Apples, pears, peaches, grapes are found in the markets. The pear crop is better this year than that of last year, as is also the apple crop. Peaches will probably be at close this week and never before was the crop better than this year.

Mortality in War. War, called by the great Emperor "the malady of princes," has had many victims we will never be able to reckon them up. However, it is computed that up to the middle of the nineteenth century no fewer than 60,000,000 men perished on the field of battle. In all probability the estimate is under rather than over the mark.

COMING TO OREGON CITY

ASSOCIATED SPECIALISTS, WILL BE AT THE ELECTRIC HOTEL

MONDAY, OCTOBER 14TH, AND WILL REMAIN ONE DAY ONLY

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases

OFFER THEIR SERVICES FREE OF CHARGE.

The Associated Specialists, licensed by the state of Oregon, for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of medicine. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often has been cured in sixty days. No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Remember, this free offer is for one day only. Married ladies must come with their husbands and minors with their parents.

Office at Electric Hotel. Hours 10 a. m. to 8 p. m.—Adv't.

The Woman's Club held its first meeting of the season at the home of Mrs. David Caulfield Thursday afternoon. There was a large attendance, and an enthusiastic club spirit prevailed.

The calendar committee has provided a program for the year that will be highly educational. Mrs. Annie Downey, Mrs. J. W. Norris, Mrs. David Caulfield, with their alternates, Mrs. Thomas Warner, Mrs. Rosina Fouts, Mrs. E. P. Rands, are the delegates to the state Federation, which will be held in Portland in November, continuing for three days.

After the business session the social hour took the form of a kaffe klatsch and vacation reminiscences. The president and calendar committee as hostess server refreshments. Mrs. A. Price contributed to the pleasure of the afternoon with two delightfully rendered solos, and Mrs. George Randall truly has lived up to her motto, "Never think you're old and never let anything trouble you," for she sang two of the ballads of her girlhood days in a clear voice.

YOU'RE RAFFLES, I'M NOT, SAYS FROST

Are you a man? Yes. Smooth shaven? Yes. Then be careful. It would be a good idea for you to conceal yourself for several days. If you do not you are apt to be held up on the street, called "Raffles," and asked to give your captor \$10. Jack Frost, Republican nominee for constable, has been held up at least a dozen times. Scores of other men who patronize barbers or shave good safety razors have had the same experience. Mr. Frost, being a policeman, has to be on the streets, but he admits if he were just an ordinary citizen he would go into seclusion for the time being. Just when the real "Raffles" will be captured is a problem, but meanwhile, every man who is without facial adornment is in imminent danger of being called the mysterious person, who is still at large.

If it happened it is in the Enterprise.
