Permanent Chairman of State Convention Announces That He is Progressive Democrat

SYRACUSE, N. Y., Oct. 2.—Congressman William Sulzer was nominated by the Democrats for Governor of New York on the fourth ballot. Alton B. Parker took the opportunity afforded by his speech today as permanent chairman of the Democratic state convention to answer his critics at the Baltimore convention. It was the first political speech of the former Presidential candidate had made since he was the storm center of the battle waged by William J. Bryan against his selection as temporary chairman of the Democratic National convention.

In defending himself he also defended the New York state delegation, which also was the object of Mr. Bryan's attacks.

Mr. Parker said the action of the New York delegates at Baltimore was dictated by the desire to promote harmony.

"You may ask me," he said "why

THREE GENERATIONS AT CELEBRATION OF PROMINENT OREGON CITY COUPLE

DR. FORD MAKES SHORT ADDRESS

Pair Received Handsome Presents From Children—Married Soon After Coming Here From England

One of the most enjoyable family reunions ever held in this city was that Wednesday when Mr. and Mrs. George Randall celebrated their golden wedding anniversary at their home on Sixth and Jefferson streets. Their children and grandchildren were in attendance.

At noon a dinner was enjoyed, Mrs. Randall being assisted by her daughters and daughters-in-law. The table was beautifully decorated with cut flowers and after dinner a very impressive ceremony was performed, Mr. and Mrs. Randall standing beneath the electric lights, which were decorated with bright colored autumn leaves, and around encircled the children and grandchildren. Rev. T. B. Ford, pastor of the Methodist church, delivered a short address, presenting Mr. Randall, in behalf of his children with a handsome gold watch fob, while Mrs. Randall was presented with a handsome gold watch. Mr. and Mrs. Randall responded.

CANDIDATES ADDRESS MACKSBURG CROWD

A large crowd was addressed Wednesday evening by the Republican candidates for county offices in Scramlin hall, Macksburg. Grant H. Dimick was to have been one of the speakers but owing to a council meeting being held in this city, he was unable to attend. Speeches were made by E. C. Hackett, candidate for sheriff; Gustav Schnoor and Chris Schuebel, candidates for representative in the legislature; J. F. Nelson, candidate for assessor and E. P. Dedman, candidate for recorder. Mayor Dimick will go with the candidates to Molalla, where a meeting will be held. The candidates declare that the sentiment where they have been is largely in favor of the Republican ticket, and all of them think they will be elected.

DR. FORD IS GIVEN FINE RECEPTION

Dr. T. B. Ford and family were given a public reception Wednesday evening in honor of Dr. Ford having been returned to the pastorate of the First Methodist church. Charles Hageman, of Gladstone, presided at the services, which were held in the parlors of the church. George C. Brownell lauded the churches and said they were doing a great work in Oregon. He declared Dr. Ford was one of the most successful ministers in the state. Rev. J. R. Laidsborough spoke in behalf of the Ministerial Association. Light refreshments were served by the women of the church and there was a short program of songs.

SINGLE TAX SCORED BY SANDY LEAGUE

The Sandy Taxpayers' League has been organized with T. S. Jonsrud, mill man, as president. At the first meeting of the league J. H. Revenue and F. E. McGugin spoke against single tax and declared the single tax measure to be voted on in November is dangerous and ought to be defeated. Mr. McGugin said that the proposed tax measure if adopted, would prove disastrous to the farmers and to laboring men as well. The sentiment of those present was opposed to single tax in any form.

TO WHOM IT MAY CONCERN

"It has come to the knowledge of the directors of the Clackamas Southern Railway Company that there is in circulation pretended time checks issued by E. P. Berdine, signing himself as foreman of construction work for said company, and that certain persons are circulating the statement that these pretended time checks are not paid by the company for the reason that it has no funds to do so. The Clackamas Southern Railway Company wishes to notify all persons that E. P. Berdine is not foreman for said company and never had any authority to issue such time checks for said company but that he was a subcontractor and was working under contract and that all work done by said Berdine has been paid for in full by the Clackamas Southern Railway Company. This Company pays all of its obligations in cash, and all persons are hereby notified not to purchase any of such time checks. Clackamas Southern Railway Company." Advt.

WIFE OF OREGON BOY IS GIVEN DIVORCE

BOSTON, Mass., Oct. 2.—Superior Court Justice Connolly has granted a divorce to Mrs. Emily Johnson, from James Goodwin Johnson, of Medford, Or., a former Harvard university ball player. The divorce was granted a fortnight ago but extraordinary efforts on the part of the lawyers kept the information exclusively in the court files until today.

The libel alleged cruel and abusive treatment but no specific instances were named in the document. Mrs. Johnson is given the right to assume her maiden name, Emily Brown Mitchell. They were married in 1905 shortly after Miss Mitchell graduated from high school. "Jimmy" Johnson, who was an all around athlete at Harvard and popular, was but one of many suitors for her hand, another being a wealthy young Canadian railway man. News of the divorce was received with much surprise here.

AUTO CLUB WORKS FOR BETTER ROADS

PRIZES ARE OFFERED FOR IMPROVEMENT OF COUNTY THOROUGHFARES

SUPERVISORS TO COMPETE FOR THEM

Organization Decides to Become Member of American Highway Association—Membership Grows

The Clackamas County Automobile Club, at a meeting at the Commercial Club Tuesday evening, urged the improvement of the roads of the county. It was decided to offer prizes of \$75 and \$50 to road supervisors, who accomplish the best results on trunk roads in 1913.

It was declared by the members that the offer would stimulate road building in Clackamas County, and that eventually this county would have as fine roads as any in the state. A committee, composed of M. D. Latourette, LeRoy S. Walker and C. W. Risley, was named to arrange for road meetings. It is especially desired that the road between Oregon City and Canby, which, according to present plans will be a part of Pacific Highway, be improved at once. There is a rumor that unless this work is done soon the highway route may be changed.

It was unanimously agreed that the association should become a member of the American Highway Association. The club has a membership of more than fifty and it is thought it will be increased to 100 before 1913. Dr. H. S. Mount is president; C. W. Risley is vice-president and Ralph Parker is secretary.

COUNCIL TO CUT CHARGE FOR LIGHT

ORDINANCE ORDERED WHICH WILL MAKE MINIMUM RATE FIFTY CENTS

PEOPLE WILL VOTE ON ELEVATOR

Tax Levy for 1913 is Fixed at Eight Mills, Same as This Year—Street Work Approved

City Attorney Story will draft an ordinance, to be submitted to the City Council, reducing the rates for electric lighting. The ordinance, if passed by the City Council will reduce the minimum charge from one dollar to not more than fifty cents. The ordinance was ordered at a meeting of the council Wednesday evening.

An amendment to the city charter to be submitted to the voters of Oregon City, at the next election, providing for an elevator at the bluff, the cost to be not more than \$12,000, was urged, the council acting favorably. A resolution offered by the Mayor and adopted by the council will make it necessary for voters in this city to have been residents more than six months prior to the election and residents of a ward in which they vote, more than ten days. The culvert recently built on Jackson and Fifteenth streets by the Oregon Engineering & Construction Company was accepted.

A resolution to make an amendment to the city charter providing for borrowing money to pay the bonds due next year, was adopted.

The tax levy for 1913 on general municipal and street purposes was made eight mills, the same as that of this year. Objections to assessments on Monroe street for street and sewer purposes will be heard at the next special meeting of the City Council, which will be held on October 16. A petition will be introduced at this meeting, asking for the improvement of John Adams street.

An ordinance which will do away with the professional horse traders was read for the first time. These horse traders have become troublesome to the authorities at times, it was declared. They will be prohibited from selling or trading their horses on the streets hereafter, if this ordinance is passed.

A house for the hose reel on Sixteenth street will be built at once, in a more suitable location than the one now there.

The Harvest Moon At Gladstone

Primarily a City of Homes--But--

Just ask J. M. Hollowell and Professor Vedder what they did in the garden line this summer. Mr. Hollowell will ask you to nibble at some of the finest celery you every tasted--and you'll want a second helping. Professor Vedder will tell you that in his spare moments he raised about 1000 juicy canteloupes and melons, besides his other gardening.

Ask "Pat" Harris to tell you what all he did with his little two acres, and you will find that the genial Irishman raised everything from "prathies"---or spuds---to gooseberries.

Ask Messers. Carter and Harrington if their little yard garden didn't "jus' grow" as Topsy did, while they whipped the Willamette riffles for the game salmon.

Ask Uncle Phet Parker to give you a few details about that cherry tree in his back yard which was filled to capacity this year---and then some.

Ask Mayor Cross to tell you about a little plot of 5 acres on which he raises an average crop of \$600 worth of potatoes and on the same ground this year picked sixty bushels of Crawford peaches from old abandoned peach trees.

Then run over and ask Recorder Sievers if he didn't pick two quarts of strawberries from his berry patch during the past two weeks, after having "cleaned 'em out" early this summer.

We tell you---it's in the soil.

We are selling a great many lots in the very heart of this productive section at prices that will open your eyes.

Buy now---even if you don't wish to build at present. Plow up your land this fall and next summer you, too, can enjoy some of the luxuries that go with life in Gladstone.

Let our agent at Gladstone show you over these beautiful lots. Phone 1982. Opposite Post Office.
