## COLONEL SCORES POLITICAL FOES

VOTERS DIVIDED INTO TWO CLASSES BY HIM IN DAKOTA SPEECH

### LA FOLLETTE MEN HEAR ROOSEVELT

"If a Person is Not With Us He is Against Us", Bull Moose Leader Says—Half Dozen Talks Made

JAMESTOWN, N. D., Sept. 6.—The voters of the county were divided into two classes by Colonel Roosevelt in his speeches today. They were those with and those against the Roosevelt Progressive party.

"The man against it, however sincerely he may think he is 'progressive', he said, 'is the ally of Wall Street; the ally of privilege; the ally of bossism.'"

Coming into North Dakota, which Senator La Follette carried in the primaries preceding the Republican National convention, Colonel Roosevelt made a particular effort to win over supporters of "progressive" principles from the Republican and Democratic candidates.

The Colonel was whirled across North Dakota by a special train to keep pace with a relentless schedule. He made a half dozen speeches and tonight was on his way to Montana. In Fargo, Colonel Roosevelt spoke first to a large audience at Island Park. His audience was composed largely of farmers. The Roosevelt Progressive state convention was in session in Fargo, but when Colonel Roosevelt arrived the delegates went to the park, although he had agreed to address the convention later. When at last he reached the convention hall he found it almost empty, but close upon his heels the delegates trooped in to hear him again.

"I particularly call the attention of North Dakota," said he in his speech at Island Park, "to certain similarities between the situation and that in 1864. At that time several Republican leaders of the day, including Fremont, the first Republican candidate for the Presidency, and Wendell Phillips, a leader in the anti-slavery cause, were so discontented with Lincoln and certain actions of the mass of their fellow progressives that they actually proposed to run a third ticket against Lincoln, and when this effort failed many of them stood sullenly aloof and either supported no one or went against Lincoln."

"Now, the same kind of a thing is being done by these men today, who claim to be progressives and yet fail to support the Progressive ticket. If a man is not with us, he is against us, and if he is against us, he is siding with the reactionaries."

## R. R. EXTENSION TO SANDY IS ASSURED

MOUNT HOOD DIVISION HAS RIGHT OF WAY OVER ALL BUT TWO TRACTS

### MORE THAN ONE-HALF IS DONATED

Edward F. Bruns, Secretary of Big Land Company, Says Sandy is Natural Pass To Mount Hood

Early extension of the Mount Hood division of the Portland Railway, Light & Power Company from Cottleville to the present terminus, to Sandy, is virtually assured, according to the report of Edward F. Bruns, secretary of the Sandy Land Co., who was in Oregon City Friday. With the exception of only two tracts, the right of way of about six miles has been obtained and the money, amounting to \$6287, covering the right of way cost, is in the bank. More than one-half of the right of way was donated. The people of Sandy and the territory through the extension will pass, raised about \$5000 in cash for a right of way subsidy, and the Sandy Land Co. have property valued at \$5000, embracing three blocks in the town of Sandy for depot grounds and yards.

Mr. Bruns, as well as other Sandy citizens, has been working for a railroad for his district for many months. He has recently been over the proposed route, accompanied by Walter Inch, an engineer of the railway company, which has secured the right of way through Sandy. The town is the natural pass for a railroad to Mount Hood and the only way to get through on a reasonable grade. The people of Sandy are overjoyed in their ultimate success of getting practical assurance of the early construction of the extension. The contract has been let to Twoby Bros., well known in the railroad world.

Mrs. Bruns, who was the first mayor of Sandy, and a majority of the people of his town are opposed to the county division plan, and he thinks that eventually Portland will follow the lead of San Francisco and make boundary lines conform with boundaries of the city, eliminating the expense of one set of officers, and in that event a new county will be formed from what is left of Multnomah, with a part of the Eastern portion of Clackamas added, and with the possibility of Gresham as the county seat.

The people of Sandy are going to organize a Taxpayers' League next Wednesday. Mr. Bruns says that so far as he knows there is not a man in Sandy who favors the Single Tax bill.

## DOUBLE HONOR GIVEN LOCAL ODD FELLOWS

Judge and Mrs. Thomas F. Ryan, of Salem, but formerly of this city, will start next Wednesday for Winnipeg, Can., to attend the meeting of the Sovereign Grand Lodge of I. O. O. F. They also will go to Chicago, Denver, Salt Lake City, Los Angeles and San Francisco. Judge Ryan was in this city Wednesday, a reception being tendered him and Oscar Miller, of Portland, who is also a representative to the meeting at Winnipeg and each were presented with handsome lodge collars. These men are members of the Oregon City lodge, and this is the first time that two members of one lodge have been honored as delegates to the Sovereign Grand Lodge.

## AGED MILL WORKER FOUND DEAD IN BED

George Kinsey, sixty-seven years of age, died suddenly in his room at a boarding house on Water Street early Friday morning. Coroner Wilson made an investigation and found that death was due to pneumonia. Kinsey, who was employed at the Crown-Columbia Pulp & Paper Mill, had worked the day before, and complained of pains in his chest. He retired early Thursday night, and when called to go to work Friday morning did not respond. He was found dead in his bed. From a letter found in his trunk it was learned that a brother lived at 278 Chestnut street, Chicago, and that relatives live in California and Texas. The funeral will be held today.

## THE OUTLET

PERPETRATED BY WALT McDUGALL

NO WONDER ELECTRICITY IS EXPENSIVE!

## EXCAVATING FOR WALL UNCOVERS OLD SPRING

The autumn work at St Paul Episcopal church will be resumed next Sunday. Sunday school will be called at 10 o'clock by William Hammond, superintendent. Each Thursday evening, as well as Sundays at 11 and 7:30 the Rector will preach. Before another month it is thought that the great retaining wall 133 feet long will be completed. The wet weather since the resumption of the work three weeks ago has made progress slow. Also a small spring was uncovered which flows freely. This spring is well remembered by many of the earlier inhabitants of Oregon City for from this many got their supply of drinking water. It is still flowing as clear as ever. It will find its way into the river through an opening in the wall.

## ESTACADA CLUB TO GIVE BIG DANCE

A social affair which will attract the many friends of the Garfield Country club, will be held next Saturday at Estacada when the club will hold a basket social and dance for the benefit of the building funds. A huge cake will be awarded to the most popular woman after a vote of those in attendance has been taken. In the evening there will be a dance, music to be furnished by the club orchestra. Those who attended the annual meeting and dance of the club last month, know they may expect excellent music. President G. T. Hunt announces that the club, the latter part of the present month, will begin the improvements planned at the annual meeting. The addition of 30 by 74 will be constructed and a pole shed with shake roof, for teams, 16 by 100 feet to the rear of the club house. The addition will be built at right angles to the present club house, which is 24 by 40. This will give a dancing floor space of 24 by 70 feet, when the wall is removed. To the left the remaining space 36 by 50 feet will be partitioned off with a stage 14 by 14 feet and dressing rooms on each side 8 by 14 feet leaving an auditorium 30 by 36 feet. A porch is to be erected along this section of the addition, 8 by 50 feet. The auditorium may be used by church or schools, or for club entertainments.

## BASEBALL UNION IS FORMED IN NEW YORK

NEW YORK, Sept. 6.—A new protective organization for major league players was successfully launched here today, known as the National and American League Baseball Fraternity. Its certificate of incorporation was signed by Justice Delaney of the supreme court. It is believed that the players intend to demand representation for their organization in the councils of organized labor. The union, it is said, is the result of the Ty Cobb strike.

## ESTATES OF TWO WOMEN PROBATED

County Judge Beatie Friday admitted to probate the estates of Melissa Babcock and Mary E. Guttridge. Mrs. Babcock's estate was valued at \$2,000 and E. M. Babcock was named administrator. Mrs. Guttridge's estate was valued at \$7,000 and James Guttridge was appointed administrator. Mrs. Babcock, who died recently, had been a resident of Oregon City for many years, and Mrs. Guttridge was a resident of Springfield.

If you saw it in the Enterprise it's so.

## 7TH STREET WORK TO START SOON

ORDINANCE PASSED BY COUNCIL PROVIDING FOR PURCHASE OF ROCK

### PLANS ORDERED FOR FIRE ALARM

Committee To Determine Whether Chemist Should Be Employed To Examine Asphalt Concrete Pavement

Repairs on Seventh Street are to begin as soon as rock can be procured. The City Council which met Friday evening, upon motion of Councilman Tooze, passed an ordinance ordering money drawn for the purchase of 1500 yards of rock for use on streets, and the matter of purchasing was referred to the committee on streets and public property with power to act.

The application of the City Engineering & Construction Company to transfer \$4,000 permanent improvement bonds from the Washington Street fund to the General fund was granted. Plans and estimates of the sewer from Eleventh to Fourteenth street on John Quincy Adams street were submitted by the City Engineer and accepted.

Plans and specifications for the new fire alarm system, which is to be installed in Oregon City, were ordered prepared by the committee on fire and water, and bids advertised for.

In the matter of turning the water from Molalla avenue to the Taylor street sewer, the council went on record for turning this water back into the Seventh street sewer as soon as the street and sewer are completed. The committee on street and public property will determine whether and if the services of a chemist will be necessary to examine the asphalt concrete pavement to be laid on Main street.

The status of the Southern Pacific Railway Company in regard to the piles now on Twelfth street under the tracks was referred to the City Recorder, who will render an opinion at the next Council meeting.

An ordinance stating the life of Main, Fifth and Seventh streets passed the first reading.

Instructions were asked by the City Engineer regarding the sewer on Main street, which will have to be lowered when the street is improved. This was referred to the committee on streets and public property with power to act.

A motion to move an electric light pole on Water street, between Sixth and Seventh streets, a half block south also was referred to the street committee.

## SPOKANE TO HAVE POOL

SPOKANE, Sept. 6.—The Spokane Park Commission decided today to build a free municipal swimming pool in the Spokane river. The pool will be a part of the river itself, a retaining wall in the middle of the river forming one side. The water will be kept at a proper temperature by steam pipes.

## SCHNOERR JURY UNABLE TO AGREE

JUDGE EAKIN DISMISSES PANEL WHEN VERDICT SEEMS IMPOSSIBLE

### 7 TO 5 FOR ACQUITTAL IS REPORT

Case Cannot Be Tried Again Before Latter Part of October or First Part of November

After deliberating from 10:45 o'clock Friday morning until 11 o'clock at night, with no apparent chance of reaching a verdict, Circuit Judge Eakin discharged the jury in the case of Gastav Schnoerr, Republican nominee for Representative in the state legislature, indicted on a charge of libeling Chris Scheubel, also a Republican nominee for Representative. It was reported that on all but two ballots the jury stood six for acquittal and six for conviction. On two ballots, it was reported, the jury stood seven for acquittal and five for conviction. The case went to trial Wednesday morning and was hard fought throughout by George C. Brownell, J. E. Hedges and Gordon E. Hayes, for the defendant, and District Attorney Tongue and Deputy District Attorney Stipp.

Mr. Tongue spoke about an hour Friday morning after which Judge Eakin delivered his charge to the jury. He said that the jury might take into consideration all the circumstances without dwelling on any particular part, but that the state must prove certain statements of the defendant were false beyond a reasonable doubt.

The alleged libel was contained in an advertisement published in the Morning Enterprise just before the recent election. Schnoerr declared on the stand that he had no intention of reflecting upon Scheubel when he said "He is used to being bought and sold," meaning that the lawyer sold his services as any other lawyer would. His counsel contended that the words could not be construed as libel, inasmuch as Scheubel was a private citizen when they were published.

Judge Eakin announced after discharging the jury that he would hear the case again the latter part of October or the first part of November in case another trial was demanded.

The jury was composed of Thomas McCabe, Frank Haberlach, F. E. Mueller, Charles Bartlemay, W. H. Bremer, John Heft, A. J. Lewis, A. J. Monk, John McGetchue, George W. Judd, W. B. Stafford and Thomas Eaden. Mr. McCabe was foreman.

## COLONEL STANLEY PLEASURES

Before a large audience, Colonel King Stanley gave his "Clarke's Wonder Show". The performance was given for the benefit of the Local Order of Moose, which is raising funds for its new club rooms. The performance was interesting and mystifying. Many of the slight of hand tricks were new and were received with applause.
