Distributing Thirty Dollar Certificates

LOCAL CONCERN DETERMINED TO FIND OUT WHICH PORTLAND PAPER IS READ BY ACTUAL BUYERS.

ANYBODY CAN CLIP THE COUPON, WHICH IS AS GOOD AS GOLD IF PRESENTED BEFORE JULY 27, AT 10:00 P. M.

The above coupon is intended to test the advertising value of the Enterprise as compared with other mediums. It is generally known that Eilers Music House, jointly with some of the great piano manufacturers and talking machine makers is one of the largest advertisers on the Pacific Coast and their contracts run into thousands of dollars annually. In order to determine just which paper reaches the largest number of actual purchasers, it was decided to issue the above coupon. It will be accepted as part of first payment on any piano in the big store.

ONE DOLLAR AND THE COUPON ENOUGH. It will be remembered that Eilers Music House has already advertised pianos on a new one, two and three year payment plan, or on terms of one dollar down and one dollar a week. It was learned yesterday that that of-

fer is still open. Anybody can buy a piano on terms of a dollar a week. The only difference being that with the coupon printed above the buyer will receive credit for an additional thirty dollars—a total of thirty-one dollars in all. The coupon must be used however before July 27 at 10 o'clock p. m., for at that hour the coupon is cancelled and will be absolutely worthless.

PIANO PRICES MUCH LOWER. Prices on dependable pianos are now down to \$215, \$185 and \$154. On any of these pianos the Enterprise test coupon will be accepted as thirty gold dollars. In view of the fact that these prices are the lowest at which edns, etal etal taoltaotaoin such fine pianos have ever been sold for, it is easy to prophesy that every pianoless home will want to clip the coupon and take it to Eilers Music House at Seventh and Alder sts., Portland, Ore.

Please mention the Enterprise when answering ads.
