North Carolina Man Says Steamroller Was Operated by Roosevelt In His Various Races

WASHINGTON, July 5.—Senator Cummins of Iowa, progressive Republican candidate for the Presidential nomination at the Chicago convention formally declared today against the new party movement led by Theodore Roosevelt and announced his allegiance to the old party.

In so doing Mr. Cummins said bosses could not be escaped by the organization of new parties and to those Republicans who, after intelligent inquiry, concluded that President Taft's renomination was the result of fraudulent votes, he pointed out, however, that disappointment or individual dishonesty cannot be a foundation of a new party.

John G. Capers, South Carolina member of the Republican National committee, who supported Colonel Roosevelt at Chicago, also formally announced his intention to support President Taft's candidacy. Mr. Capers, in a statement, said the work of the majority of the National committee "was not one whit more severe than the steam roller methods of four years ago."

The large delegation of the Portland people took an active part in the program which was one of the most enjoyable celebrations ever held by the Clan Macleay Society. Among the features of the program were dancing, bagpipe selections, sword dancing and races. Prizes were given for these.

Never before in the history of Logan was a more successful Fourth of July celebration given than on Thursday which was under the auspices of the Harding Grange. There was a large attendance and all attending enjoyed the excellent program. The early part of the day was taken up with a program both musical and literary, which was in charge of Mrs. W. P. Kirchem. Charles E. Spence, who is master of the Oregon State Grange, gave the opening address. Attorney O. D. Eby, of Oregon City, was orator of the day, and his remarks like

FRIENDS OF THE PUBLIC PURSE.

MILWAUKIE TO VOTE ON WATER BOND ISSUE

The Milwaukie Council has called a special election for August 22 to vote on the question of issuing water bonds to the amount of \$40,000, and also to amend the charter so the city will have the power to open a street by condemnation proceedings. The purpose of the bonds is to obtain either Bull Run water by laying a main to the Mount Tabor reservoirs, or by taking water from Minthorn Springs, the former being preferred. The proposition also includes the possible purchase of the present Milwaukie Water Works Company's plants and installation of municipal pipes and pumping station.

Mr. Spence's were highly appreciated by the large audience. Mr. Eby's subject was "Some of Our Present and Future Duties," and was well handled. Among the amusements were the two baseball games, the first being between the "Granddads" and the "Dads," that caused no end of fun, and it was surprising how the "Granddads" got over the field making the "Dads" green with envy, and won by a score of 7 to 5. The following were the line-ups: "Granddads"—Henry Babler, Winfred Cromer, Fred Gerber, Sam Gerber, Henry Swales, S. Kirchem, Frank Holcomb, S. E. Gerber, Frank Wilson; "Dads"—Louis Funk, A. M. Kirchem, John Porter, William Bonney, William Brock, N. W. Bowland, Jack Hindle, Mr. Koch, M. H. McKilligan. Logan base ball team played the Clackamas team shortly after the "Granddads" and "Dads" had finished their exciting game, and Logan won by a score of 7 to 1. This made two games won by Logan, the "Granddads" being composed of Logan men and the "Dads" of Redland men all of whom are prominent in the section in which they reside.

Molalla had a successful celebration. The parade, which was composed of beautifully decorated automobiles, carriages and other vehicles formed near the schoolhouse and marched to the grove, about one mile beyond, where the program was given. Howard Brownell, of Astoria, was orator of the day, and his splendid address was applauded throughout.

Among the sports were the baseball games between Molalla Stars and Canby High School, resulting in a score of Molalla 8 and Canby 2; while the game between Molalla Greys and the Golden West Colored Team, was 11 to 1 in favor of the former. The batteries for the Greys were Anderson and James.

A large crowd attended the celebration in Hubbard. The forenoon was devoted to a fine program. The orator of the day was Hon. W. A. Dimick, of this city. Mr. Dimick's eloquent address was enjoyed by hundreds of persons. The music was furnished by the Hubbard Band of 25 pieces. One of the features of the day was the baseball game between M. Angel and Hubbard. The president of the day was George N. Beck. During the afternoon races and sports were the main attractions, these taking place on Main street.

One of the largest crowds that has ever assembled in Sandy was that on July Fourth, this being to celebrate the Fourth as well as to celebrate the incorporation of the town. The celebration was held in Meinig's Park. The parade started at 9:30 o'clock, and formed at the West end of the city of Sandy. Miss Angeline Canning read the Declaration of Independence, and the orator of the day was Hon. John D. Mann, of Portland. The music by the Allsworth orchestra of Portland was enjoyed. Races, dancing and other sports were among the features of the day that were participated in by many of the visitors.

WALK COMMITTEE TO REPORT TO COUNCIL

The city council committee, composed of Horton, Tooze and Holman, to confer with the management of the Portland Railway, Light & Power Company regarding the raising of the Canemah walk will report to the council at a meeting at 1 o'clock this afternoon. The officers of the company have submitted a plan agreeing to build a wall about five feet higher than the present one and make other improvements, but it stipulates that the city must bear half the cost. The committee will report against the city paying any part of the expense. It is desired that the wall be erected to protect the city from high water, and that the railway tracks and walks between this city and Canemah be raised.

Henry F. Ashurst, New United States Senator from Arizona.

DEMOCRATIC MULE PLAYS HIGH JINKS

A Democratic mule raised high jinks at the courthouse Friday, and it is freely predicted that Governor Wilson will not get the usual Democratic vote in this city. As a result, some of the animal's escapades the hand, planted when the building was erected, was destroyed, and many of the county officials are angry. The mule, which belonged to a contractor, became frightened while being driven through the grounds, and the driver was unable to hold it. It ran at full speed into the tree, uprooting it. The animal was not hurt.

DR. FORD TO SPEAK ON POLITICAL CRISIS

Dr. T. B. Ford, pastor of the First Methodist Episcopal church, is not a politician, but is interested in political questions. In view of present conditions, and the trend of current events, and next Sunday being nearest to the Fourth of July, "the day we celebrate," he announces that he will deliver a discourse in the open forum pulpit Sunday evening on a subject of more than passing interest to the public, and especially to men who are interested in current political history. He believes "that the old order changeth, giving place to new." BRYAN DID NOT EXPECT TO WIN

NEBRASKAN SAYS HIS CHANCES WERE BETTER AT REPUBLICAN CONVENTION

ROOSEVELT NOT FEARED, HE SAYS

Commoner, At Home, Declares Clark Victim of Advisers—Wilson Sure Winner, He Thinks

LINCOLN, Neb., July 5.—"Never in my experience," said Mr. Bryan this morning, in referring to his fight at Baltimore, "had victory hung by such a slender thread and never had it been dependent upon so many persons about whose position I knew nothing."

"Never for a moment did I delude myself into believing that I could secure the nomination at Baltimore. I told the Republicans that I could come nearer being nominated at Chicago than at Baltimore. That was my belief before I went to Chicago, and after the Republicans had nominated Mr. Taft by means that I would not now describe and after Mr. Roosevelt had announced his willingness to run as a third candidate with a new party, I felt that the only thing to do at Baltimore was to write a platform so progressive that Roosevelt would find no excuse for running."

"If Clark had come out as Wilson did," said Mr. Bryan, referring to the temporary chairmanship fight, "if he had refused to allow his leaders to lead him into the position that he occupied, the result of this convention might have been very different."

Before leaving Baltimore, Bryan estimated that Wilson would have a plurality of 2,000,000 over President Taft. When asked if he still held to that estimate, he replied:

"In estimating Wilson's plurality at 2,000,000 I was not counting on a third party. That might reduce the plurality some, and yet not much, because many Republicans who will vote for Mr. Roosevelt would not be willing to vote for a Democrat, and that will largely reduce Mr. Taft's vote. Taft will be the contender for the Roosevelt votes, not Mr. Wilson."

CHAUTAUQUA CROWD TO SET NEW RECORD

That the Willamette Valley Chautauqua Assembly will be held at Gladstone Park, July 9 to July 21 inclusive, will be the best attended in the history of the association is assured. The program is the best ever arranged by the management, and thousands of persons are eager to take advantage of an opportunity for an outing such as the meeting will afford. The grounds have been cleaned and made more beautiful than ever before and other improvements are planned. Hundreds of letters are being received daily by Secretary Cross from persons asking for tent space. Mr. Cross has been connected with the chautauqua for years, and naturally is an experienced manager. He said today:

"Never before has there been so much interest taken in advance in the chautauqua as this year. It seems that almost everybody in the county and thousands of other persons in the state will attend. A new record for attendance will be established and the Willamette Valley Chautauqua is destined to become one of the most important in the country. The program is one of the best ever arranged, and appeals to the prospective patrons."

John Mitchell, ex-President of the United Mine Workers, and Vice-President of the American Federation of Labor, will speak July 20 on "The Philosophy, Purposes and Ideals of the Trades Union Movement."
