BOSTON AMERICANS WINNERS OF PENNANT

NEW YORK, Sept. 20.—The world's championship baseball series is to begin on Monday, October 7. This date is said to have been provisionally agreed upon by the National Commission, which meets here next Wednesday to draft the plans for the games. The date for the opening of the series was based upon the assumption that the New York Nationals and the Boston Americans would win the pennants of their respective leagues.

The Boston club has already won the pennant and the Giants expect to win within the next ten days. The playing season of the Boston Red Sox and the New York Giants closes October 5, and one day's rest is deemed sufficient.

An early start of the series is desired, as the commission wishes to take advantage of the good weather. It is learned that the commission has practically decided to play two consecutive days in one city. The club owners will toss a coin to determine which city shall have the opening game.

Stories from Out of Town

TWILIGHT. Twilight will be represented at the County Fair this year. Come and have a good time.

Mr. and Mrs. A. H. Harvey visited relatives in Mulino last Thursday. Mrs. Jim Kinder and Miss Ida Kinder of Sellwood were guests at the home of Mr. and Mrs. Geo. Schreiner Wednesday.

M. J. Lazelle attended the Vancouver fair Friday in the interest of the Clackamas County Fair. Mrs. Huffman and daughter of Ilwaco, are making Mr. and Mrs. Snooks a visit.

Mr. Geo. Debok and family were Sunday guests at Totem Pole Ranch. M. J. Lazelle spent Sunday with J. W. Smith, president of the Clackamas County Fair.

Mr. Spiger of Spokane, has purchased Mr. Black's farm. We welcome our new neighbor. Mr. Harvey had the misfortune to have one of his choice pigs to wander down Twilight avenue, much to its sorrow for it never returned, but was found dead and suspicion points to savage dogs.

OAK GROVE. On September 9, at 9 p. m., Mrs. Isabella Hilton fell asleep at the home of her daughter, Mrs. J. H. McArthur

to waken in another world. She was born in Kingston Can., September 26, 1840. Since her husband's death in 1906 she has made her home with this daughter, except for a year spent in Hamilton, Can., with her son. For seven months of the past year she has been bedfast and the sadness of her death was tempered by the knowledge, that she longed for release from suffering. She was ready and willing to go to the home where all pain and trial is at an end.

She is survived by three brothers, a son and a daughter.

Mrs. L. A. Woodle was the guest of her parents, Mr. and Mrs. Howlett, the first last week.

Mrs. Viola Douglas and daughter, Miss Bina, were Portland visitors last week.

Mr. and Mrs. R. B. Gibson and James Gibson made a return trip to Earton last Thursday.

The Douglass Bros., had some straw baled last week.

H. S. Gibson had some straw baled last week. Mr. J. F. Brower, of Orient, was the guest of Mrs. Howlett a couple of days last week. Dr. and Mrs. Adix and children were over this way Sunday afternoon.

Two herds of sheep passed through Eagle Creek on day last week, which no doubt were on their way to market at Troutdale.

School commenced in District No. 50 Monday, Sept. 16th, with Miss Echo Githens as teacher.

Mrs. Viola Douglas visited with Mrs. Cora Udell the first of the week. W. E. Smith, missionary of the Hillsboro District of the American Sunday School Union, was in the neighborhood last week endeavoring to get the people interested in starting a Sunday school with W. E. Smith acting as organizer.

Our school house now has a new roof. A cloakroom and porch are to be added soon which will greatly improve the looks of the house.

Hops in this locality are in fair condition, considering the bad weather of the last part of August and up to a few days ago. There is some mold in certain parts of the yard and the lice are getting quite numerous. Hops men generally agree that if there is no more rain until the last of next week they will be able to save most of the hops around here in fairly good condition, but a light rain would do lots of damage to the hops that are not picked.

In the John Morrison and T. G. Livesley yards the hops are heavy and the yield will be better than the average. Hops are small in size but sound and hard as bullets. Picking is fine and while some fast pickers are making 10 and 12 boxes a day the average is about seven to eight. There is great demand for pickers

and this yard has never had more than half enough. Talking with old timers here I learn that everything is rather dull. Real estate is not moving and the general feeling is that land is too high.

Frank Oliver's family of Willamette started home Wednesday. They were among the fastest hop pickers in the yard.

Chas. Andrus also went home, as the duties of the rural mail route demanded his attention.

Mrs. Ole Larsen and daughter, Mabel, joined the family here and Miss Mabel will stay and pick hops but Mrs. Larsen expects to return home next Monday.

Mr. Waldron's family left for Oregon City Wednesday.

Mrs. Hyatt and son, Waldron, expect to start home the last of the week so as to be there in time for school, which starts September 23rd.

Extravagant. Nell—Chollie Saphedde was in a brown study today, and I offered him a penny for his thoughts.

Belle—You spendthrift! You never did know the value of money.—Philadelphia Record.

His Wealth. Magistrate—You were begging in the public streets, and yet you had 15 shillings in your pocket. Prisoner—Yes, your worship. I may not be as industrious as some, but I'm no spendthrift.—London Express.
