### To Make Murder Unpopular

Massachusetts has an excellent plan for cutting down the number of murderers. It cuts the murderers off just as soon as it gets the requisite evi-

dence against them. Pleas of emotional insanity will not save them if \$500,000 PLANT MAY proof of their guilt is obtained. Brain storm, temporary or protracted, has shielded many men and women slayers in the forty-three years which have passed since the temporary mental irresponsibility was successfully invoked in Macfarlane's favor in New 1.50 York, but that excuse does not get
