Prisoners to be Taken to Portland Today—Sleuth Certain He Has Principals in Crime Mystery

PORTLAND, Sept. 30.—As principal suspects in the murder of Harry G. Barr, which occurred just two weeks ago on the Linnton road, F. C. Maxey, a laborer, aged 29, and Bessie Miller, a chambermaid, aged 25, are under arrest at Seattle, Edward J. Snyder, a teamster, 31, and Bob Pachel, laborer, 20, are also held as accomplices or witnesses.

Detective Andy Vaughn, who is responsible for the arrests at Seattle, in communication with his chief tonight, said that he was confident that he had the right persons, but did not give Captain Batey the details on which he bases his assurance. He will leave Seattle tomorrow, and further developments at this end are expected to follow his return.

Vaughn, who was assigned to the case at the beginning of last week, telephoned to detective headquarters late Saturday night that he was on a promising lead and would go wherever it took him. He said that he did not dare give the nature of his information over the telephone. Sergeant Hunter, in charge of the office in the absence of Captain Batey, approved Vaughn's course.

That was the last heard of the detective till this afternoon, when press dispatches carried the first news of

VIOLENCE MARKS START OF STRIKE

MILL OPERATIVES CHARGE POLICE IN SEVERAL MASSACHUSETTS TOWNS

15,000 WORKERS HAVE GONE OUT

Almost Score of Persons are Wounded and Arrests are Made—Women and Children are Victims

BOSTON, Sept. 30.—Violence marked the beginning of the twenty-four hour strike demonstration which the Industrial Workers of the World called in four Massachusetts manufacturing cities today as a protest against the imprisonment of two of their leaders. Demonstrations ranging from parades to serious rioting occurred in Lawrence, Lynn, Haverhill and Quincy, where it is estimated that 15,000 workers were out.

The most serious disturbance occurred at Lawrence, where pickets and police clashed. Nearly a score of persons were hurt and a dozen arrests were made.

The outbreak coincided with the opening in Salem today of the trial of Joseph J. Ettor, Arturo Giovannitti and Joseph Curiso in connection with the killing of Anna Lopizzo. The cotton, woolen, shoe and granite industries chiefly were affected today.

At Quincy 2500 granite workers struck. Strikers marching through the quarry district called to the workmen to come out. At two of the sheds the pollsters were dragged out forcibly.

Five hundred strikers marched through the shoe manufacturing district of Lynn, trying, generally with small success, to get the operatives to strike. The police arrested one man waving black and red flags in the crowd. A mob of them tried unsuccessfully to rescue him.

At Haverhill about 250 shoe operatives struck.

Professor E. Brown, who was injured at the Clackamas County Fair grounds Saturday afternoon while sliding down a wire is still in a precarious condition at the Oregon City Hospital. H. S. and Guy Mount are in attendance.

WEST TO ADDRESS BROTHERHOOD TONIGHT

Governor West will be the guest of honor at the banquet of the Congressional Brotherhood this evening. The Governor wired the manager Monday evening that he would be present. He will speak upon his recent efforts to correct evils in Portland and other places. The Governor was to have attended several banquets of the Brotherhood last year, but other arrangements prevented him from doing so. The banquet will be one of the largest ever given by the Brotherhood. It will be served at 6:45 o'clock. Mayor Dimick will speak after the Governor, and following him there will be a series of speeches of ten minutes duration on the various bills to be presented to the people at the coming election, by other members of the brotherhood.

PARCELS STAMPS TO BE SERIES OF PICTURES

WASHINGTON, Sept. 30.—Arrangements have been made by Postmaster General Hitchcock for the engraving and manufacturing of a series of twelve stamps, unique in size and novel in design, for exclusive use in forwarding packages by the parcels post. Under the law recently enacted by Congress ordinary stamps cannot be used for this purpose.

The parcels post stamps will be larger than the ordinary stamps and will be so distinctive in color and design as to avert any possible confusion with stamps now in use. The new issue will be in three series of designs. The first will illustrate modern methods of transporting mail, one stamp showing a mail car on a railway train, another an ocean mail steamship, a third an automobile now used in the postal service, and a fourth the dispatch of mail by aeroplane.

The second series will show at work the four great classes of postal employees: postoffice clerks, railway clerks, city letter carriers and rural delivery carriers. The third series will represent four industrial scenes, showing the principal sources of the products that probably will be transported extensively by parcels post. The stamps will be ready for distribution December 1.

WOODFIN DELIGHTS CROWD WITH SINGING

There was a large attendance at the recital given by Oscar Lawrence Woodfin, baritone, assisted by Miss Lawrence Woodfin, pianist, at the Congressional church Monday evening. Miss Huntley, as usual, captured the audience with her playing. She is an artist of exceptional ability. The program was an excellent one, and including the encores, there were sixteen numbers. CANDIDATES SPEAK TO BIG AUDIENCE

SENTIMENT IN MARQUAM DISTRICT IS FOR REPUBLICAN TICKET

TREND IS AGAINST THE DEMOCRATS

George C. Brownell, Grant B. Dimick and W. A. Dimick To Stamp County—Enthusiasm at High Pitch

Several hundred persons heard the Republican candidates for county officers speak at Marquam Monday evening. The hall was crowded and there was much enthusiasm from the beginning to the end of the meeting. Among those who spoke were Gustav Schmoer, candidate for representative; Chris Schiebel, candidate for representative; E. R. Hackett, candidate for sheriff; J. F. Nelson, candidate for assessor and E. P. Dedman, candidate for recorder. The speakers did not indulge in personalities, merely declaring that it had been proved that representatives of the Republican party had given better service in the county than representatives of other parties. Members of the audience announced that the sentiment in the district was largely in favor of the Republican ticket, from President Taft to constable, and it is confidently believed that the Marquam country will give a large Republican plurality.

The candidates have spoken at Harmony, where the schoolhouse was crowded, and at Wichita, where there was another large crowd. Mr. Hackett announced Monday night that if the sentiment was the same throughout the county as in Harmony, Wichita and Marquam the entire Republican ticket would win. George C. Brownell, Grant B. Dimick, and W. A. Dimick will attend several Republican meetings this week and deliver addresses. Interest in the ticket is growing in all parts of the county, and the candidates are sanguine of success.

LOCAL OPTION VOTE ASKED IN ESTACADA

PETITION THAT QUESTION BE ON BALLOT IS BEFORE COUNTY COURT

TOWN LEGALLY IS CALLED "DRY"

Owners of Big Saloon Convicted and are Awaiting Sentence—Exciting Fight is Expected

A petition that local option be one of the questions voted upon by the residents of Estacada at the coming election has been filed in the County Clerk's office. The petition, which has several hundred signatures, is before the county court, which will determine whether the proposition is to be placed on the ballot. It is understood that the saloon element was instrumental in having the petition circulated. It was filed in County Clerk Mulvey's office by Claude Devore, attorney for the petitioners. Estacada has been legally declared a "dry" town. Yanke & Meisner, who conducted a saloon there, were recently found guilty of violating the local option law in Circuit Judge Campbell's court and are awaiting sentence. Their attorney has announced that the case will be appealed.

Estacada several years ago voted "dry," but two years later the vote was for the saloons. However, this vote was declared illegal, which accounts for Yanke & Meisner being convicted. If the county court decides that the question shall be placed upon the ballot it is predicted that there will be an exciting fight in the city which expects to become the county seat of Cascade County in case the voters of the state decide to divide Clackamas County.
