave orders for the calling of the roll for the forty-third ballot.

When Virginia was called it was announced that for the first time the delegation was voting under the unit rule. Its 24 votes were immediately cast for Wilson, amid wild cheering from the Wilsonites, who seemed to enjoy the realization that Thomas F. Ryan, denounced by Bryan from the platform of the convention, was one of the delegates whose half vote was cast for the New Jersey governor.

The Virginia break was a factor for the anti-Wilson men, and many of them admitted that there would be little chance of preventing Wilson's nomination if another big state went over. This became almost a certainty when a moment later West Virginia cast her 16 votes for Wilson.

Theodore Bell, Senator Stone, D. R.

FOURTH TO BE BIG DAY IN COUNTY

PAPER MILL TO BUILD ADDITION

EMPLOYES OF GREAT WEST SIDE PAPER MILL TO HAVE CELEBRATION

ELABORATE PROGRAMS ARRANGED

GLADSTONE RESIDENTS TO HAVE GREAT PATRIOTIC MEETING IN PARK—MARQUAM AND HUBBARD TO CELEBRATE

Although there will be no celebration in Oregon City July Fourth, the day will be observed in many sections of the county, and Oregon City will be well represented at these places. Many persons are planning to go to Butteville, Marion county, where G. B. Dimock will be orator of the day.

Schnoor's park will be the scene of much merriment July Fourth when the employers of the Willamette Pulp & Paper Company, under the management of B. T. McBain, manager of the Willamette Pulp & Paper Company, will give to the employees one of the best celebrations they have ever had. An excellent program has already been arranged for the day, and there will be something doing every minute. All kinds of attractions have been arranged for, commencing at 10 o'clock A. M., until 9 P. M., when the fireworks will close the day's program. The employers have spared no expense to make it a most successful affair, and those for whom the affair is to be given will show their appreciation by attending and joining in the merrymaking. Prizes will be given for the races, dancing and squash pie eating contest. This will not be a dry pie, but a nice, juicy pie like your mother used to make, and no doubt will cause much fun. Several of the men who are to take part have sacrificed their whiskers and mustaches, so there will be no interference in eating the pie. There will be a sand shoveling contest, drawing for gate prizes, log rolling race, log boat race, flag contest on greased pole, catching greased pig, Grand Army drill, thin man's race, thin woman's race, fat man's race, fat woman's race, young women's race girls' race, boys' race young men's race, young men employees' race, swimming races. The women as well as the men, who are to participate in the races are practicing in back lots in this city and all are anticipating winning prizes. The thin men are dieting, and the fat men have increased their appetites. There are plenty to supply the demand for runners and no doubt there will be much competition in the fat and thin men's

WOODROW WILSON OF NEW JERSEY.

motion was lost.

The convention then adjourned, sine die, shortly before 2 o'clock this morning.

The result of the first ballot for Vice-President was: Marshall, 389; Burke, 305; Chamberlain, 157; Hurst of Illinois, 7; Preston, 58; McCombs, 18; Osborne, 9; Sulzer, 3; Wade 26; absent 46.

The sentiment of the convention was strongly in favor of giving the Speaker the place if he would accept it. H. H. Dean of Georgia, placed Clark in nomination and took the convention unaware. Despite a speech of ex-Governor A. M. Dockery, of Missouri, withdrawing Clark's name and a telegraphed statement from the Speaker himself, declaring he would not take the place, the convention was hopeful of his final acceptance, and one of the reasons for the suspension of the vote on the nominations was the desire of the leaders to make sure of Clark's position.

Governor Burke of North Dakota, was backed strongly for second place. His name was roundly cheered when it was placed before the convention.

Wilson after he had been weakened slightly in last night's figures, became a potent factor on the first ballot today.

But it was not until Senator Bankhead of Alabama withdrew Underwood's name that the storm broke. The Clark men had insisted that they would hold one third of the delegates and block the Wilson nomination.

With Alabama's action the Wilson victory was won. Foss of Massachusetts was then withdrawn amidst cheering and wild demonstrations in the galleries.

The victors were already rejoicing and it required Chairman James, a dozen secretaries and a couple of pla-

CONGRATULATIONS ARE SENT TO NOMINEE

BALTIMORE, Md., July 2.—Senator O'Gorman said: "It's a splendid nomination and absolutely assures Democratic success at the coming election. Governor Wilson's nomination means that in every state the fight of the local ticket will be made much easier."

William McAdoe, who built the Jersey tunnels, was jubilant. "It is a glorious victory, cleanly obtained," he declared.

S. Mount, adjutant, in his office of the Weinhard building today from 8 o'clock A. M. until 4 o'clock P. M. or on July 4 at the Hardware drug store from 8:30 until 9:30 o'clock. There are six tickets given to each, two for car fare (round trip) one for ice cream, one for serving at the barbecue, while the other is for a chance in securing one of the prizes. An excellent program is being arranged by the company to show their guests "a time of their lives."
