## MAYOR STREIB TO GIVE UP OFFICE

MILWAUKIE'S EXECUTIVE SAYS ANOTHER SHOULD BE ELECTED

## MANY IMPROVEMENTS ARE PLANNED

Council Has Committee Working on Plan for Streets and Bond Issue for Big Water Plant

Mayor Philip Streib, of Milwaukie, will not be a candidate for re-election November 5. He has served three years and given much time to the general improvement of Milwaukie, about \$75,000 in street work having been accomplished while he has been in office, and he says that it is time some one else should take up the work. Some criticism of the administration and the recent adverse vote on the bond issue and amendment to the charter caused the Mayor to decide to retire.

E. T. Elmer will probably be nominated for Mayor at the citizen's convention, which will be held about the middle of October. Mr. Elmer is manager of the Milwaukie Mercantile Company and he is the only man now mentioned for the office.

The citizens and Council committee are working on a charter amendment for extension of streets and for an issue of bonds for establishment of a municipal water plant. A meeting was held Thursday night and some progress made. The amendment will not be ready to submit at the November election, and a special election may be called several weeks later. Proceedings of the committee are not made public at present, but the committee is working under advice of an attorney and will try to frame a street extension amendment that will be approved, and will fix the amount of water bonds at about \$20,000.

## WIFE GETS BABY AND \$50 MONTH ALIMONY

Circuit Judge Campbell Friday granted Mabel Estell Shaw a decree of divorce from Harry Fuller Shaw. The plaintiff was given the custody of her child and \$50 a month alimony. Cora A. Pieren was granted a decree of divorce from Fred W. Pieren. Ray Stapleton sued Maud Stapleton for a divorce, alleging cruelty. The plaintiff avers that his wife struck him August 6, 1912, and deserted him soon after. They were married August 21, 1911.

## OREGON CITY DAY IS BEST OF FAIR

RACES BY HORSES OWNED IN CLACKAMAS COUNTY ARE THRILLING

## "BONNIE H" IS WINNER OF PURSE

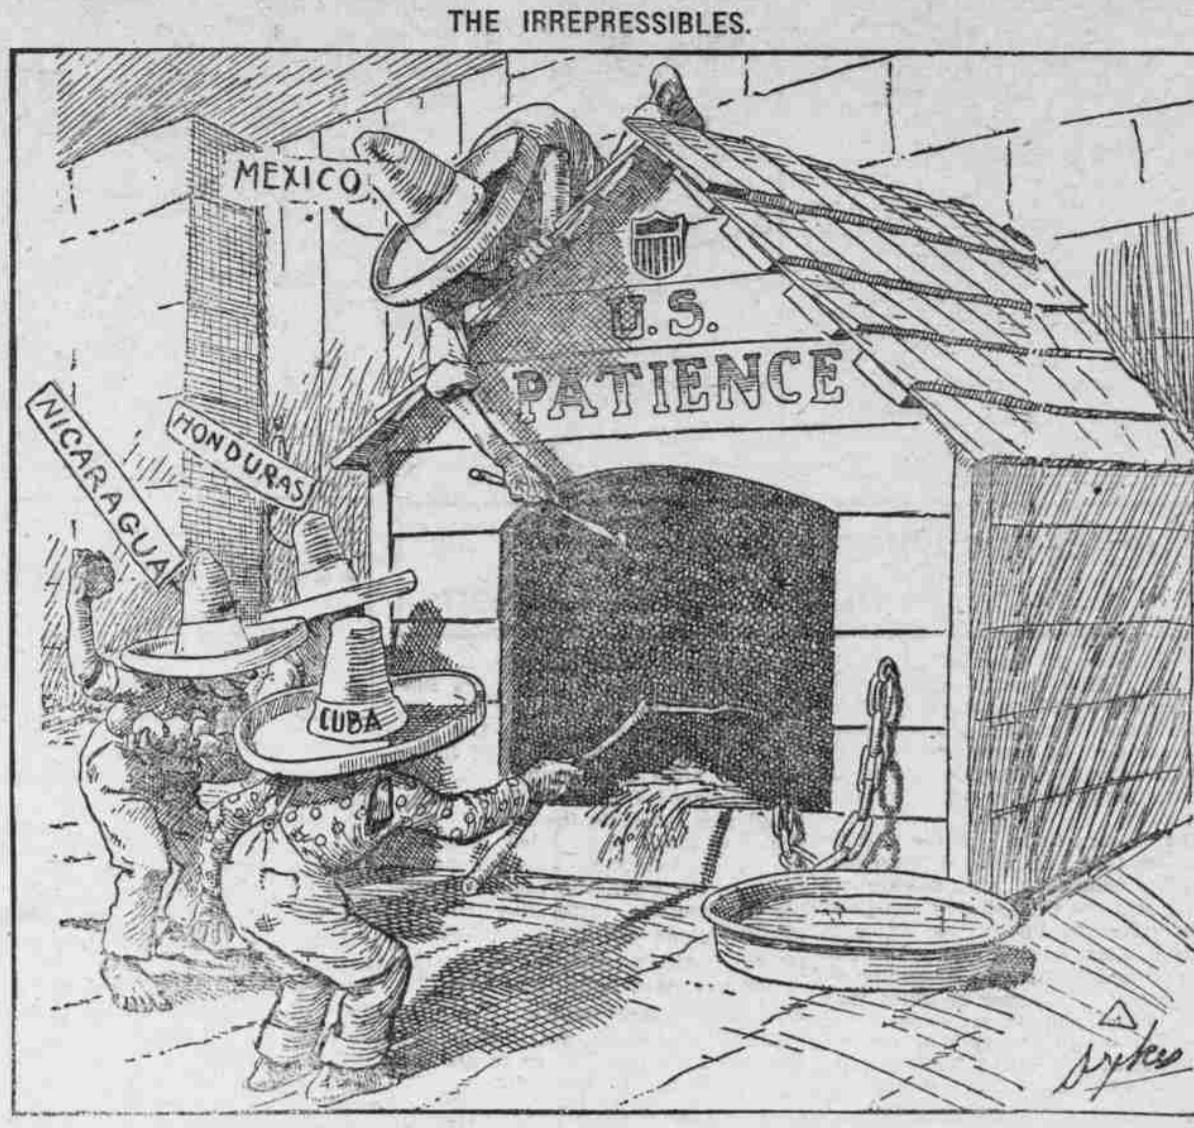

Pavilion With Vegetable and Needlework Exhibits Is Center of Attraction During Day

Oregon City day at the Clackamas County Fair at Canby, was one of the most successful ever held in the history of the County Fair. Several coaches were added to the regular Roseburg Local, to accommodate the crowds which went from Oregon City. The Oregon City band, led by Arnold Kohler, furnished music at the fair as well as on the train. The concerts held in the new band stand were listened to by many persons. Crowds swarmed about the stock barns, where judging was going on throughout the day. One of the attractive exhibits was that of Grant B. Dimick who had Poland China hogs. The barn erected by Mayor Dimick, was crowded throughout the day. The amusements in the "Joy Circle" attracted the children, as well as many of the older persons. The pavilion in which the vegetables and needlework were exhibited was also crowded throughout the day.

The grandstand was filled to capacity in the afternoon, where a splendid program was held. The first race was the 2:20 pace, for a purse of \$150 which after a hard struggle was won by "Dolly Smith" owned by H. D. Cox.

The second was probably the most interesting as the horses belonged to residents of Clackamas County. One of the favorites was "Mack," belonging to Sheriff Mass. In the first heat, "Bonnie H.," owned by C. J. Hood, won by a length from "Mack," time being 1:30, one half mile heat. The second heat "Mack" came under the wire in the lead with "Bonnie H." second, "Laura Chella" third and "Jerry," owned and driven by A. Blum, fourth. The final heat was won by "Bonnie H." who won the race, with "Mack," driven by Sheriff Mass, a good second. The third race was a 5-8 mile dash which was won by "Anna Phason," ridden by J. Hargreaves, "Leticia," Huddleston, up, second, and "Sallie Goodwin," Fred Merrill, up, third. Ed. Fortune was starter.

Professor F. L. Kent, of the Oregon Agriculture College and Charles Cleveland of Gresham were visitors at the fair, being interested in livestock. The following awards were made: Hand sewing, best baby dress, Mrs. Selma Thomas, of Canby, first; Mrs. Ben Hayhurst, of Oregon City, second. Best fancy apron, Miss Clara Miller, of Oregon City, first; Miss Corra Morris, of Oregon City, second. Best display of hand sewing, Mrs. Sel-

## KNIGHTS AND LADIES HAVE BIG MEETING

About twenty-five members of the Knights and Ladies of Security of this city attended the big meeting of the order in Portland Friday night, when 1200 applicants were initiated. A chartered car left this city at 6:45 o'clock. The program was as follows:

Meeting called to order by Sister P. E. Jones; musical selection by Loie's Orchestra; address of welcome by Hon. G. B. Dimick; response by Edward Shellingberger; initiation of candidates; first by Eureka Council degree staff; second by Klepatrick staff; instrumental solo, J. V. Hines; specialty, by Northlon Bros.; vocal solo, by Miss Steadman; duet, by Isabel Hall and Mr. Roscon; vocal solo by Robert Wallace and instrumental solo by Edith Nordstrom.

## W. W. BRADLEY HIT BY TRAIN IS NOT HURT

W. W. Bradley, a substitute policeman of Oregon City, had a narrow escape from being killed by a Southern Pacific train Friday morning. There was large crowd at the station to board the train which arrives here from Portland at 9:17 o'clock. Mr. Bradley, in trying to keep the crowd back, got too near the track and was struck by a cross beam in front of the locomotive. He was struck on the shoulder and hurried several feet, but was not injured. After regaining his feet he assisted the crowd in boarding the train, which was bound to the fair at Canby.

## "WHITE HOPE" MINUS AN ARM, FOUND HERE

Roy Glaney has only one arm, but he is a fighter of marked ability. E. L. Shaw, finding Glaney in an intoxicated condition at Seventh and Main streets Friday about noon, placed him under arrest. Glaney, who has physique along the lines of Jack Johnson, resisted arrest. Colonel H. L. Young and Glenn Hammond went to the assistance of Shaw and after a lively fight the cripple was subdued and carried to jail.

"If I had not lost an arm," said the man as he was locked up, "it would have taken the entire police force of Portland to have subdued me. I can lick any one of you single handed, as it is. You won't give a one armed man a chance."

If you saw it in the Enterprise it's so.

## RAILWAY ASSURED TO BEAVER CREEK

CLACKAMAS SOUTHERN WILL PURCHASE STEEL RAILS AT ONCE

## \$10,000 IS PAID TO THE DIRECTORS

Owners of Big Timber Tracts Make Contracts to Ship Logs—Rail Road Will Pay From Start

That the Clackamas Southern Railway between this city and Beaver Creek will be in operation before the first of the year is assured. The directors at a meeting Friday morning received \$10,000 with which to buy rails. This is the first installment of \$96,000, which will be used for this purpose. The remainder will be paid upon demand of the directors.

The bridge over Beaver Creek will be finished in two weeks, and the engineers of the company have reported that it will not take more than nine days to complete the grading between this city and Beaver Creek. The ties will be laid at once, and the rails will be laid within sixty days regardless of the weather. It is the intention to run trains as soon as possible.

Announcement has been made by officers of the Company that owners of large timber lands have made contracts to ship logs, which will keep the railway busy for more than twenty years. Some of the best known railway men in the northwest have made an investigation of the proposition and declare that the railway will pay big dividends from the start.

## OREGON CITY STORE WINS FIRST PRIZE

Adams Department Store received the blue ribbon for the best display at the County Fair. Their display of shoes and clothing showed the latest styles and let the people of the county know where to get the right goods. Mr. Adams has taken quite an interest in the fair and has been assisted by the thirty employees of the Adams Department Store, who have attended the fair on the different days.

## N. Y. REPUBLICANS NOMINATE HEDGES

GREAT AFTER DINNER SPEAKER TO MAKE RACE FOR GOVERNOR

## WADSWORTH IS ALSO ON TICKET

Nominee for Executive of State Served as Deputy Attorney General—Roosevelt Appointed Him

NEW YORK, Sept. 27.—The Republican state convention today on the third ballot nominated Job E. Hedges for Governor of New York. Mr. Hedges has been distinguished in the past for the unflinching good humor of his oratory in many campaigns, for his pungent witticisms, for his service under Governor Roosevelt as a deputy attorney-general, and for his declination to accept the lucrative and honorable Federal position of Assistant United States Treasurer at New York when it was tendered to him by Roosevelt when president in 1908.

The convention named James W. Wadsworth, Jr., for Lieutenant-Governor without opposition. There were six candidates for Governor before the convention at the outset, but as the balloting proceeded others drew votes. James Gould Schurman, president of Cornell University was not among those named. In quick succession, speeches were made presenting the merits of ex-Speaker of the Assembly James W. Wadsworth, Jr., Hedges and ex-Representative William S. Bennett, of New York; William H. Daniels, of Buffalo; P. V. Cullinan, of Oswego, ex-State Excise Commissioner, and Edgar T. Brackett, of Saratoga, ex-State Senator.

Scattered votes were cast for State Senator Harvey S. Hinman, of Binghamton, and Ebert Woodbery, of Jamestown.
