### HANK O'DAY IS MODEST.

Manager of Cincinnati Reds Asks Only For One Left Hander.

Hank O'Day is a modest tactician. All he wants is another Matt Kilroy, one of the greatest left handers who ever crabbled at an ump.

O'Day was a pitcher when Kilroy was a star, and as Matt is one of Philadelphia's leading licensed victuallers, we will reproduce the interview with O'Day as set down by Bill Phelon.

"Believe me," says Hank O'Day, "if I could add a Kilroy to my pitching staff I'd ask no odds from anybody. There was a left hander who could pitch intelligently, trap runners on the bases and do his share of the batting. The modern left handers—most of them—are fancy specialists, who have little real class or value. A great many of the old time pitchers were also ball players, able to take care of themselves in almost any position, fine batters, clever thinkers. Nowadays a pitcher thinks all he should ever be called upon to do is pitch. And yet despite all this specialization stuff you can't get satisfactory pitchers. Look at the crowd of youngsters we took south this spring. Fine minor league pitchers, all of them. That was all—just good minor leaguers. Where are they now? When they were tried against the big league bats men, who insist that a ball shall be over, they faded away. The pitchers we have left are shy on control, and that has been losing us games. I think Suggs and Fromme are as good as any pitchers in the business, but the latter has been giving too many bases on balls."

### WALSH ANOTHER CY YOUNG.

Callahan Thinks His Pitcher Will Beat Veteran's Great Record.

Jimmy Callahan, manager of the Chicago Americans, thinks that Eddie Walsh will break Cy Young's record as a baseball twirler. Callahan insists that Walsh will be as great a pitcher in ten years' time as he is today and

Wednesday morning the directors have their annual meeting on the chautauqua grounds to outline in detail the work of the present session and to lay plans for next year. It is to be Chautauqua morning, entirely, and while the friends and the directors work out the final arrangements, all "kids" of Clackamas County will turn their footsteps to the grounds for tomorrow afternoon's session, when the main platform will be occupied by McCormick and "Bronie," the last named being a beautiful educated Scotch Colie, with a "logical understanding." This great team has been secured as the big feature for Children's day. In the evening Judge Sadler will give his famous lecture on "The Criminal in the Making." Judge Sadler is a recognized authority on the causes and condition of crime and has a wonderful personality which he injects into the spirit of his theme.

Interest is intense over the baseball series by five of the fastest teams in the Willamette Valley. Mt. Angel will try conclusions with McMinnville today at 3:30. W. J. Burnside of

Portland, has been chosen to officiate as umpire for the series. Wednesday the old time rivals, Gladstone and Clackamas will attempt to settle their former differences and one of the best games of the season is predicted.

The Oregon Militia Reserves, 100 strong, arrive this morning early to take charge of the ground patrol for the park. The men are from the First Regiment, Portland Headquarters and are under the command of Colonel Charles Mial Dunstin. On July 19th a sham battle will be given by the reserves.

"Woman Suffrage," that most vital question in Oregon at the present time will be the general theme for Tuesday, July 16, "Woman Suffrage Day" at chautauqua this year is one of the features and such well known speakers as Mrs. Waldo Henry Coe, Sara Bard Erghoff, and Helen Miller Senn will appear on the main platform. On that day the Oregon Federation of Women's Clubs will be in charge, and already have spacious headquarters on the grounds, that all club women may find opportunity for rest and a chance to mingle with their sisters on that big day. The lecturer for the afternoon is Miss Helen Varick Boswell of New York, one of the best known club women of the country. In the evening the State W. C. T. U. will have charge, with Mrs. Unruh acting as chairman of a most interesting program to close most fittingly "Votes for Women" day.

Floresam and Jetsam. When a ship is sunk or otherwise perishes that part of her cargo that floats on the sea is termed floresam. It is jetsam when the ship is in danger of being sunk, and to lighten her the goods are cast into the sea.

Children in Rose Parade Have Picnic. The children taking part in the floral parade during the recent rose show that was given by the Clackamas Rose Society were given a picnic Saturday afternoon at the Seventh Street Park by Mrs. S. S. Walker, Mrs. John Fairclough, Mrs. J. L. Waldron, Mrs. William Estes. These women had charge of the floral parade. The afternoon was spent in games, and refreshments were served. There were about fifty children in attendance. Among the members of the Rose Society in attendance were Mrs. A. C. Warner, who was president of the Rose Society of the past year, Mrs. F. T. Barlow and Mrs. J. K. Morris, also members.

Property Owners Make Decision which is Adopted by the City Council. The City Councilmen of Missoula, Mont., after having been backed by a large percentage of the property owners, awarded the contract for paving Gerald Avenue, the main street of the city, with Bitulithic Pavement.

The contract was awarded after a thorough investigation of all kinds of street pavement, and Bitulithic was chosen because of its well-known good qualities, as it has stood for many years the hardest of time and traffic tests under all conditions and in all climates.

The city officials are pleased to see that their choice of pavement meets the approval of both the property owners and the citizens of Missoula.

### CLUB DELEGATES ARE ENTERTAINED

As the 20 delegates of Women's Clubs passed through this city Sunday from California where they had been attending the Biennial Convention of Women's Clubs and were on their way to their homes in the East they were met at the Southern Pacific station by about ten women of Portland, members of the Club of that city and Mrs. M. The Portland women accompanied the delegates to Portland, where they were tendered a reception.

### TRUCK CROPS PROFITABLE

It is doubtful if any other branch of farming pays so well as trucking. By this I do not mean market gardening on a small scale where the amount of land under cultivation is only a few acres, says Daniel T. Hendricson in Farm and Home, but where certain vegetable crops are grown on a somewhat large scale, and where the size of the farm runs from 30 to 100 acres. Truck farming, too, can be carried on at a distance as great as 100 miles from the markets if the railroad facilities are good so that the produce shipped by freight in the evening may reach the market early next morning.

ED WALSH IN ACTION.

that in point of games won will go above the mark set by the veteran who recently retired.

"Walsh has a perfect pitching motion. He doesn't try to work the batter by throwing waste balls. His disposition is of the best. His habits couldn't be improved upon. There isn't anything too good for me to say about Walsh," says Callahan.

"He is the best pitcher in baseball. There isn't any question in my mind as to that. He has the ability. He has the temperament. What more could a manager ask? A manager does not have to tell Walsh to do anything."

Napoleon Before the Convention. When Barras introduced Napoleon to the convention as a fit man to be entrusted with the command the president asked:

"Are you willing to undertake the defense of the convention?"

"Yes," was the reply.

After a time the president continued, "Are you aware of the magnitude of the undertaking?"

"Perfectly," replied Napoleon, fixing his eyes upon his questioner, "and I am in the habit of accomplishing that which I undertake."

### Simplicity of Hair Dressing Now Fashionable

Women Favor Parted Locks—Puffs, Pompadours, Coronet Braids Going Out.

The present fashion of wearing the hair softly parted, without puffs, and braids, demands a naturally fine head of hair, and women with thin, faded hair are at their wit's end to know how to make it look well. The first step toward this end is to keep hair and scalp in a healthy condition by the systematic use of a stimulating tonic.

HAY'S HAIR HEALTH contains the ingredients needed to destroy dandruff germs and encourage growth of strong, new hair. Those hopelessly dry, faded looking locks grow soft, lustrous and youthful and the whole appearance is improved. You can get it at Huntley Bros. Co. for 50c, or \$1 per bottle, or from the Philo Hay Spec. Co., Newark, N. J.

### MISS BOLLINGER IS APPOINTED TEACHER

Miss Helen Bollinger, daughter of E. S. Bollinger, pastor of the Highland Congregational church in Portland, was elected a grade teacher by the Board of School Directors Monday evening. She is a graduate of Pacific University and has taught two years. The contract for the annual supplies was awarded to Huntley Bros. Company which submitted the lowest bid. Another meeting will be held in a few days to award bids for kalsomining, varnishing and painting the school buildings. The annual report of Superintendent of Schools Toozee was read at the meeting Monday evening.

### UNABLE TO SELECT TEAM.

United States Tennis Players Not Sure of Going to Australia.

None of the three challenging nations—England, France and America—has got beyond the discussion stage in the matter of obtaining a team to go to Australia after the Davis cup. In this country the difficulty of getting together a team to take the long journey to the antipodes has always been great, and this year is no exception. Of the three members of last year's team—Larned, Wright and McLoughlin—none is more than a possibility for the 1912 team. All three men are careful to avoid committing themselves, and one, McLoughlin, has not hesitated to say that there is very little prospect of his being able to make the trip. Larned and Wright are equally unlikely to do so.
