T. R. PARTY DOES WELL IN VERMONT

PROGRESSIVES CLOSE BEHIND DEMOCRATS AND LEGISLATURE MUST DECIDE

REPUBLICAN VOTE IS REDUCED

Returns Come In Slowly, But It Is Assured No Party Has Majority Required By State Law

MONTEPELIER, Vt., Sept. 3.—With returns from more than half the state at hand at midnight, the election for Governor is certain to be thrown into the Legislature. The Roosevelt Progressive party succeeded in making inroads upon the Republican majority, but it polls only about a quarter of the vote of the state.

There are 246 election districts in the state. Returns from 173 districts give Fletcher, Republican, 18,760; Howe, Democrat, 14,170; Metzger, Roosevelt Progressive, 11,741. At the last election these same districts gave the Republicans 23,448, the Democrats 10,692.

Indications from these figures at midnight are roughly that today's vote will total: Republicans, 26,236; Democrats, 19,838; Roosevelt Progressives, 16,429.

A majority of the two parties combined against the Republicans would be 5280. Same 173 districts so far heard from give Republicans 98 in the Legislature, Democrats 36, Progressives 13.

As the matter stands tonight no candidate for the office of Governor of the state has a sufficient number of votes to insure his election. However, the indications are that the Legislature will be strong enough Republican to insure the election by that body of Fletcher to the office of Governor.

Early in the night some of the Roosevelt men were rash enough to announce that Metzger had been elected Governor. However, they later tempered their statement and said that their candidates had made a

ELKS TO OPEN HOME TOMORROW EVENING

Preparations were completed Tuesday for the opening of the new home of Oregon City Lodge No. 1189, Benevolent and Protective Order of Elks, tomorrow evening. The opening will be informal in character, with Exalted Ruler Henry O'Malley presiding. The exercises will start at 7 o'clock in the evening and probably will continue until midnight. Arrangements have been made to keep the home open after Thursday from 9 o'clock in the morning until midnight. It is planned to throw the building open to the public September 11, and all residents of Oregon City are invited to inspect it. The announcement that the dedicatory exercises would be held on that date was an error. These exercises will be held in October.

SECOND PRIZE WON BY CLACKAMAS

BENTON AGAIN CAPTURES FIRST HONOR, BUT BY NARROW MARGIN

COLUMBIA TAKES THIRD PLACE

Eugenic Exhibition Is Center Of Attraction At Great State Fair—More Babies Are Exhibited

SALEM, Or., Sept. 3.—For the fifth consecutive year Benton County has been awarded the first and grand prizes of the fair for the best county exhibit. Clackamas County was a close second, giving Benton County the worst scare that it has had in its five years of continuous victories. Columbia County took third place, Washington was fourth, Lane fifth and Multnomah sixth.

The Benton County exhibit is in charge of E. F. Groves, of Corvallis, and has been in his charge during the successful career of Benton County the past five years at the fair. The exhibit is one of exceptional excellence and demonstrates not only the quality but the versatility of the soil and the products of that section of the state.

The eugenic exhibit today was a

DR. FORD COMES TO OREGON CONFERENCE

Dr. T. B. Ford, pastor of the First Methodist Church, has been transferred from the Columbia River Conference to the Oregon Conference, and it is expected that he will be appointed to the Oregon City charge for another year. Dr. Ford returned Tuesday evening from Ellensburg, Wash., where the Columbia River Conference was held. The Oregon Conference will be convened week after next, and inasmuch as Dr. Ford likes Oregon City and his congregation is delighted with his work and ability there is every reason to believe that he will be retained in his present pastorate. Dr. Ford has made many converts since coming to Oregon City.

MR. AND MRS. CLYDE GOING TO ENCAMPMENT

C. A. Williams, assistant adjutant general of the Department of Oregon, Grand Army of the Republic; Mr. and Mrs. H. S. Clyde and President Grant, of the Department Drum Corps, will be among the Clackamas County people, who will attend the National Encampment of the Grand Army of the Republic at Los Angeles. The Oregon special train, with one Washington car attached, will leave Portland at 3 o'clock Saturday afternoon, arriving at Los Angeles at 11 o'clock Monday morning, making the trip in forty-four hours. Five members of the Department Drum Corps will accompany the party, sufficient funds having been raised to defray their expenses.

PIANIST STRICKEN AS HE PLAYS IN THEATER

While playing slow music for a melodramatic picture at the Star Theatre Tuesday afternoon, Frank Murphy, the well known pianist, fell from his chair, suffering the greatest agony. He crawled to his feet, and pressing his hands to his chest, started toward the front door. He fell again just before reaching the front office, George Simmons, manager, going to his rescue. The pianist was taken into the front office and Dr. Guy Mount was summoned. He soon alleviated the young man's pain, and diagnosed his ailment as pneumonia. Mr. Murphy's condition was somewhat improved late Tuesday night, but it probably will be a week or more before he will be able to resume his duties.

SCHNOERR CASE TO GO TO TRIAL TODAY

The case of Gustav Schnoerr, President of the Deutsche Verein Clackamas County, and Vice-President of the German Societies of Oregon, was called for trial before Circuit Judge Eakin Tuesday, but owing to a misunderstanding of attorneys as to when the trial would start, it was postponed until today. Schnoerr is accused of libeling Chris Schuebel in an advertisement published in the Morning Enterprise several days before the recent primary. It may take several days to try the case. George C. Brownell, J. E. Hedges and Gordon E. Hayes represent the defendant and W. S. U'Ren will assist District Attorney Tongue in the prosecution.

COMMERCIAL CLUB PLANTS 60,000 TROUT

A committee of the Oregon City Commercial Club, composed of R. L. Holman, Gilbert L. Hedges and Harry Draper, planted 60,000 rainbow trout in the Molalla River, Clear and Milk Creeks Monday. The committee and assistants left this city early in the morning in automobiles and devoted the entire day to liberating the fingerlings. The trout were obtained from the state hatcheries. Early in the year the Commercial Club appointed the committee to look after the work, and a request was at once made for the fish. They arrived in sixty cans and it required two teams beside automobiles to take the fish to the streams. Mr. Elkins met the party at Molalla, and assisted in liberating the fish in the Molalla River. Pres Bonney aided the committee in liberating the fingerlings in Clear and Milk Creeks. The use of the automobiles was donated by Miller's Garage, Pacific Garage, John Warren and Edward Greig.

WEST SIDE COMMERCIAL CLUB MEETS TOMORROW

The West Side Commercial Club, which was recently organized, will hold an important meeting at the Oregon City Commercial Club tomorrow evening. The meeting was originally scheduled for the Willamette schoolhouse.

If you saw it in the Enterprise it's so.

HURT IN FALL FROM CAR, HE SPURNS AID

An unidentified man was seriously injured by falling from a street car at Seventh and Main streets Tuesday afternoon. The man boarded a moving car, but lost his hold and fell. One of his ankles was grazed by a wheel, and his head and right arm were lacerated. Although apparently seriously injured, he again boarded the car, and insisted that he would not have his injuries treated until he arrived in Portland. The cut on his head was several inches long and bled profusely. Several passengers aided in applying a temporary bandage, and the man when he left the car at the First and Alder streets station declared he would be able to go to work today.

GERMAN AND LATIN TEACHER IS WANTED

Another vacancy has occurred in the corps of teachers of the Oregon City high school, due to the resignation of Miss Gertrude Holmes, who was elected instructor in German and Latin. The Board of Education is receiving applications for the position and will fill the vacancy before the opening of the Fall term on September 23.

PRISON FIRED BY RIOTING CONVICTS

MILITIA COMPANY AND SPECIAL OFFICERS FINALLY FORCE MEN TO QUIT FIGHT

FLEEING PRISONER SHOT BY GUARD

Felons in Bull Pens Obtain Weapons And Liberate Seventy-Five Others—Fire Damage Big

JACKSON, Mich., Sept. 3.—Rioting convicts of Jackson prison, overcoming all restraint, entered the prison bull pens to day and liberated about 75 fellow prisoners. An hour later the prison authorities had the convicts apparently cowed by the presence of Jackson militia companies and fireman and special officers who hurried to the scene immediately after the outbreak. Much property was damaged by fire started by convicts.

One fleeing convict failing to halt when ordered, was shot down by a guard. The prisoner was running across the yard when told to stop and refusing, he was dropped with a bullet from the gun in the hands of a special deputy.

Prison officials fear that the worst has not yet come, and in addition to the two local companies of militia, numbering about 160 men, the Lansing company of the National Guard was asked for. Every citizen who can be induced to act as a special guard is being armed and rushed to the prison.

The supply of firearms at the prison has been exhausted and heavy intruders are being made on the supply in the various hardware stores of the city. A number of newspaper correspondents are said to have been sworn in as deputies and are unable to send reports to their papers, every man being placed under oath to remain silent regarding conditions inside of the walls.

It was said later this afternoon that the militia had cowed the rebellious convicts, who were all safely locked up. The fleeing convict who was shot by a guard is said not to have been seriously hurt.

About 75 convicts were in the bull pens, which were opened, and practically every prisoner secured weapons of some kind soon after gaining his liberty. Knives, hammers, barrel staves and other articles were used by the convicts in an endeavor to overpower the guards stationed inside the prison walls.

THE GRAND

A Most Attractive Proposition

Yesterday we placed on the market 200 choice residence lots in Gladstone and the unprecedented interest aroused in our proposition, proved its merit and convinced us that long before 60 days have passed we will have parted with most of the 200.

You have to have a mighty good proposition for the land buyer these days. That's the secret of our unprecedented first day sale of Gladstone home sites.

Gladstone has, in operation, a \$20,000 water system of its own.

Gladstone has every other convenience and facility known to the modern small city.

Gladstone is the most ideal townsite in the country. We don't care a whoop where you go.

We realized all these things. Then we put ourself in the place of the buyer and said: "What else do we want? What can we desire to make this proposition ideal? Of far reaching service to the buyer?"

We figured for a long time on some way to make our offer one of greater benefit. Finally we worked out a unique system of payments: \$10.00 in cash—that's all. The balance at almost any time, one, two, three, four or five years at a ridiculous low interest rate. But that was not enough. Briefly:

If you should get sick, we will let your payments slide for one, two or even three months. And even further:

If you should die before your payments are completed, your heirs or legal representatives may continue the payments, or if they prefer it, bring back the contract, and we will return every penny of both interest and principal paid.

Is it any wonder that our 200 lots are going like hot cakes?
