# Our Annual Fall Announcement To Men, Young Men and Boys

When we planned our big Men's, Young Men's and Boys' Store last season, our object was to supply the constantly growing demand for style and quality that would suit the biggest majority of Men, Young Men and Boys, at the right price. The big response from the people who buy wearing apparel that care for style and quality as well as right prices, shows we were right. Our Mr. Levitt has been in the East for the last seven weeks and has visited personally the best and biggest Clothing, Shoe, Hat and Men's Furnishing manufacturers in the United States and carefully selected his Fall and Winter stocks. A point of special interest to you is that we have added to our Clothing Department with our famous Society Brand Clothes, the world's well known hand-tailored Kuppenheimer Fine Clothes. We now can show the best of Eastern styles at lowest prices. We are on the ground floor to save you money on wearing apparel for men, young men and boys
