Bulgarians Hesitation Believed to be Cause to Gain Time for Making War Preparations

PARIS, Oct. 9.—The French foreign office late tonight was without a reply from Sofia, Athens, or Belgrade, and the only suggestion thus far as to its possible tenor is found in the remark of the Bulgarian foreign minister, when the note of the powers was delivered, that "perhaps it would have had a better chance of success if presented a fortnight earlier."

Bulgaria's hesitation is variously interpreted. Most of the diplomats think it is a device to gain time to complete war preparations but a shrewd minority have not given up hope that Czar Ferdinand is searching for some ground to enable him to give satisfaction to the powers without risking his crown.

A semi-official note reiterates that the accord of the powers is such that even if war breaks out it is sure to be localized.

REPUBLICANS HAVE BIG OSWEGO MEETING

All of the meetings are being attended by large crowds and the Republican candidates say sentiment is in favor of the entire ticket.

A gratifying report was made by the principal of the high school. He said that there is a larger class than ever before in this department, and a still further increase is expected. Governor's Plan to Purify Portland Approved, But Many Members Do Not Think His Methods Best

Pomona Grange, at a meeting in Molalla Wednesday, approved the efforts of Governor West in trying to purify Portland, but the methods employed by him were not satisfactory to many of the members. It was suggested that he might have obtained better results by employing other means. The high school fund law, which will be voted upon in this county at the coming election, was approved, the following resolution being adopted by a unanimous vote:

"Whereas, the Pomona Grange of Clackamas County stands for all things that tend toward the betterment of country life and the education of the children of the country equally with those of the city, and

"Whereas, believing that the adoption of the high school fund law by the voters of Clackamas county would be of great benefit to the whole county, but more especially to the rural communities, therefore

"Be it resolved, that the Clackamas County Pomona Grange at Molalla assembled does hereby heartily endorse the measure and recommends to all subordinate granges that they aid in securing its passage at the next general election."

The law was passed at the last session of the legislature, but before it can become operative each county must vote favorably upon it. Several counties have done so. It provides for levying taxes on all property for high school purposes. Any district that can maintain a high school, under the law, may draw upon the county fund for \$40 annually for each pupil up to twenty. The election of officers resulted as follows:

Worthy Master—J. D. Chitwood, Damascus; Overseer—W. W. Everhart, Molalla; Lecturer—Mrs. A. J. Wright, Molalla; Steward—Pierce Wright, Molalla; Assistant Steward—V. E. Larkins, Clarkes; Chaplain—T. R. A. Sellwood, Milwaukie; Secretary—Maggie Johnson, Milwaukie; Treasurer—R. A. Wright, Molalla; Gatekeeper—A. J. Wright, Molalla; Ceres—Hannah Mudgett, Highland; Pomona—Mahala Gill, Logan; Flora—Mrs. W. W. Everhart, Molalla; Assistant Steward—Miss Selma Cummings, Highland; Executive Committee—J. W. Thomas, A. J. Lewis and W. W. Everhart.

Reports were made by several members that jack rabbits were doing serious injury to crops and a committee was appointed to urge the county court to offer bounties for the skins of the animals. More than 150 members attended the meeting and a delicious dinner was served by the women members. Several candidates were initiated at the evening session.
