## MIDDLE WEST IS LIKE BAKE OVEN

INTENSE HEAT STRIKES DOWN MEN AND HORSES IN CHICAGO

## STORES ARE VIRTUALLY CLOSED

Weather Bureau Gives Promise of Showers Today—Corn Crop Only Thing Benefited By Heat

CHICAGO, Aug. 31.—All heat records for the season melted away today, when Government thermometers registered approximately 95 degrees. This was on top of the Federal building, where breezes were blowing, but down in the cavernous streets the heats were above the 100 mark. One death and many prostrations were recorded by the police. That the death list is not much larger is due to the fact that this was a half-holiday and thousands of persons had quit work at noon.

The maximum degree of heat was reached at 2 o'clock in the afternoon and continued until after sundown.

The entire city wilted and gave up the battle early in the day. The night had been hot and there was no opportunity to store energy against today's heat. The proprietors of department stores and factories, realizing the unusual situation, dismissed as many of their employes as possible and permitted the remainder to drag around as they chose. An invading army of 15 energetic men could have captured the entire city with small resistance.

Dispatches from cities and towns in Illinois, Northern Indiana, Lower Michigan and Wisconsin tell of unusually oppressive heat which half baked the life and energy out of man and beast alike. Prostrations were reported in many of the smaller cities, and advices from small towns and farming districts tell of horses being killed by the sun's rays.

There was one bright spot in the entire situation and that stood out prominently in the general picture of misery. The torridity is pushing the great corn crop rapidly beyond the peril of early frosts, which now constitutes the chief bugbear in the grain markets.

As far as sweetening humanity is concerned, the only possible relief which the Weather Bureau could offer was "probably showers in the extreme northern portion of the state."

The temperatures in all states in the Middle West were higher in spite of cloudy weather and slight showers in many sections. This condition and south and southwest winds combined to make Chicago a bakeoven. The air was loaded to the limit with humidity, which is always the chief cause for heat suffering in the Great Lakes region.

A small classified ad will rent that vacant room.

## DAUCHYS HAVE GOLDEN WEDDING

FRIENDS GIVE PROMINENT FAMILY OF GLADSTONE PLEASANT SURPRISE

## FOUR GENERATIONS REPRESENTED

Husband, Day After Wedding, Joined Army and Fought Valiantly in Indian and Civil Wars

Mr. and Mrs. C. H. Dauchy, well known residents of Gladstone, were taken completely by surprise at their home Saturday afternoon when some of their relatives and friends called to remind them of their golden wedding anniversary. The afternoon was pleasantly spent in reminiscences of early days, and a most enjoyable afternoon was spent. Delicious refreshments were served, those planning and carrying out the surprise coming well prepared.

Miss Martha Woodie and C. H. Dauchy were married in Leona County, Minn., August 31, 1862, and the evening of the wedding Mr. Dauchy was called to picket duty, which was the day after the Ullm massacre, when the Sioux Indians were on the warpath. Mr. Dauchy did his duty, and remained on guard for two weeks until after the Indians had been routed by the white people. Soon after Mr. Dauchy enlisted as a volunteer in Company B, Third Volunteer Infantry of Iowa at Alnake County, Iowa, and at the close of the war returned to Iowa, where he lived until 1868, when he and his wife went to Southeast Missouri. In 1872 Mr. and Mrs. Dauchy came to Oregon, settling at Eagle Creek, moving to Oregon City in 1880, where Mr. Dauchy became a contractor. They remained in Oregon City until about twenty-three years ago when they moved to Gladstone, where they have since resided. Mr. Dauchy is past commander of Meade Post, Grand Army of the Republic, of this city, he having served as commander in 1883. He is also a member of the Milwaukee Grange.

Mrs. Dauchy was a daughter of Thomas and Rachel Woodie. She was born in Green County, Wisconsin, December 3, 1841. Mr. Dauchy was the son of David and Sarah Dauchy, and was born at Poughkeepsie County, New York, December 27, 1840. There were seven children born to Mr. and Mrs. Dauchy, two of whom are living. Mrs. S. E. Holcomb, of Portland, and C. H. Dauchy, of Parkplace, Oregon. At the reunion held in their honor there were four generations attending.

Mr. and Mrs. Dauchy have been extended congratulations by their many friends in this city and at Gladstone. They are held in the highest esteem in Oregon City where they resided many years.

Those attending the reunion were: Mr. and Mrs. S. E. Holcomb and three children, Ward, Earl and Lee, Dr. I. N. Wood, and wife, of Portland; Mr. and Mrs. Frank T. and two children, Kenneth and Geneva, of Portland; Mrs. Jessie Holcomb Wood, of Portland; Mr. and Mrs. C. H. Dauchy, Jr., and son, Llewellyn, of Parkplace; Mrs. L. C. Palmer and two children, Martha Lucile and Frances, of Portland; Mrs. Ralph McGeechie, of Gladstone; Mrs. G. W. Church, Mrs. William Johnston, Mr. and Mrs. Gallogly, Mrs. G. W. Church, Mr. and Mrs. George Webster, of Gladstone; Miss Nellie Reed, of Baker, Oregon; Mrs. Amanda Wait, of Portland.

Mr. and Mrs. Dauchy have seven grand children, of whom were in attendance but Frank Trullinger, these being: Mrs. Lena Palmer, Mrs. Jessie Wood, Ward Holcomb, Earl and Lee Holcomb, the latter being twin sons of Mr. and Mrs. S. E. Holcomb, of Portland; and Charles Llewellyn Dauchy. There are two great grandchildren, Lucile Palmer and Frances Palmer, son and daughter of Mr. and Mrs. Palmer, of Portland.

## MINORITY LEADER SCORES LAFFERTY

WASHINGTON, Aug. 31.—On two separate occasions during the closing hours of Congress Representative Lafferty was made to feel the biting sting of Minority Leader Mann's sarcasm and in both instances the chastisement was well merited, if general applause and undertone comment is any guide.

The member from the Second Oregon district, criticizing Mann for objecting to a private bill, declared the member from Illinois could not understand what "anyone with a grain of sense ought to understand," and then broke out into a tirade against the minority leader for "appropriating to himself a superior wisdom to that of a committee of this house."

The minority leader, in his most rasping, sarcastic tone, replied: "That statement is not true, so that it is not worth answering. I am used to being abused by some man who has a bill that is rotten."

Later, when Lafferty attempted to call up his bill for the relief of Lewis Montgomery, of Portland, he again charged the minority leader with misrepresenting the facts and "presenting a half-baked theory in regard to the case."

After sarcastically referring to the "undisputed superior wisdom of the members from the Second Oregon," the minority leader again objected to further consideration of the bill.

If you saw it in the Enterprise it's so.

YOU MAY SAFELY GO ON THAT VACATION.

## CHARLES BAXTER'S HOME IS BURNED

The home of Charles Baxter, at Fourteenth and Washington streets, was destroyed by fire Saturday evening. The loss was about \$1,500. It is covered by insurance. Mr. and Mrs. Baxter were away when the fire started. It was discovered by a neighbor and an alarm was immediately sounded. The department, however, was hampered, there being no fire plug in the neighborhood and the building was almost destroyed before water was poured upon it.

A sewing machine and several chairs were saved. It is believed that the fire started in a chimney which was defective. The fire was a spectacular one, and scores of persons living in the neighborhood were aroused and many assisted in trying to save the household effects of the Baxter's.

## WIFE, SING, SAYS HUSBAND STRUCK HER

Laura Belle Wakefield filed suit for divorce Saturday against Hayes W. Wakefield, alleging cruelty. The plaintiff avers that her husband drank to excess and frequently struck her. She further contends that he did not contribute to her support. They were married in Seattle September 6, 1902. Mrs. Wakefield says that her husband told her several times that if she "didn't like his way she could get out." She asks for \$20 a month alimony.

## GLADSTONE VOTES AGAINST HIGH SCHOOL

The election in Gladstone Saturday to determine whether the city was to have a high school resulted in the proposition being lost by a vote of 68 to 46. At a recent election the proposition was carried, but another one providing that the city furnish high school educations either at home or in Clackamass was lost. Oregon City, as declared by the directors that the election was void and another was called. It is probable that another election will be called to determine whether a tax levy is to be made to provide funds for sending pupils to the Oregon City High School.

## PRIZE BABIES AT FAIRS ARE NAMED

Dr. Guy Mount, who was judge of the baby shows held at the Juvenile Fairs at Sandy, Estacada, Logan, Clackamass, Molalla, Canby, Oregon City, Oswego, Milwaukie and Wilsonville, made his decision of the babies that are to go to the state fair, one of the new features of the fair this year. The mothers will be admitted into the fair grounds free of charge. There were more than 100 babies entered in the shows, and the following babies have been awarded the honor of attending the state fair:

Ten months' old—George Clark, son of Mr. and Mrs. Virgil Clark, of Oak Grove; 22 months' old—Ruth Baumback, daughter of Mr. and Mrs. A. C. Baumback, of Boring; 2 years, 1 month, 11 days old—Lewis Hasselbrink, son of Mr. and Mrs. Lewis Hasselbrink, of Wilsonville; 3 years, 10 months old—Harold Bronson, son of Mr. and Mrs. Nell Bronson, of Estacada.

**SUES FOR INSURANCE**

## RAILWAY COMPANY TO BUILD WALL

OFFICIALS AGREE THAT CITY SHOULD NOT PAY PART OF EXPENSE

## SPECIAL MEETING TO HEAR REPORT

Hedges and Jones Attend Conference in Interest of Canemah—New Plans and Specifications Offered

That the Portland Railway, Light & Power Company will build a wall at the southern end of the city satisfactory to the city council was the opinion expressed Saturday. It is also believed that the company has abandoned the original plan of urging that the city pay part of the cost. The purpose of the proposed wall is to protect the city during high water. It is also planned by the company to raise the walk and tracks between this city and Canemah.

Chief Engineer Sullivan and other officials of the company met Saturday with a special council committee, composed of F. J. Toose, R. L. Holman and E. P. Horton. New plans and specifications were submitted, and while the members of the council committee refused to make a statement, it is understood that they will report favorably at a special meeting of the council, which probably will be held Monday evening. The proposed wall is to be higher than the one the company suggested building sometime ago, and which it insisted the city should pay half of the cost.

Canemah was represented by W. A. Hedges and Henry E. Jones.

## WIRELESS MESSAGE SENT TO JENNINGS

Charles Coleman, who recently installed a wireless telegraph station at his repair shop on Seventh and John Quincy Adams streets, sent a wireless message to Jennings Lodge Friday evening, which was very successful. Mr. Coleman caught a message in this city that was traveling from Albany, Or., to Portland on Friday afternoon. He says he will soon be able to communicate with Portland. If it happened it is in the Enterprise.

## GIRL BABY, FOUND ON STEP, ADOPTED

INFANT LEFT AT HOME IN MOUNT PLEASANT MADE MEMBER OF HOUSEHOLD

## WHINING OF DOGS WAKENS FAMILY

Mr. and Mrs. Edward Take Baby, Although They Have Six Children—Family Goes To The Dalles

A girl baby, two weeks of age, was found on the front doorstep at the home of U. Edward, Mount Pleasant, at 11 o'clock Friday night. The baby was well dressed and it is believed its parents are well-to-do. Mrs. Edward was awakened shortly before 11 o'clock by the barking of dogs, and looking out of a window, saw a bundle on the step. Her husband made an investigation, finding the baby. The foundling was asleep, and did not awaken for several hours. It was wrapped in white flannel, and a bottle of milk lay at its side.

Mr. and Mrs. L. H. Newman, who live next door to the Edward family, aided in feeding the infant. A dress suit case filled with baby clothing was found in the yard at daybreak. Mr. and Mrs. Edward moved to The Dalles Saturday, taking the baby with them. Although they have six children they announced they would rear the foundling, and are delighted that the baby is such a fine one. The infant has blue eyes and auburn hair. It is believed by the police that the child was left at the Edward home by a strange woman who was seen carrying a baby and a dress suit case in Oregon City early Friday evening. She is thought to have come from Portland.

A baby was left in the automobile of Dr. Hugh S. Mount, of this city, several weeks ago. The police are confident the child was brought from Portland, a woman with an infant in her arms having been seen to get off a Southern Pacific train southbound, only a few minutes before the child was found. The baby was sent to the St. Agnes Home at Parkplace.
