The Sixth Annual County Fair at Canby started Wednesday under auspicious circumstances. There was a large attendance the first day, probably the largest that has ever assembled on the opening day.

The morning was devoted to a concert by the Redland band and which had the honor of playing for the first time in the new grand stand that was erected by the Association.

Every stall in the Livestock department is filled, and the pens of the poultry house are filled with some of the finest poultry in the state. The livestock is the best that has ever been on exhibition at the fair, and the exhibit is the largest. There are many concessioners on the grounds and all are doing a land office business. The booths and stands will keep a harvest today and Friday, which are to be the big days at the fair, this being German day and Friday Oregon City day. The Hubbard band will furnish the music Thursday, and on Oregon City day the Oregon City band and Oak Grove Girls' band will furnish the music and Saturday the Canby band will play.

In the poultry building every pen is filled with as fine birds as can be found in the state. Among those having displays is Mrs. Bertia Story, of Oregon City, who has more than fifty birds in her display. She is owner of Rosemar Farm at Oregon City, 910 Pierce street.

Mrs. John Robbins of Canby, one of the well known poultry raisers of this county, has a fine exhibit of birds. She has many varieties, including Light Leechmans, Cornish Indian Game, Joe Suteland, of Canby, has White Orpingtons, which are spotted and well kept on display. Mrs. M. A. Armstrong, who has had several years of experience in the poultry business at Milwaukie, has charge of the poultry department, and is a most competent woman for this line of business, and is looking after the wants of the poultry.

The Livestock department is in the care of W. W. Evershart, of Molalla. Mr. Evershart has his hands full looking after the three large buildings on the grounds which are filled to their capacity with cattle, horses, sheep, swine and goats. Among those who have exhibits in this department are Pleasant Hill Farm, E. Werner, proprietor and owner. This farm is located near Aurora. He has several large lots containing eight registered cattle of three grades. One of the Jerseys is in the milking contest, and from the present indications she will be one of the winners. In these stall are registered Holstein Friesian cattle. The Molalla Register Stock Farm, the proprietors of which are J. R. Cole & Son, of Molalla, have three fine cows and two heifers. A. D. Gribble, one of the best known breeders in the county, and who owns a ranch near Aurora, has thirteen fine registered Jerseys on exhibition, one cow of which is valued at \$230, and a bull from a sire valued at \$900. D. B. Yoder has two fine Jersey cows, both of which are in the cow milking contest. Mr. Evershart has several fine cattle on exhibition. Many good horses are represented in this barn, among those having horses entered are Joseph Kraft, of New Era, William Brush of Macksburg; A. Waldberg, of New Era; J. J. Lippner, who has fine team of blacks, which were awarded the first prize at last year's fair.

C. F. Romig has the only Shetland ponies. W. Hart, of Oregon City, Mrs. Short, of Canby; Ernest Mass, of Oregon City; J. Bowers, of Canby; Jack Marrs, of Oregon City; Canby Belgian Company, of Canby; George

SINGLE TAX TO BE FOUGHT TO FINISH

STATE LEGISLATIVE COMMITTEE UNANIMOUSLY OPPOSES FELS' SCHEME

SPECIOUS ARGUMENTS ARE EXPOSED

Voters Will Be Shown Fallacies of George Propaganda and Urged To Repudiate It

SALEM, Or., Sept. 25.—Going on record as unalterably opposed to the graduated single tax and exemption amendment and the single tax measures proposed for Clackamas, Multnomah and Coos Counties, the legislative tax committee, which includes members of the state tax commission and several members of the legislature, at a meeting here today decided on a propaganda of publicity and a fight to the finish on the measures mentioned.

The resolution, which was introduced by George Neuner, of Douglas County, to oppose such tax measures was unanimously adopted after a short discussion. All of the members present declared themselves as opposed to single tax, but there was a slight difference of opinion as to whether it would be best to openly fight the single tax or whether the commission should confine itself to advocacy of the measures which have been placed on the ballot by the committee and which establish the groundwork for rational tax reform in Oregon.

The single tax advocates and writers of the Fels' single tax fund have brought every gun that they have to bear on the state tax commission and the legislative tax committee, and the majority of the members favored an open war on the single tax propaganda.

Tax Commissioner Eaton declared it was essential that what he termed "infamous features and the vicious results of the single tax plan, should be carried, be pointed out to the voters of the state. He asserted that, regardless of assertions to the contrary the county single tax amendment of 1910, the opening wedge for the single tax program, was passed through the means of the poll tax "joker."

Kochler, of Canby; William Brush, of Macksburg; Frank Rogers, of Wilsonville; Wilsonville Shire Horse Company, have fine horses on display. This is the first the Wilsonville Shire Horse Company has had an exhibit at the fair, and their fine horses and colts only five months old, attracted much attention. The colts weigh 800 pounds. M. S. Hingate, of Molalla, George Lazelle, of Oregon City; A. Pruit, of Aurora; John Dominick, of Molalla; A. D. Gribble, Aurora, R. F. D. No. 4, have entries. H. D. Harms, of Macksburg, has Cotswold sheep; J. W. Smith, of Macksburg, Lincoln sheep; J. R. Cole, Molalla, Cotswold sheep; J. R. Cole, Molalla, Angora goats; Albert Gribble, Aurora, R. F. D. No. 4, Angora goats; J. Fenske, Macksburg, Nerino sheep; D. C. Harms, Macksburg, Poland China pigs; W. Evershart, Shropshire sheep; G. E. Dimick, twenty-five head of Poland China swine; Mr. Dimick has probably some of the finest swine on the grounds, and has constructed a building for his stock. A. D. Gribble, of Molalla, has some Berkshires; W. W. Evershart, Chester White swine, the only ones of this variety in the building; J. R. Cole, of Molalla, eleven head of Poland China, the largest of which weighs 300 pounds, and is the largest swine on the grounds. J. W. Hyatt, of Oregon City, Poland Chinas; D. C. Harms, eleven head, one sow with six little fellows; E. H. Lawless, Durack pigs. There are more entries this year than any previous year of the fair, and all are in fine condition.

The big auditorium with its fine display of fruits, vegetables, fancy articles, and horticultural exhibits is among the features of the fair. Never before has the building been so well filled with fine produce. The Juvenile department, which is in charge of Miss Mahala Gill, of Logan, and County Superintendent T. J. Gary, of Oregon City, is attracting much attention. A large space of the second floor of the auditorium is occupied by the Juvenile exhibit. Roy Bradles of Canby, John Robbins, Jr., of Canby, Carl Yaeger, of Sherwood, Harold Vineyard, of the White School, Royal Peterson, Milwaukie, George Cullin, of the Brown Schoolhouse, New Era, and the DeBok boys, of Williamette, have fine exhibits. There are other exhibits in this building, including business houses and granges.

The races were a feature of Wednesday. Ed Fortune is starter and the timekeeper is Charles N. Walt, of Canby. The first resulted as follows:
Dal Norte, Dennison, 1st, 2:25; Lena Lou, McGray, 2nd, 2:20 1/4; Tidal Wave, Guy Young, 3rd, 2:24 3/4; Lightfoot, B. Hutchison, 4th.
The following was the result of the last race:
Ladista, Huddleson, 1st; Ana Thason, Holgreaves, 2nd; Salemit, Fred Merrill, 3rd; Maud McG, Pritchard, 4th.

The baseball game Wednesday afternoon between the Molalla and Shubel teams was exciting up to the eighth inning, when Molalla fell behind. The result was 8 to 4 in favor of Shubel. Canby and Shubel will play this afternoon.

SOUTHAMPTON, England, Sept. 25.—John D. Archbold is sick of being bothered about political exposures, he declared in a brief interview here today before sailing for the United States on the Majestic.
He declined to add anything further and three men were placed on guard at the door of his cabin to keep off interviewers.

Robert O. Bailey, Assistant Secretary of the Treasury.

WILSON SCORED AS FOE OF WORKINGMAN

SARATOGA, N. Y., Sept. 25.—An attack on Theodore Roosevelt and the policies of the Progressive party in nation and state, marked the address of William D. Guthrie temporary chairman, today, before the Republican state convention.
"We clearly see," said Guthrie, "that the Progressive campaign is doomed to pitiable defeat and that only a malevolent desire to work injury to the Republican party continues its campaigning."
Guthrie gave three reasons why the Republican national convention fulfilled its duty in refusing to nominate Colonel Roosevelt.
"In the first place," he said "the nomination of an ex-president of the United States for a third term would have been a violation of an unwritten rule established by Washington, Jefferson and Monroe and followed ever since."
Colonel Roosevelt, he declared, had fomented more than any man living the discontent and class hatred existing among people. He was known to be a Socialist at heart, he said, although protesting that he alone could save the country from Socialism. He also said Wilson was a foe of the workingman.

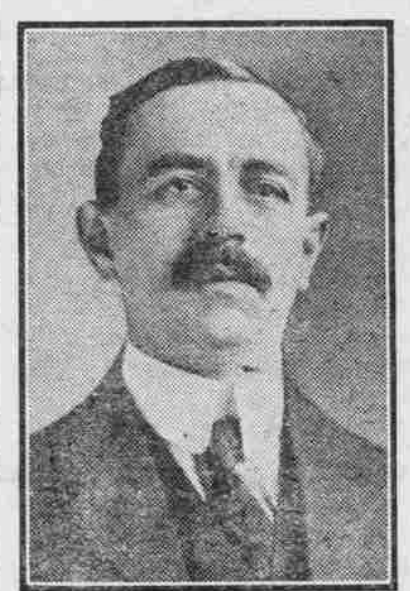

Guthrie defined the great issues of the national campaign as follows:
"First, the constitutional right and power of Congress to protect American industries and to preserve our present industrial system; second, the threatened overthrow of the representative system of government in state and nation by the introduction of the initiative, referendum and recall; and third, the assault upon the administration of justice in American courts."
Almost the only reference Guthrie made to the Democratic party's candidate was in his discussion of the tariff.
"As pointed out by a Republican in congress," he said, "although we may be willing to face free competition with Europeans, we cannot be blind to the menace and danger of free competition with Asiatics. Just across the Pacific ocean, with constantly cheapening freight and passenger rates are populations of 50,000,000 in Japan, 450,000,000 in China, 200,000,000 in India and they will furnish efficient labor at wages ranging from six to thirty cents a day for 12 hours' work on the same kind of machines at which American men and women are working."

GERMANS CELEBRATE AT BIG FAIR TODAY

This is German day at the County Fair at Canby and an excellent program has been arranged as follows:

COUNTRY BOY LOST, FOUND BY POLICE

The sobbing of a child attracted the attention of Policeman French as he ascended the Seventh Street stairway Tuesday night. He made an investigation and found a boy cuddled up under the steps. The lad said his name was Louis Shober, and that he was eight years of age. He informed the policeman that he had come to the city with his father, John Shober, a farmer, and while his parent was in Petzold's meat market, had wandered away. French took the lad to a restaurant and gave him something to eat and provided lodging for him at Mrs. Schwartz's. Mr. Shober came to the city Wednesday and took his son home.

PEDESTRIAN MAKES WAY FILING SAWS

Pushing a cart weighing 200 pounds J. H. Harris a blacksmith, fifty-eight years of age, of Los Angeles, passed through this city Wednesday on his way to British Columbia. Almost a year ago, according to Harris' story, he received an offer of a position in Canada, and was informed that the place would be open for him for three years. He did not have the money to travel by rail, and decided he would make the trip by team. Soon after starting, however, his horses died and he sold his wagon and continued on foot. Harris has made enough money sharpening tools to buy food and clothing. He made the cart he is pushing in San Francisco. In it he carries his baggage, tools for sharpening saws, provisions and camping stove.
"I don't know when I shall reach British Columbia," said the travel-worn man, "but I am certain to obtain a fine position when I arrive. I am a firm believer in walking, and although I averaged 15 miles a day, I have gained weight in my travels. I have made almost as much money as if I had been engaged in regular work."
Harris made \$5 sharpening saws here, although he was in the city only two hours.

AGED SOLDIER GOES TO FINAL BIVOUAC

LOS ANGELES, Sept. 25.—John H. Savage, aged seventy-one, a veteran of the civil war and a unique figure in more than a score of Grand Army conventions, died here today of pneumonia. Savage marched in many Grand Army parades at the National Olympia, Wash., December 16, 1909. Marian Hannah Conrad, seeking a divorce against Howard Marion Conrad, asks \$50 a month alimony for the support of herself and child. They were married in Valdez, Alaska, March 14, 1909.

3 WIN DECREES AND 2 SEEK THEM

Decrees of divorce were granted Wednesday by Circuit Judge Campbell in the following suits: May Balcom against William Balcom; Peter Hefty against Emily H. Hefty and Jesse Brewster against Vernon Brewster. Alleging that her husband deserted her February 11, 1910, Gertha Horst filed suit for divorce against Jacob Horst. They were married in Olympia, Wash., December 16, 1909. Marian Hannah Conrad, seeking a divorce against Howard Marion Conrad, asks \$50 a month alimony for the support of herself and child. They were married in Valdez, Alaska, March 14, 1909.

REPUBLICANS TO HAVE BIG MEETING

FIRST GUN OF CAMPAIGN TO BE FIRED AT HARMONY TOMORROW

THIRTY MEETINGS ARE ARRANGED

George C. Brownell, G. B. Dimick and W. A. Dimick to Stump County—Nominees Will Speak

The first gun of the Republican campaign in Clackamas County will be fired tomorrow night, when the candidates for legislative and county offices will hold a public meeting in the school house at Harmony precinct. A majority of the party nominees have planned to attend the first rally and give their united support to the Fall campaign for the express purpose of electing the entire Republican ticket.

More than thirty meetings have been arranged by the officials of the county central committee, but County Chairman Frank Jagger and Secretary William Hammond are keeping their dates secret, for in the last campaign the local Democrats secured an advantage through a premature announcement of the Republican meetings and followed their opponents all over the county.

Hon. George C. Brownell, State Senator W. A. Dimick and Mayor Grant B. Dimick are the three spellbinders who will accompany the candidates in their meetings in the early stages of the campaign. All three of these men are staunch Republicans and have no superiors as campaign speakers in this state.

The Republicans of Clackamas County believe they can duplicate the performance of eight years ago and elect their whole ticket. The candidates for legislative and county offices are:

Representative in the legislature, F. M. Gill, C. Schuebel, Gustav Schroeder; commissioner, William H. Mattoon; clerk, W. L. Mulvey; sheriff, E. C. Hackett; recorder of conveyances, E. P. Dedman; assessor, James F. Nelson; treasurer, J. A. Tufts; school superintendent, T. J. Gary; coroner, W. J. Wilson; surveyor, D. P. Meldrum; district attorney, E. B. Tongue; joint representative, David Lofgren.

JONES URGED TO OFFER FOR MAYOR

FRIENDS SAY PETITIONS HAVE BEEN SIGNED BY ABOUT 400 VOTERS

G. B. DIMICK ALSO TO MAKE RACE

Adherents of Mayor Say Victory This Fall Would be Vindication of His Policies

A petition signed by about 400 voters, according to the men who circulated it, urging Linn E. Jones, druggist, and formerly a member of the state legislature, to become candidate for mayor at the coming election has been presented to him. Mr.

Grant B. Dimick, who will be a candidate for re-election for mayor of Oregon City.

Jones, it is believed will accept the nomination. He will be opposed by Grant B. Dimick, present mayor, who announced several months ago that he intended to be a candidate for re-election. Friends of Mr. Jones have been circulating the petitions urging him to make the race, for more than two weeks, and they say the results are gratifying.

It is believed by the followers of Mayor Dimick that the plan to have Mr. Jones become a candidate is the work of men who have fought him throughout his administration. Eight members of the city council have opposed his efforts to control the police department and name a chief and other members of the force. They also opposed other appointments. Oregon City for four months had two men acting as chief of police, and finally C. E. Burns, Mayor Dimick's appointee, sued for his salary, the decision being against him. The mayor has refused to sign any of the warrants of E. L. Shaw, chief of police under the Brownell administration, and who is still acting as such. Burns relinquished the fight and is now employed at the Elk's home.
