30,000 Yards Loom Ends at **3½c** Yard

LOOM ENDS means goods of irregular lengths, slight discolorations, or imperfections such as a coarse thread in the fabric. They are identical in style and design with the full piece goods. While the imperfections in no way injure the goods, they prevent the factory from selling at a profitable price. Our buyers are Bargain Hunters. They search the best mills of the country in immense lots. Some of the most desirable modes are bought in this way. Buying sample lots at reasonable prices from the mills and giving our customers the benefit of the savings is our specialty, and shrewd buyers will do well to attend this sale.
