FARMERS TO THE RESCUE

The Committee on Markets of the New York State Food Investigation Commission has made its report, which throws a little new light on the increased cost of living. By getting the goods in packages the consumer pays 40 per cent more than he would if he obtained the same things in bulk. The trading stamp adds 3 per cent additional to the price, and the practice of requiring the seller to deliver every parcel, small as well as large, adds 10 or 15 per cent more to it. Here we have one very good reason why food prices are higher than they used to be, for the package system, the trading stamps and the practice of requiring the dealer to deliver everything, are comparatively recent innovations. Then, too, come the rapid increase in population and the comparatively slow gain in the output of the farms. While population throughout the country grew 21 per cent in the past ten years, the expansion in the food

Suggestive Questions in Sunday School Lessons

The old-fashioned preacher was a great exhorter, for no matter what the subject of his sermon, he always wound up with a fervid exhortation for instant compliance on the part of his hearers. The present writer wishes he had the power to effectually exhort all the readers of the Enterprise to join the International Bible Question Club. No matter whether you are old or young, Protestant or Catholic, or an outsider, it will be an infinite benefit to you to read and ponder the Suggestive Questions on the Sunday School Lesson, now running in this paper, reading them in connection with the International Sunday School Lesson. These questions grip everybody; they are as varied as human experience, and while they teach nothing direct, they draw

from every reader the best that is in him. They teach more by suggestion than is possible by direct teaching or dogma. Try them for yourself. You become a member of our Local Club by commencing this course of reading with our issue for Aug. 18 and cutting a coupon out of it this paper each week, from that time up to 52 weeks, certifying that the reading has been done. There are five solid gold medals, five sterling silver medals, five teachers' Bibles, and thirty-five valuable books to be given away as prizes, to our class of paper as previously explained. The ties are to be broken by the best answers to the five questions, that are to be answered in writing. You will need the Enterprise for yourself or friends.

Your Questions Answered

for his trouble, and in any event what is the general influence of a great sorrow upon a man's trust in Jesus? (5.) Is such confident faith that Jairus had natural or supernatural, and why? (6.) Verse 24.—Jesus in those days resorted to every call for help. What reason have we to know that he is now equally responsive to every call? (7.) When we are in trouble what do we need to do to get adequate help from God? (8.) Verses 25-28—What is the best thing for a woman who is afflicted with a chronic disease to do? (9.) Did this woman have true faith or was her faith mixed with superstition? Give your reasons. (10.) Many truly good people who trust in God are also full of superstition. What effect does this weakness have upon God's dealings with them? (11.) May sick people today have the same simple faith for bodily healing that this woman had and be healed? Give your reason. (12.) Verses 29-34—Was it the mere touch of Jesus' garment that healed her or conscious effort on the part of Jesus? Why? (13.) Was there, or not, and why, any more virtue in Jesus' garment in itself than in that of any other man? (14.) How did Jesus know, with so many people jostling him, of the particular touch of this woman? (15.) What is the ground for the belief that God is aware of every thought, word and act of every individual? (16.) When we open up our hearts to God and make him our confidential friend, what are the results? (17.) Verses 35-38—When matters seem beyond remedy why is it still safe to be of good courage and to have faith? (18.) Verse 37—Why is it that there are only certain persons we can work with effectually, while others equally good people, are a hindrance to us? (19.) Verses 38-43—What can you say for or against profuse weeping and elaborate mourning emblems at the funerals of Christians? Lesson for Sunday, Aug. 25, 1912. The Visit to Nazareth. Luke iv:16-30.

yet raised his voice against me." Declaring that if the National Erectors' Association was foul enough to plan a "diagram trap," it was capable of plotting the bribery of Juror or Lockwood. Darrow placed that crime upon the shoulders of the Eastern manufacturers as a part of the conspiracy to ruin him. Passing to the chief line of defense—lack of motive for bribing a juror when the so-called "peace negotiations" were all but completed, Darrow spoke feeling of the testimony of Lincoln Steffens and the philosophic utterances on the stand of the writer. He asserted that Steffens' philosophy was a step in the right direction; that the working class is the foundation of civilization and that only by aiding and uplifting those who toil could the world be made better.

Schepps is Being Rushed to New York

NEW YORK, Aug. 15.—Discarding his dilatory tactics when threatened with arrest under a federal warrant, Sam Schepps, held at Hot Springs, Ark., for complicity in the murder of Gambler Herman Rosenthal, changed front again today, and is now enroute to New York in custody of Assistant District Attorney Robert Rubin and County Detective Stewart, according to a statement issued hereby District Attorney Charles S. Whitman. The route the officers took with their prisoner is being kept secret. When the grand jury resumed its investigation today officers of several banks were waiting in the corridors of the criminal court building to testify. It is believed that these men were called to give testimony concerning deposits made by Police Lieutenant Charles Becker, who is said to have deposited \$59,000 in several institutions during the six months preceding the murder on a salary of \$185 a month. The bank accounts of other higher up in the police department, suspected of sharing in the \$2,400,000 yearly graft squeezed from New York gamblers by the police, will also be inspected. The identity of these men, District Attorney Whitman says, is known to him and he expects the grand jury to return not less than seven indictments on the evidence already presented. The interest New Yorkers are taking in the efforts of Whitman to rid the police force of grafters was shown last night when 4000 citizens attended a mass meeting in Cooper Union, thousands of others blocking the streets. District Attorney Whitman was the object of a demonstration when he appeared on the platform. He was cheered for 15 minutes. Other prominent speakers at the meeting were Dr. Lyman Abbott, Alderman H. Curran, Rabbi Samuel Schulz, Jacob H. Schiff, Raymond V. Ingersoll and George B. Agnew. The mass meeting appointed a "vigilance committee" with power to increase its seven members to 25, to solicit funds and secure counsel to assist Whitman in carrying on his work. A resolution was adopted calling upon the police department to put forth additional efforts looking to the arrest of all those implicated in the Rosenthal murder.

Appropriation Bill Vetoed by President

WASHINGTON, Aug. 15.—President Taft returned to the House with a veto message today, the legislative, executive and judicial appropriation bill, because of its amendment to abolish the Commerce Court and limit the tenure of office of civil service employees to seven years. The Cabinet read and approved the message at a special Cabinet meeting. On motion of Representative Johnson, of South Carolina, a member of the appropriations committee, the House took up the bill to pass it over the President's veto. Pensions for thousands of veterans, held up by disagreement between the House and Senate over the \$160,000,000 pension appropriation bill may be paid Saturday. The House has agreed to the Senate's demand to abolish the 18 outgoing pension agencies on February 1, 1913, and passed the bill, with one minor amendment which will be adjusted. President Taft is expected to sign it immediately. An effort to reach an agreement to dispose of the steel and wool tariff revision bills, already passed by the House over the President's veto, failed in the Senate today. Unanimous consent to vote on both measures tomorrow was objected to by Senator Briggs because there was a dispute about the arrangement of pairs. Republican leaders decided to call in absent members to meet any attempt by the Democrats to repass the vetoed bills. Telegrams were dispatched to all absentees within easy distance of Washington to return to the capital. The Republican force has been badly depleted during the last few weeks.

SENATE PASSES BILL AIDING LAND OWNERS

WASHINGTON, Aug. 15.—The senate today passed the house bill relating to land suits brought by the government in Oregon to reclaim public land in which the Oregon & California Railroad company to which they were granted failed to fulfill the terms of the grant. The bill provides that none of the lands thus reverting to the United States shall become subject to entry. Its effect would be to confirm in possession of the property those who purchased lands in good faith. This is considered the most important bill ever passed by congress in relation to the Willamette Valley and Western Oregon. It releases for permanent settlement and development between 400,000 and 500,000 acres of lands to which the purchasers were not certain whether they had perfect title. Some of the land was bought by lumber manufacturing companies and now that they are to be given perfect title they will be justified in developing these holdings in an extensive way. So, too, with the smaller settlers who have held possession of their purchases from the railroads but to which they have subsequently learned they did not have a clear title. They will now be justified in proceeding with improvements, as upon payment of \$2.25 per acre to the government all clouds to the title will be removed. Father Gets Boy. County Judge Beattie Thursday gave the custody of Garland Lillie, seven-year-old boy, to his father until further investigation. The father complained that the boy had been delinquent. Couple Gets License. A license to marry was issued Thursday to Ollie M. Wilson and James M. Wolfert. A small classified ad will rent that vacant room.

Frankie Burns is Called "Icy Toes"

SAN FRANCISCO, Cal., Aug. 15.—By turning down an offer to substitute for "One-Round" Hogan in a four-round bout here with Willie Ritchie tomorrow night, Frankie Burns of Oakland today is referred to in sporting circles here as "Little Icy Toes, Afraid of a Real Fighter." Ever since Ritchie gained fame by fighting Freddie Welsh to a standstill in a 20-round bout in Los Angeles, Burns has been camping on his trail, offering to fight any distance on a winner take all basis. But when Promoter Parente offered to stage Burns and Ritchie, Frankie turned down the offer, asserting that the distance was too short. Ritchie and Hogan were billed to fight four rounds here tomorrow night, but Hogan was taken suddenly ill and the bout has been cancelled. As an alternative match, Promoter Parente announced today that he had signed Ed Kennedy, former amateur heavyweight champion of the Pacific Coast and Rufe Cameron, a Los Angeles negro, to fill the gap.

THIS IS FOR YOU

If You Are Particular in Your Choice of Talcum Powder This Will Please You

Violet Dulce Talcum Powder was designed especially for the particular woman or man who wants the best, and appreciates it. No talcum powder we ever sold has so quickly found favor with fastidious people. Even the box is richly unique. And the talcum—well, all we can say is that it is pure, exquisitely perfumed and so impalpably soft that it clings to the skin for hours, imparting that soft, velvety look so highly prized by beauty. The best we could say about Violet Dulce Talcum Powder would be no more than you would say after using it, and that wouldn't do it justice. It is delightful to the senses, soothing to the skin and permanent in its clinging qualities. Used after the bath, it prolongs the cooling effect. Its antiseptic qualities make it highly effective in relieving and preventing rash and prickly heat. The woman or man who has ever used Violet Dulce Talcum Powder is now using no other. It is the acme of perfection in talcums. The woman who has not used it has missed a delightful experience, and the woman who does use it revels in its delights. If, after using it, you do not find that it meets in every way all the claims we make for it, we want you to come back to us and get your money. Price 25 cents. Sold in this community only at our store, The Rexall Store, Huntley Bros. Co., Oregon City, Canby, Hubbard, and Molalla.

Latin America Has Lost Faith In Us. By MANUEL UGARTE, Novelist and Poet of Argentine Republic.

I HAVE full confidence and complete faith in the good sense and fundamental honor of this admirable United States; but, busied in its own productive and beneficent labor, it is doubtless ignorant of the use that is being made of its strength in neighboring territories. IT NO DOUBT IS UNAWARE THAT THE MOST ACRID ANTI-PATHY IS BEING REARED AGAINST IT IN THE REST OF THE NEW WORLD, UNCONSCIOUS OF THE INJUSTICE THAT IS BEING COMMITTED IN ITS NAME, AND FINALLY THAT, WITHOUT SO MUCH AS SUSPECTING IT, THROUGH THE WORK OF AMBITIOUS AND ADVENTUROUS POLITICIANS THERE IS BEING BORN IN LATIN AMERICA AN ERA OF HOSTILITY, OF LASTING ANTAGONISM, THE CONSEQUENCES OF WHICH WILL INJURE US ALL. A journey recently made through all Latin America convinced me that the blind restlessness and disquietude that beset all my people are organizing and crystallizing into an ALERT AND VIGOROUS MOVEMENT OF PROTEST AGAINST THE IMPERIALISM OF THE UNITED STATES.
