OREGON CITY HIGH DEFEATS LINCOLN

THRILLING SEVENTY-FIVE YARD RUN BY WILSON WINS GREAT GAME

LINE OF LOCAL TEAM IS STRONG

Both Teams Play Well, But Oregon City Shows Best Form From Start—Defensive Work Is Fine

A thrilling seventy-five yard dash by Quarterback Wilson of Oregon City High won the game for that team against Lincoln High School Saturday. The game which was played on the Canemah grounds was scoreless for two quarters and in the third quarter, with only two minutes to play, Wilson, speedy quarter back of Oregon City, made the winning run and touch down.

Both teams played fast ball throughout the game, the fourth quarter also being scoreless. Both elevens lost much ground in attempting forward passes.

An effort in the fourth quarter of the Lincoln boys to score proved futile. The Oregon City boys held them back during the last few minutes, though it looked for some time as if they would score a touchdown. Preble, quarter back for Lincoln, played a fast game, but seemed unable to get the ball through the line. Though honors of the day went to Wilson for his wonderful run, the entire team played fast. Coach Wagner, of Oregon City, was pleased with the boy's work, as they had only two weeks practice. J. Conville, of Portland, was referee. Arnold of Oregon City, umpire and Moore and Sheahan linemen. Coach Borleske, of Lincoln, accompanied the team. The score was 6 to 0, for the first game played in Oregon City this season.

The lineup was as follows: Oregon City—Lincoln High—Center—Gault; Guard—Green; Quarterback—Preble; Tackle—McAshe; End—Jones; Fullback—Holt; Halfback—Henderson; Running Back—Commins; Punter—Rottor. The Oregon City High School will play the Hillsboro High School team next Saturday at Canemah Park.

REPUBLICANS HAVE BIG OAK GROVE RALLY

E. B. Tongue, Republican nominee for District Attorney, and the nominees for other county offices addressed a large crowd at Oak Grove Saturday night. The speakers urged the election of the entire Republican ticket, and the sentiment of those present was unanimous for the ticket. Mr. Tongue made a strong appeal for the election of President Taft, and he was frequently interrupted by applause. The candidates who spoke were E. C. Hackett, nominee for sheriff; J. F. Nelson, nominee for assessor; E. P. Dedman, nominee for recorder and Chris Schuebel, nominee for representative in the legislature. Music was rendered by the Oak Grove Girls' band. The candidates will hold meetings every evening this week.

If you saw it in the Enterprise it's so.

FENWAY PARK, Boston, Oct. 12.—A flash of the brilliant stuff that does business in baseball by Hugh Bedient, a youthful star of the Red Sox pitching staff, coupled with a momentary lapse by Mathewson and a bobble by Doyle, gave the Red Sox their third victory in the world's series race here this afternoon by a score of two to one and sent the National league champions slipping and sliding down the way on the road to second unsuccessful bid for a world's championship.

Bedient, working in a style to have done credit to Walsh, held the Giants safe all the way and let them down with a quartet of hits, with the result that but a single additional run in front is now needed by the Bostonians to give them the world's championship for 1912.

To reach the crest now the McGraw clan must wrench off three victories in a row, a task almost impossible with the Red Sox machine swinging along at its present splendid stride and with Joe Wood, the Sox phenom, tagged to go to the mound again Monday in the game, which, if won by Boston, will end the fracas.

One round, one fatal sudden caveat beat the Giants before the greatest crowd that ever saw a game in Boston. Starting the third inning, Hooper slashed a drive by Herzog which whizzed into the left field corner for a three base blow. Yerkes followed with another slashing drive to left center for another triple and Hooper scored. Then Doyle brought on disaster. Speaker tapped to Captain Larry for an easy out, but while Yerkes stuck to third, Doyle let the tap dribble away, and the second run—the fatal one—was over.

These two heart-breaking drives, bunched, with Doyle's error, brought the old master back to life. From that point on he cut in with the fastest pitching of his life. But the stand came too late, for Bedient had cursed the Giants, rush with the best pitched game of the series. He worked a finer game than Wood had shown at the start, and before his speed and crackling curves the Giant's machine was stalled all the way.

The visitors put through but one tally on Bedient, when Merkle doubled in the seventh and McCormick drove him home. Beyond this meagre assault he stood the wild-eyed Giants on their beam ends and drove them back to the bench in flocks and crosses.

The attendance was 34,683 and the (Continued on page 3)

SINGLE TAX HIT BY SENATOR MILLER

LEBANON STATESMAN, AT WILLAMETTE HALL MEETING, SCORES FELS' PLAN

PIERCE SPEAKS FOR DEMOCRATS

Former Candidate for United States Senate Makes Plea for County, State and National Nominees

Milton A. Miller, of Lebanon, recently a candidate for the Democratic nomination for United States Senator, denounced Single Tax at a meeting of the Democrats at Willamette Hall Saturday evening. He said if the measure should carry it would throw the burden of taxation on the counties. He advised his hearers to look into this measure before it was too late, and declared that it was time that the initiative and referendum be protected. Mr. Miller said the best laws on the statute books had been placed there by the people. He, however, insisted that a stop should be put upon the large number of measures which are being put upon the ballot. To vote intelligently upon the questions was an impossibility for the average voter, he declared.

Walter M. Pierce, who, also, was a candidate for the Democratic nomination for United States Senator, made a stirring address. Mr. Pierce, who spoke first, predicted the success of the entire ticket. He declared that Woodrow Wilson was one of the greatest statesmen this country has ever produced. The speaker thought Wilson almost the equal of Jefferson.

Mr. Pierce, in an effort to prove Wilson a great man, told of his having repudiated former United States Senator Smith, of New Jersey, and insisted that his rival, Martine, be elected. He also called attention to the Wilson-Harvey-Watson episode, and declared that Wilson's reputation of these men made him a strong man. The speaker praised Bryan for having repudiated Wall Street, Ryan and Murphy.

Mr. Miller urged that the people elect United States senators. He said that there had been a waste in the Senate of more than \$300,000 a year. This was caused, he said, by the politicians who waited until the last hour, before allowing the appropriation bills to be presented.

There was a fair attendance and the candidates announced that the meeting was a satisfactory one. Gilbert L. Hedges, nominee for district attorney, presided.

U'REN DECLINES TO MEET SHIELDS

CHALLENGED TO DEBATE, FELS' MAN, INSISTS UPON NAMING SUBJECT

SINGLE TAX IS THEME PRESENTED

Oregon City Lawyer Insists That Graduated Amendment Be Discussed if Meeting Is Arranged

PORTLAND, Oct. 12, (Special)—After bitterly assailing Charles H. Shields, secretary of the Oregon Equal Taxation League, as a bragger, blusterer and a coward, W. S. U'ren now absolutely declines to meet Mr. Shields in debate unless Mr. Shields will debate on a question that Mr. U'ren himself propounds.

Although Mr. U'ren dodges the question, J. W. Bendough, a paid cartoonist of the Fels Fund Commission, who was also challenged, wrote a courteous letter to Mr. Shields informing him that he would be very willing to debate with him on the subject but that the organization with which he was working, the Graduated Single Tax League of Oregon, refused to give its permission.

The question Mr. Shields submitted to Mr. U'ren covered every phase of the Single Tax situation. It declared that the money for the Single Tax fight was put up by the Joseph Fels Fund Commission. It went on to say that the Single Tax measure was a Henry George Single Tax Measure and that it contemplated the establishment of the Henry George Single Tax in Oregon.

The question also contained the assertion that the Henry George Single Tax would not be for the welfare of Oregon.

Mr. U'ren visited Mr. Shields and said he will not debate the question you have submitted because that is not the question before the house I will, however, debate on the subject that the Graduated Single Tax amendment should be adopted by the people of Oregon.

Discussing Mr. U'ren's action Mr. Shields said today over long distance phone from Corvallis:

"Mr. U'ren is making once more a desperate effort to trick the people of Oregon by means of lies and subterfuge. He knows he could never defend the Henry George Single Tax in Oregon, and now he is attempting to make the voters believe that the Graduated Single Tax is not the Henry George Single Tax.

"He is trying to trick the voters now as he tricked them two years ago when he told them that they were repealing the poll tax. In reality they were toasting on themselves the County Home Rule in taxation, a Single Tax measure.

"Mr. U'ren now says that Single Tax is not the question before the house in Oregon, yet on November 19, 1910, he said before the Fels Tax Commission: 'We have cleared the way for a straight Single Tax fight in Oregon . . . but we have not talked Single Tax because that was not the question before the house. Now that question is before the house in Oregon and we will discuss it in that state.'

WOMAN, GORED BY COW, MAY DIE

MRS BENJAMIN WOOD, OF CLACKAMAS, FEEDING CHICKENS WHEN ATTACKED

MAN BEATS OFF FRENZIED ANIMAL

Victim Had Planned to Meet Relatives From East at Big Portland Convention This Week

Gored by a frenzied Jersey cow until she was unconscious, and in a few minutes would have been killed, Mrs. Benjamin Wood, who lives near Clackamas Station, was rescued late Saturday afternoon by John Green, who was attracted by the howlings of the raimal. Mrs. Wood, who is forty-nine years of age, was feeding the chickens in the cow pasture when attacked by the cow. For a time she beat the animal off, but finally it knocked her down, and was pawing and goring her viciously when Green, who was passing, came to her rescue. He obtained a scantling and beat the cow from the prostrate woman.

Almost all the clothing was torn from Mrs. Wood, and she was severely gored in the abdomen, breast and head. Dr. H. S. Mount, who was summoned, said late Saturday night that he thought she would recover. Dr. Mount said that but for the timely arrival of Green the woman would have been killed. Mrs. Wood had planned to meet several of her relatives from the East at a meeting of the Women's Christian Temperance Union in Portland this week.

MRS. WOODWORTH DIES WHILE VISITING HERE

Mrs. Grace Woodworth, wife of Roy Woodworth of Hood River, died in this city Friday afternoon at 4 o'clock at the home of her sister, Mrs. N. M. Allredge. McClellan were with her when she died. The remains were taken to Hood River Saturday afternoon, and the funeral services will be held at the undertaking chapel this afternoon at 2 o'clock.

Mrs. Woodworth was born in Doniphan County, Kan., October 9, 1875. She was married about nine years ago at Hubbard and shortly after her marriage moved to Hood River. She came to Oregon about twelve years ago.

A Watch

is intended to tell you the time of day. Unless it does this accurately it is worse than useless, for it is like the man who cannot depend upon. Many a man has twenty-five or thirty dollars tied up in a watch which is worthless when if he would invest a dollar or two for having it repaired he would get the full value out of it. Often a watch which does not keep proper time needs regulating for which we make no charge. If it needs repairing our charges are more than reasonable. Our work is guaranteed.
