### Free to the Boys

Your choice of a pair of skates, a new gun, a watch, or a football with every suit or overcoat of \$5.00 and upward.

Boys see our new fall display in north the window.

J. LEVITT

Oregon City's Leading Clothier

The True Test.

"Listen to that girl screeching away. She must have been singing for half an hour with no sign of a letup Who asked her to do it anyway?"

"I believe it was Mr. Burtz who insisted." "Well, it takes a brave man to ask

her to sing. "But it takes a braver one to ask her to quit.'

A controversy has sprung up in the potato trade regarding the cause of the damage to the crop, as well the extent of the loss in the Willam-

ette valley. According to a Tillimook authority the damage is caused by a flea, which works just inside the skin row, Mrs M Charman, Mrs. Emma of the potato. A local dealer, and like-McDonald, Mrs Julia Haskell went to wise a grower, contends that the in-Portland Thursday where they spent sect is no other than the beetle flea, the day at the home of Mrs. Newton which generally appears early in the season when the weather is cool. This authority says that while the present Mrs. Graham, in honor of her moth- visit of the flea is rather later than usual, the long stay is probably due to the cool weather that continued

> Some other authorities of the Willamette valley say that the insect talk is all bosh, and that the damage is the direct result of too much rainy weather, with its lack of sunshine They say that the damage is blight,

> pure and simple. In any event the blight is noticed all through the Willamette valley, and even along the extreme coast sections. The extent of the damage cannot be told for some time, or until after digging is concluded.
