America Wrests 3000-meters Team
Contest From Swedes and Brit-

Are Won

STOCKHOLM, July 13.—American athletes took the two feature events—the 400-meter and the 3000 meters team race at the Olympic meet today.

The 400 meters, which the judges decided to run in lanes in the final, was a struggle between the German, Braun, and four American competitors. The Syracuse collegian, Charles D. Reidpath won handsily in 48 1-5 seconds, with Edward F. Lindberg, Chicago A. A., in third place.

The Americans have drawn a few unpleasant surprises in the last two days, but they encountered a pleasant one by wrestling the 3000-meters team race from the Swedes and Britishers. Most of the Americans who composed the team are milers rather than two-milers, and it was expected the British contestants would run away with the event. But the Union Jack came only third, with the blue and yellow of Sweden dangerously close to the Americans for first.

The discus final with each hand was a new game for the Americans, as they were not accustomed to throwing with the left hand. The event proved easy for the Northerners, two Finns and two Swedes making the largest double scores.

The two Adams brothers, Platt and Benjamin, went much higher in the standing high jump than all the others except the Greek with the tongue-twisting name, who was a good third. In the swimming events Harry J. Hehner, of the Illinois Athletic Club, captured the final heat of the 100 meters back stroke in one minute 21 1-5 seconds. In the first heat of the 400-meter free style swimming semi-finals the Canadian crack swimmer, George Hodgson, finished first in five minutes 25 2-5 seconds, which is a new world's record. Healy, the Australian star, finished third, in the second heat, but qualified for the final as the fastest third. This heat was won by Hardwick also of Australia, in 5:34 4-5.

JOLLY EUGENE ELK IS "ARRESTED" HERE

A jolly party of Eugene Elks returning to that city from Portland played a practical joke on Jack Rodman, one of their number in this city Saturday afternoon. Rodman, who is a prominent real estate man, like many other Elks who attended the convention became financially embarrassed and borrowed \$10 from one of his friends. Upon reaching this city the friend demanded that the money be paid. An argument followed in which Rodman declared he could not pay until he reached home.

Meanwhile Mayor Berger, O. V. Roberts and A. E. Jepp, of Eugene, hunted up Mayor Dinkal Assistant District Attorney Shipp and Deputy Sheriff Miles. Miles planned to have Rodman arrested. Miles took him to jail and a few minutes later he was taken to the mayor's office where he was given a hearing. He pleaded guilty to having borrowed the money, but insisted that he could not pay until he reached home.

"Then I'll fine you \$5," said the mayor. "It is a very grave offense but inasmuch as you are an Elk and so am I, I will make the fine as light as possible."

"I knew I would be arrested when I came into this town," said Rodman. "However, I can't pay the fine. Some of my friends will."

WILSON AND CLARK HAVE CONFERENCE

SEA GIRT, N. J. July 13.—Speaker Clark and Governor Wilson talked for two hours today on legislation pending before the House of Representatives. The Speaker arrived after the Governor had been conversing for some time with Charles R. Crane, of Chicago, and President Van Hise, of Wisconsin University, both of whom have been prominent supporters of La Follette. Mr. Crane said he was going back to Chicago to work for Wilson and would be glad to contribute to the Democratic campaign fund.

In talking with the newspapermen tonight Governor Wilson said the subject of contributions had not been touched upon in his conversation with Mr. Crane and that there had been no pledge of support for the Governor on his visitor's part.

CHILDREN HAVE CHAUTAQUA DAY

PRESIDENT FOSTER, OF REED
COLLEGE, DELIVERS IN-
TERESTING ADDRESS

FIFTY BABIES ARE ON PLATFORM

Charles Edward Russel And Lou J.
Beauchamp To Be Stellar
Attractions Today—Glad-
stone Wins Again

With an interesting address by President Foster of Reed College at the forum hour Saturday morning and with two excellent concerts by the Chicago Operatic Company occupying the afternoon and evening, the first week of the 1912 session closed last night. The general feeling current on the grounds is that the program has surpassed the record of all former years in point of general excellence.

It was "Child Welfare Day" at the forum hour, the program being in charge of the Oregon Congress of Mothers. A row of some fifty tots on the auditorium stage was an appropriate idea for the day, and furnished a most unique reception committee for Dr. Foster. His lecture was a masterly discourse on the sexual life of the boy and girl. He strongly criticized the natural hesitancy of parents in being frank with their children, combatting the current idea that they should not attack the innocence of the child, on the theory that they will often obtain the knowledge from harmful sources. Dr. Foster made a vicious attack on so-called "specialists." He commended the growing interest in physical education for all and not for those especially adapted for such work. He emphasized vocational education and called the attention of teachers to their duty, that of taking care of the "whole" child, physically, intellectually and morally. Throughout his delicate discussion which was given eager attention by several hundred, the row of five-year olds upon the stage made a most striking effect upon the hearers.

A more fitting climax to the first week's closing could not have been imagined than the final concert of the Chicago Operatic Company. Pleased with their reception and the large enthusiastic audience which greeted them for their first three efforts, the excellent company gave their best to the largest crowd of the week and their closing numbers, the balcony and marriage scenes from Gounod's Romeo and Juliet will long be remembered by the 3000 who attended the concert. Especial mention of Mr. Middleton's rendition of the prologue from "Pagliacci" should be made. In the scenes from "Romeo and Juliet" Mr. Miller and Miss Allen took the title roles most admirably, while Mr. Lawrence, sung by Mr. Middleton and Mrs. Gannon as Gertrude won lasting laurels for themselves. The evening program follows:

1. King's Prayer, (Lohengrin) Wagner, (Quartette Arr.)
2. Duet, (Lakins Delibes) Miss Allen and Mr. Gannon.
- Flower Song (Carmen—Bizet), Mr. Miller.
4. Aria, O Don Fatate (Verdi) Mrs. Gannon.
5. Duet, Palarrquin Bearers (Lehman), Messrs. Miller and Middleton.
6. Aria, "Bird Song" Leoncavallo (Pagliacci) Miss Allen.
7. Prologue, Pagliacci, (Leoncavallo) Mr. Middleton.
8. Scenes from Gounod's "Romeo and Juliet."
9. Willamette and Pacific University have headquarters on the ground. On next Wednesday, July 17, Pacific will have its day. Alumni and students in large numbers will unite with faculty and friends for a genuine love feast and the college glee club will give an afternoon concert at 1:30 preceding the appearance of the Cambridge Players.

Saturday brought out the largest attendance of the session for the summer school classes and the unusual interest in the morning session is reflecting great credit on the able instructors at the assembly. Some of the classes number as high as two hundred and fifty.

Charles Edward Russel, with his great lecture, "Soldiers of the Common Good," and Lou J. Beauchamp in "The Age of the Young Man" are the stellar platform attractions today. Neither needs any introduction to Oregon people, and the management has prepared for a combined attendance of 10,000 for these two distinguished speakers. Russel, the famous New York editor has been called the "Political Messiah" of this country. Beauchamp has a national reputation as "The Man Who Laughs the Truth in to the hearts of the people." The day's program is as follows:

- 10:30—Sunday school, Rev. C. A. Phipps, superintendent.
- 2:00—Music by Chautauqua chorus, soloists, Miss Goldie Peterson and Charles Duncan McNeil.
- Lecture, Charles Edward Russel: "Soldiers of the Common Good."
- 4:00—Sacred Concert, Chapman's Chautauqua orchestra.
- 8:00—Chautauqua chorus. Soloists, Miss Peterson and Mr. McNeil. Lecture-sermon, "The Age of the Young Man" Lou J. Beauchamp.
- Gladstone baseball team defeated Archer-Wiggins by the score of 11 to 4. The feature of the game was the fact that one of Portland's best amateur teams was trimmed so decisively by the locals. Rankin's pitching for the home team, coupled with the timely slugging of Captain Mulkey's

The Executive Board of the County Fair has completed the Premium list. It is in the hands of the printer and will be ready for distribution in a few days.

This year there is a much larger premium list than ever before, marked by the large increase in individual premiums offered and also by the larger list of premiums offered in the Juvenile department.

Great interest is being manifested in the Juvenile work which is under the supervision of Professor T. J. Gary, where premiums are offered for farm products for boys and girls more than thirteen years, and also for boys and girls under thirteen years.

Handsome premiums are also offered the girls in the Domestic Science or cooking department for bread, cakes, pies, canned fruit, jellies, etc., and also for sewing and handwork to be done by the girls. Professor Gary will hold a number of local fairs in various communities shortly before the fair at which handsome presents have been offered for the best articles which will be exhibited at the state and county fairs.

The baby show will this year be in charge of Mrs. A. J. Lewis of Maple Lane, and great interest is already being manifested.

The Agricultural, Horticultural and Live Stock departments are well organized and will be the largest and best ever exhibited.

A number of bands will be on the grounds to furnish music. The committee is planning an old fashioned barbecue and polka-bake for Thursday, the second day of the fair. The barbecue will be in charge of Gustave Schnoorr, of Willamette, who has so successfully planned a number of events of this kind at his famous park for the German Society of Clackamas County. This day will be largely given up to sports among the features of which will be catching the greased pig, climbing the greased pole, pole vaulting, high jumping, foot racing and other sports of like character.

A merry-go-round, swings and other amusements will be on the ground to interest the children.

The women of the Methodist church of Canby who managed the grandstand restaurant so successfully last year obtained this concession again this year, which assures every person of a first class meal at a reasonable price. There will also be other eating places on the grounds where one may obtain light lunches.

Liberal prizes have been offered for the races which will bring to Canby's track the best horses of the valley to contest for the money.

There also will be a automobile races and an auto parade where premiums will be offered for the largest number of cars of differ-

LORIMER OUSTED FROM U. S. SENATE

ILLINOIS BOSS DEFEATED IN
FIGHT FOR LEGISLATIVE
SEAT

VOTE AGAINST HIM OVERWHELMING

Remarkable Address Made By Ac-
cused Man Falls Of Pur-
pose And He Loses
Toga

WASHINGTON, July 14.—Senator William Lorimer, of Illinois, was expelled from the United States senate this afternoon by a vote of 55 to 28. By that overwhelming verdict his colleagues found him guilty of having been elected May 24, 1909, by "corrupt methods and practices."

With Lorimer's dramatic assertion that his expulsion would be the "crime of the senate," his colleagues voted nearly 2 to 1 to oust him as a beneficiary of fraud.

Lorimer did not vote on his own case but his aged colleague, Senator Cullom of Illinois, turned against him in the senate.

With a smile on his face, Lorimer arose from his seat and with a swinging gait walked toward the Republican cloak room. As he reached the door Senator Smoot grasped his hand and friends from the house joined him. Senators Dillingham, Jones and others who voted for Lorimer joined him in the cloak room and bade him goodbye.

Three senators were absent. Several were "paired" and could not vote. Senator Culbertson of Texas, originally voted to oust Lorimer and then, being paired with Dupont of Delaware who was absent, withdrew his vote.

Lorimer's ejection followed a three days' speech by the senator, dramatic and replete with invective for his opponents. Beginning Thursday, Lorimer had spoken 11 and one-half hours when he relinquished the floor at 1:30 this afternoon. Lorimer's fight for his official life, which ended this afternoon when the senate doors closed behind his bulky figure, began 48 (at immediately after his election.

The senators voting to oust Lorimer were: Ashurst, Bacon, Borah, Bryan, Brisson, Brewster, Brown, Bryan, Burton, Chambliss, Chapp, Clarke of Arkansas, Crawford, Gullom, Gurnam, Curtis, Dixon, Fall, Gmader, Gore, Gronna, Hancock, Johnston, Kenyon, Kern, Lo Follette, Lusk, Lodge, Martin, Martine, Myers, Nelson, Newlands, O'Gorman, Overman, Page, Poindexter, Pomerene, Rayner, Reed, Root, Sanders, Shively, Simmons, Smith, of Arizona, Smith of Georgia, Smith of Michigan, Smith of South Carolina, Stone, Sutherland, Swanson, Townsend, Watson, Williams, Works.

Those voting for Lorimer were: Bailey, Bradley, Brandegee, Burnham, Catron, Clark, of Wyoming, Crane, Dillingham, Fletcher, Foster, Gallinger, Gamble, Guggenheim, Johnston, Jones, Lippitt, McCumber, Oliver, Paynter, Penrose, Perkins, Richardson, Smith, of Maryland, Smoot, Stephenson, Thornston, Tillman, Wetmore.

RAILWAY PROMISES TO WIDEN CROSSING

CLACKAMAS COUNTY AUTO
CLUB AND COURT MAKE
WINNING FIGHT

CHIEF ENGINEER BLOOD AT MEETING

Improvement Which Will Be
Great Boon To Owners Of
Cars Is To Be Made
At Once

As a result of the efforts of the Clackamas County Automobile Club and the County Court, the Southern Pacific Railway Company will widen the county road between this city and Parkplace at the intersection of the railroad. That is the most dangerous railway crossing in the county, and several serious accidents have been narrowly averted there. The automobile club, which was organized recently, asked the county court to have the road widened, and a conference between Judge Beatie, C. C. Blood, Chief Engineer of the Railway in Oregon and B. T. McBain, M. D. Latourette, C. W. Risley and H. G. Starkweather representing the club was held Saturday.

The crossing was examined and Mr. Blood admitted that it was dangerous. At the suggestion of Judge Beatie and the committee representing the club, he said the road would be widened twenty-five feet in the near future. The promise of the company to make the improvement is directly due to the organization of the automobilists of the county, and it is believed that the club will accomplish much more for the benefit of not only its members, but all persons using the county roads. Without organization, it is pointed out, it would be impossible to obtain many desired improvements.

Judge Campbell Saturday granted James W. Partlow, of Mount Pleasant, a decree of divorce from Lucinda C. Partlow, restoring to the defendant her former name, Lucinda C. Browne. Mr. Partlow was married several months ago in the Portland Hotel, Portland. He met the woman who became his bride while he was visiting in Santa Barbara, Cal.

Bertha Adams was granted a decree from John Adams, who formerly conducted a department store in this city, the charge being cruelty. Mrs. Adams was awarded \$50 a month alimony. After disposing of his business here Mr. and Mrs. Adams moved to Portland, where he obtained work. Shortly after they separated, and through attorney J. E. Hedges, she filed suit for divorce alleging cruelty. They were married in 1889, and have a grown son. Mr. Adams is working in Washington.

Judge Campbell also granted decrees in the following cases: Hazel L. Schumacher against Frank J. Schumacher, plaintiff to have custody of child; Josie Kennedy against Frank Kennedy; Thomas S. Molesworth against Carrie C. Molesworth; T. J. Merritt against Annie Merritt; Phillip J. Brady against Marie Brady and Elizabeth H. Heimback against Walter W. Heimback. Alleging that her husband has been cruel to her and has failed to provide her a home, Carrie French Saturday filed suit for a divorce against Roy C. French. They were married October 3, 1906. Allura C. Smith seeks a decree from W. A. Smith, alleging cruelty. Charles E. Eaton filed suit for a divorce from Mary J. Eaton, alleging cruelty. They were married December 23, 1879, in Dunn County, Wis.

"AUK" SMITH BOUND OVER TO GRAND JURY

Oscar Smith, known as "Auk" Smith, was held to answer to the Grand Jury by Justice of the Peace Samson Saturday on a charge preferred by Dora Barnholtzer, fifteen years of age. The girl testified that the defendant virtually forced her to go with him to a hotel. She declared that she fought with him in a room and finally the proprietor came to the door and told the girl that a friend had called for her. She said that Smith then let her leave the room.

The defendant said that the girl had willingly accompanied her to the room. He testified that he had told her if she would accompany him he would provide beer, and that she went to the room with the sole intention of obtaining a drink. He denied attacking the girl. When asked how old he was Smith replied that he was nineteen.

"Didn't you recently make application to become a member of a lodge, and gave your age as twenty-one?" asked Assistant District Attorney Stipp.

The defendant answered the question in the affirmative, but said he was telling the truth at this time. After George C. Brown, of counsel for the defendant had finished questioning the girl and Smith, he announced that the defense waived further examination. Justice of the Peace Samson in holding the man to the grand jury declared that such practices in hotels must be stopped, and also declared that mothers should be more careful with whom they allow their daughters to associate.

"We must protect our girls," said Mr. Samson. "The law must do its part and the parents must do theirs. It is a matter that cannot be given too much attention."

Gordon E. Hayes is assisting in the defense and B. N. Hicks is by courtesy of Mr. Stipp, assisting in the prosecution. Smith is a prominent athlete and is one of the best known wrestlers in Oregon.

PALO ALTO, Cal., June 13.—With a message in his pocket from his mother to his sweetheart, both of whom witnessed portions of his flight Victor Morris Smith, Jr., a 20-year-old Stanford University student, was instantly killed today by a fall from his airplane. A score of spectators saw the accident. Young Smith dropped from a height of about 200 feet and his neck was broken.
