## AMERICANS WIN ATHLETIC EVENTS

UNITED STATES REPRESENTATIVES FIRST IN HURDLES AND JUMPS

### AMHERST RUNNER CALLED UNFAIR

Martin Hawkins, of Multnomah Club, Portland, Third in Great 100 Meter Hurdle Contest

STOCKHOLM, July 12.—The American athletes won two more events at the Olympic games today. Fred W. Kelly, University of Southern California, took the final heat of the 110-meter hurdle race, while James Wendell, of the New York Athletic club, and Martin Hawkins, of the Multnomah Athletic club, Portland, Or., were second and third respectively.

Albert L. Guterson, of the University of Vermont, captured the running broad jump with a new Olympic record of 24 feet, 11 inches.

The United States finished second and third in the discus, fifth in the modern Pentathlon and won places in many heats in other events.

An incident occurred in the last heat of the semi-finals of the 400 meter race today, which for a time stirred up a small tempest. It was a collision between Germany and the United States.

An Amherst divinity student, Donald B. Young, running under the colors of the Boston Athletic Association finished two yards in the lead in this race, but was disqualified, and the heat given to his teutonic rival, Braun, who crossed the line second. The circumstances led the spectators to think the United States might protest, but the American committee, while considering the judges' decision in error accepted it loyally.

The alleged foul occurred on the first turn, fifty yards from the start.

The race was for blood, and there was great rivalry between the two Americans, Young and Ira B. Davenport, University of Chicago, and the German Braun. Young took the lead on the first jump. The German attempted to pass him on the outside at the turn and was elbowed by Young. The judges made an attempt to stop Young at the next turn but without success.

The incident caused great excitement, the Germans hooted the Americans and Manager Halpin argued with the Judges.

When the mixup occurred Young, Braun and a Swedish contestant were bunched. Young had the pole, the Swede was as close as possible behind on the inside, with Braun on the outside. They were so close together that they seemed to rub shoulders. The German sprinted into the lead and then apparently slowed up. Young gave him a push with his right arm. With that the runners straightened out, and, after an inspiring contest, came up the home stretch at a terrific pace, with Young in the lead.

## LA FOLLETTE AIDES TO SUPPORT WILSON

SEAGIRT, N. J., July 12.—Charles R. Crane, of Chicago, who contributed heavily to Senator La Follette's campaign fund, and Charles Van Hise, president of the University of Wisconsin, Senator La Follette's ardent supporter prior to the Chicago convention, will take luncheon tomorrow with Governor Woodrow Wilson, a short time before the expected arrival of Speaker Champ Clark.

Close friends of the Governor said today that Mr. Crane had transferred his preference from the Wisconsin Senator to Governor Wilson and would be willing to do all he could to bring about the success of the Democratic ticket. As one of the original contributors and the donor of the largest sum to the La Follette campaign fund, Mr. Crane helped make possible the Senator's fight for the Republican nomination. His indicated espousal of Governor Wilson's cause is hailed as an index to the sentiment among the La Follette followers.

### CENTRAL WEST IS SWEEPED BY HOT WAVE

WASHINGTON, July 12.—The hottest place in the country today was Concordia, Kan., where the mercury climbed to 104. The entire Central West sweltered. The 100 mark was reached at Wichita, Kan., and the temperature fell only two degrees short of that in Omaha, Fort Worth, Tex., and Fort Smith, Ark. There was discomfort throughout most of the country except in the northwest, New England and the Middle Atlantic states, where cooler weather prevailed. The weather bureau gave no assurance of relief for Saturday and Sunday.

### BOY SERIOUSLY HURT IN FALL FROM CHERRY TREE

The seven-year-old son of Henry Thomsopp, a farmer of Logan, fell from a cherry tree Thursday breaking both arms and his nose. Dr. H. B. Mount of this city was summoned, and the little fellow is resting easily.

## ROOFS MUST BE CLEANED OF MOSS

CHIEF HANNAFORD READY TO ISSUE WARRANTS AGAINST OFFENDERS

### FIRE ORDER IS IGNORED BY MANY

Head Of Department Authorized By Council To Have Offenders Arrested—Fine Is \$100

Fire Chief Hannaford announced Friday evening that he would swear out warrants against all persons who had not removed moss from the roofs of buildings owned by them by the middle of next week.

"The moss on the roofs is a menace to the city," said the chief, "and it must be removed. The department has given ample warning and many persons have complied with the order, but there are many who have not. Unless they act now the warrants will be issued, and the prosecutions will be strict. The ordinance covering the offense provides for a fine of \$100. The moss is dry and sparks will ignite it. Moss is the greatest foe the fire department has, and as the law is so plain, it is strange to me that so many persons disregard it. I intend to prosecute all persons who are guilty to the fullest extent of the law. All of them have been warned, and it is my duty now to take action against those who have not paid attention to the warning. The city council has instructed me to do this, and the rich and the poor alike will have to comply with the law. As long as I am chief of the department, the laws safeguarding the property must be observed."

Chief Hannaford admitted that he had probably been a little more lenient than other chiefs, but he will not be in the future. He thought at first that the ordinance would be obeyed without drastic action being taken, but since it has not been, he feels that it is his duty to have warrants issued unless roofs are cleaned of moss before the middle of next week. "I explained conditions at the last meeting of the council," said the chief, "and was instructed to swear out warrants when I saw fit. It seems that it will be necessary in at least a score of cases, and I have decided to act promptly."

## CONFESSES TO THEFT OF \$200 FISH NET

Archie L. Meyers, arrested in St. Johns several days ago, on a charge of stealing a fish net valued at \$200 from Max Telford, Jr., of this city was held over to the Grand Jury by Justice of the Peace Samson Friday afternoon. His bond was fixed at \$500. Meyers admitted his guilt, and declared that he had a confederate. The police have made a futile search for the other man. The net was stolen from a skiff in the rear of Busch's store. Meyers says he and his friend intended to fish with it.

## PARKPLACE HOME IS DESTROYED BY FIRE

The home of Mrs. Cornelia Lillie, at Parkplace, was destroyed by fire Thursday night about 11:30 o'clock. The origin of the fire is unknown. It started in a clothes closet beneath a stairway it is thought. Mrs. Lillie is conducting a boarding house in this city, and the house which was burned had been occupied by her daughter, Miss Edith Lillie. Miss Lillie is now camping at the chautauqua grounds. The Parkplace hose company turned out in full force, and tried to save the household effects, and several of the firemen received severe burns on the face and arms. Only two chairs and a stove were saved. The house was located near the Southern Pacific bridge, and had eight rooms.

## BEES MENACE AS CHURCH IS REPAIRED

Rev. E. A. Smith, missionary pastor of the First Baptist church, returned from Logan Friday. During the past month Mr. Smith has traveled on his bicycle 420 miles. He recently assisted in repairing the church at Logan. When the men were working on the building they were cautious as a large swarm of honey bees had taken possession of the garret. They will not be molested.

### COUNCIL QUORUM LACKING; MEETING TO BE HELD MONDAY

## "AUK" SMITH JAILED ON GIRL'S COMPLAINT

Oscar, known as "Auk" Smith, one of the best known young men of this city, and a wrestler of state-wide repute, was arrested early Friday on a charge preferred by Dora Barnhoizer. The alleged attack is said to have been made in a hotel July 10. Deputy Sheriff Miles arrested the young man at his home and brought him to the county jail. He will be given a hearing before Justice of the Peace Samson this afternoon. Smith denies that he is guilty, and his friends say he will prove his innocence. Policeman Green and Frost worked up the evidence against Smith. The defendant is twenty-two years of age.

## WIFE CAUSED LOSS OF JOB, SAYS HUSBAND

Alleging that his wife was the direct cause of his being discharged by his employers, Roy E. Van Wormer Friday filed suit for a divorce against Alta E. Van Wormer. They were married in Toledo, O., February 21, 1894. The plaintiff says that his wife in December, 1911, informed his employers that he was not at work and they immediately discharged him. He further alleges that she spent several days at a divorce hearing in Toledo thinking he might be connected with the case. Kathryn Reardon sued John J. Reardon alleging he deserted her March 25, 1911. They were married September 16, 1909.

Alleging that his wife and her two daughters by a former husband, have been cruel to him, Peter Hefty, of Oak Grove, through attorneys Brownell & Stone, filed suit for a divorce against Emily H. Hefty. The plaintiff avers that although he recently spent \$2,000 in improving his home his wife and her daughters were not satisfied. He says they left him July 11, 1912.

Wife Wins Decree  
 Judge Campbell Friday granted Anna Joseph Getos a divorce from Joseph H. Getos. Desertion was alleged.

## LORIMER MAKES DRAMATIC PLEA

ILLINOIS SENATOR SWAYS SENATE GALLERIES WITH HIS ELOQUENCE

### ENEMIES VEHEMENTLY DENOUNCED

Roosevelt is Scored By Man Who Fights Valiantly For Honor—Speech Not Finished

WASHINGTON, July 12.—Fighting with his back to the wall, Senator William Lorimer of Illinois today resumed his desperate attempt to sway by dramatic appeal of innocence the most difficult of audiences—the United States senate—and obtain a vindication at their hands of the charge of corruption in his election. Even Lorimer's enemies today paid tribute to the power of his oratory by making canvasses of the senate to discover whether their estimate of a majority of two to oust the junior Illinois senator had been changed. They de-

## VOCAL MUSIC IS CHAUTAUQUA HIT

SONGBIRDS THRILL BIGGEST CROWD OF SEASON AT GLADSTONE PARK

### "BACK TO FARM" MOVEMENT URGED

Dr. Spurgeon, Eminent Clergyman, Addresses Large Summer School—Mount Angel Beats Clackamas

Though the Elks' big parade slightly interfered Thursday with the attendance at the chautauqua, a larger crowd than ever assembled to hear the famous Chicago Operatic Company in its first of a series of four concerts Friday afternoon. The work of the company was superb and exceeded the anticipation of the 2500 chautauqua lovers who have eagerly awaited their coming since the nineteenth session began last Tuesday. Grand opera scenes in costume sung by a company of well known American artists is a novel scheme for chautauqua assemblies, but the high-class rendition of solos, duets and quartets from world famous operas, with lighter encores—and no small number of them, met with popular favor, and a still larger attendance witnessed their evening entertainment.

Arthur Middleton, generally recognized as the leading basso in the oratorio, concerto and grand opera work throughout the country, John B. Miller, one of America's leading tenors, Rose Lutiger Gannon, contralto, Lenora Antoinette Allen, soprano and Edgar A. Nelson, pianist, comprise the all-star company. Their quartet work was magnificent, and this feature of the work alone would be a great drawing card, but even better were the solo numbers. Arthur Middleton not unknown in Oregon, was at his best in the famous "Toreador" song throwing his whole soul into the rendition, and taking the heavy parts of the famous number in a way that thrilled the large audience and made the whole auditorium ring with his beautiful rich baritone. His encore, "Mother O' Mine" was a most beautiful and fitting encore and was rendered in a most artistic manner. The tower scene from Il Trovatore brought out most beautifully and effectively the voices of Miss Allen and Mr. Miller, and the latter's "Til Sing Thee Songs of Araby" and "The Bohemian Girl" selection more than did justice to his grand tenor voice. Mrs. Gannon and Miss Allen are both artists of high ability and maintain the high standard of Messrs. Middleton and Miller in every way. Miss Allen's tone, phrasing and range favor her with rare gifts for opera work. Mrs. Gannon's beautiful voice was brought out particularly in her duet with Miss Allen in their selection from "The Kings."

"Back to the Farm" was the theme that attracted several hundred to the forum hour in the morning. Representatives of business, educational and agricultural interests of the state consisting of Mr. Lydell Baker, Professor E. D. Ressler of O. A. C. and Mr. Calvin C. Thomason held the ses-
