OPPOSES TAX SUGGESTION.

OREGON CITY, Oregon., October mism. 4. '12.-(Editor of the Enterprise)-In an editorial in yesterday's Oregonian we read as follows:

"Another amendment, 304-305, permits the divorce of state and local tion holds. If it should be cloudy totaxation. Under the present system the state's needs are computed and shining. a levy sufficient to raise those needs is added to the levy found necessary in each county to raise county revenues. All property pays local taxes and all property pays some state the state to collect all its taxes from joys, they also have their griefs. one class of property-say from corporations. The counties would not then levy for state taxes. This plan happy by a trinket, it is made miser has also been adopted in other states. able by a trifle. Like the other amendments, this one itself makes no change in present dulled. He is calm and unruffled by tax methods. It merely authorizes trivial things. changes. Vote 304 Yes.'

Permit me to say to the voters of advice of the Oregonian is not good young who despair and commit suicide for Clackamas County or any other that the porations operate exclusively. Tf what the measure would lead to) our intolerant and exacting. The old have county government, our school districts, and our road districts would be deprived of one of their chief sources of revenue. Take School District No. 1, Milwaukie, for example. If the public service corporations were exempt from local taxation it would reduce the valuation again have they heard the awful crash from \$1,185,738.24 to \$883,856.16, of the presaging storm die out betimes which you will observe is a loss of into the mere rumble, succeeded by the about twenty-six per cent. District patter of the gentle rain. Why should after a recess, Senator Paynter took No. 108, Estacada, would lose more than fifty per cent of its valuation. What is true in regard to these two degee of nearly all the large districts of the county.

It is tue that the county would be exempt from state taxation but this gain would be very slight in compari-

son to the loss. The public service corporations trust and hope unto the perfect day. now pay taxes in the state on \$106,-583,267.00 Railroads, power plants, telephone and telegragh lines are building throughout the state increas-"but I did not know that it came from ing this valuation at a rapid rate. It is probable that in a few years the corporations would be paying much Senator Paynter called attention to less than they are now paying or else were perfectly fair, and the only Colonel Roosevelt's telegram of Oct- the state would be collecting a large point they made against him was that ober 27, 1904, to Cortelyou asking amount of taxes which would tempt the state officials to lavish expenditure or graft. As the law now is the eye upon their disbursements.

If I am wrong in this I hope some one will set me right. As I now see Yours for the good of our schools
