COLONEL WEARIED BY JOLTING TRAIN

PHYSICIANS CONFIDENT, HOWEVER, THAT HE WILL STAND TRIP WELL

MESSAGES OF GREETING SENT HIM

Ex-President Will Arrive at Home in Oyster Bay This Morning—Speaking Plans are Made

PITTSBURG, Oct. 21.—Although ex-President Roosevelt was weary from his all day's ride from Chicago to Pittsburg, he showed no other ill effects on his arrival here tonight and the physicians who are accompanying him are confident that he will reach Oyster Bay in almost as good condition as when he left Mercy hospital.

Mrs. Roosevelt and the physicians watched the patient closely for any signs of a set back. As the day wore on it became plain that he was resting comfortably, the tension was relaxed and tonight everyone on the Colonel's car was breathing easily.

Colonel Roosevelt passed the day in reading magazines, talking and sleeping. As soon as he was brought to his car in Chicago he went to bed and remained there throughout the day.

The hardships of the journey were increased by several severe jolts, caused by the imperfect action of a brake on the Colonel's car and once or twice the train came to such an abrupt halt that the Colonel was tossed about in his bed. The Colonel was suffering from nervous exhaustion when he left Chicago and he found the motion of the train most tiresome.

The progress of the Roosevelt train was watched by silent crowds. At many of the stations persons brought flowers and fruits to the wounded man and sent him messages of greeting. There was no cheering.

Dr. Alexander Lambert, of New York, who, with Dr. Scurry L. Terrell, of Dallas, Texas, is caring for Colonel Roosevelt, said the wound had bled some during the day, but that the bleeding was merely the result of the draining of the wound and was an indication of the healing process. Bulletins were issued by physicians during the day, but they merely reported that the Colonel was resting easy and that his condition was unchanged.

There was little doubt in Dr. Lambert's mind that Colonel Roosevelt would be well enough to address the campaign rally planned for Madison Square Garden on October 30. The doctor said the Colonel would be permitted to speak for half an hour.

Colonel Roosevelt is due in New York at 8:08 tomorrow morning. His car will be taken directly to Oyster Bay and before 10 o'clock the Colonel will be in bed at Sagamore Hill.

Until he has rallied from the effects of the trip, Colonel Roosevelt will be required to rest absolutely.

COUNTY DIVISION IS STRONGLY OPPOSED

"Everybody in our section of the county is opposed to county division," said Adolph Aschow, whose wife is postmistress at Marmot, who was in the city Monday. I do not know of a single voter who favors the plan advocated by several residents of Estacada. There might be some reason for our section of the county becoming part of Multnomah county, but there is absolutely none for the formation of a new county. If the voters in all parts of the state are of the opinion of those in and near Marmot, the proposed division will be defeated almost unanimously."

Mr. Aschow formerly was superintendent of forest reserves and is one of the most prominent citizens of the eastern section of the county.

COMMITTEE GOES TO BORING TO OPPOSE SECESSION

The Live Wires Committee, appointed to make a campaign against county division, will go to Boring this afternoon in the interest of the work. A meeting will be held which will be attended by many of the taxpayers of that section. It is understood that the residents of Boring are against county division.

SANDY RESIDENTS SCORE SECESSION

GRANGE AND COMMERCIAL CLUB ADOPT RESOLUTIONS AGAINST PLAN

VOTERS OF THE STATE WILL DECIDE

Proposed Division Called Scheme of Politicians and Office-Seekers And Against Tax-payers

The proposition to divide Clackamas county and form Cascade county out of the eastern part of Clackamas with Estacada as the county seat is to be submitted to the legal electors of the state this fall. The Sandy Grange and the Sandy Commercial Club have adopted a resolution condemning such division.

The following is the text of the resolution:

Whereas, There is now a bill before the people proposed by initiative petition, to be submitted to the legal electors of the state of Oregon, for their approval or rejection, at the regular general election, for a law to create the county of Cascade out of the eastern portion of the county of Clackamas;

Wherefore, We, the undersigned members of the Sandy Grange No. 392, and of the Sandy Commercial Club, in joint session assembled,

Resolved, That we are opposed to the proposed division believing it to be an unwise and impracticable movement at this time;

We do further represent that the proposed division will cause unnecessary expense to the taxpayers of the proposed new county;

We do further represent that nearly all the territory that is affected by this change is tributary to the present county seat at Oregon City, some of it being distant not more than seven miles.

We do, therefore, most urgently appeal to you, Patrons of Husbandry, to the members of the Commercial Clubs and to all the voters of Oregon to vote this measure down as we do not believe that any but the selfish desires of would-be politicians and office seekers would be promoted by the establishment of the proposed county, and that the large majority of the worthy citizens, residents and home owners would be much better satisfied to be allowed to remain as they are and not be compelled to take upon themselves the added burden of taxation required to establish a new county and more offices.

WIDER CANEMAH WALK MAY BE DEMANDED

The City Council at a meeting Monday evening, discussed informally a suggestion that the road between this city and Canemah be widened. The Portland Railway Light & Power Company has agreed to erect a new wall which will protect the city and render the flooding of the railway tracks and walk impossible, but several of the councilmen think the road should be widened. The council will meet with a representative of the railway company today to discuss the matter further.

Announcement was made Monday that the meeting of the council to discuss the franchise for operating freight cars on Main street by the Portland Railway Light & Power Company would be held Thursday evening instead of Friday evening as previously announced. All residents of the city are urged to attend the meeting and announce whether they favor the renewal of the franchise or oppose it.

4-YEAR-OLD BOY DIES OF PTOMAINE POISON

William Bryson Wiggins, the four-year-old son of Mr. and Mrs. William B. Wiggins, formerly of Oregon City, but now of 737 Clackamas street, Portland, died Sunday of ptomaine poisoning. The interment was in River View cemetery, Portland Monday afternoon at 1 o'clock the funeral services being conducted at the home.

The boy was the only son of Mr. and Mrs. Wiggins, and was an unusually bright lad. He had visited his grandparents, Mr. and Mrs. James Wilkinson, of Fourteenth and Main streets, this city many times. The little fellow was stricken last Tuesday and his condition was not considered critical until shortly before his death. He is survived by three sisters, his grandparents, of this city and parents, Mr. and Mrs. Wiggins, of Portland.

REPUBLICANS ADDRESS BIG CROWD AT LOGAN

The Republican candidates for county offices addressed a large crowd at Logan Friday evening. Among those who spoke were E. C. Hackett, nominee for sheriff; F. M. Gill, nominee for representative in the legislature; J. F. Nelson, nominee for assessor; E. J. Dedman, nominee for recorder and Chris Schuebel, nominee for representative in the legislature. The speakers were given close attention, and representative citizens after the meeting declared that the ticket would be given a safe majority in that district.

John D. Archbold, president of the Standard Oil Company, who states that he gave \$125,000 to aid Roosevelt in the 1904 campaign.

LUMBER COMPANY SAFE FOILS THIEVES

A bold attempt was made Friday night to rob the safe of the Gladstone Lumber Company at Parkplace. The thieves gained entrance to the store through a window in the rear, and knocked the knob of the safe off with a hammer, which was found in the office. Whether they were frightened away, or found that they could not open the safe is not known. There was no evidence of drilling or an attempt to use explosives. H. E. Williams, a member of the firm, said that the only thing missing was the hammer, which the men probably stole, to prevent finger prints on the handle being used as evidence against them.

FINUCANE-TIMMONS HEARING IS TODAY

John Finucane and Harry Timmons, held in \$500 bonds each, on a charge of contributing to the delinquency of Valeria Proffitt a fifteen year old girl who committed suicide by drinking carbolic acid, following an all night automobile trip to Portland, will be given a hearing before County Judge Beattie at 10 o'clock this morning. The young men and Clara Johnson, also fifteen years of age, were the other members of the automobile party. The body of Miss Proffitt was buried Sunday afternoon in the Mountain View cemetery, the funeral being held at the home of her parents. The girl upon arriving home early Friday morning clasped her mother about the neck and announced that she was dying. She died before medical aid could be summoned. She had drunk carbolic acid which was purchased at a general merchandise store near her home.

RANCH EGGS SELLING AT 40 CENTS A DOZEN

A considerable lot of fresh ranch eggs arrived in the local market Monday and they found a ready demand at forty cents a dozen. Eastern eggs are selling at 35 cents a dozen, but most of the people would rather pay the higher price and get the country eggs. The only melons in the market were casaba melons, which retailed at fifteen cents. Strawberries retailed at fifteen cents a box Saturday. They were delicious and sold readily. Many of the farmers of the county finished their potato digging before the heavy rain and others are just finishing their work.

SINGLE TAX ROLL ERRORS ARE GRAVE

CHAIRMAN OF LEGISLATURE COMMITTEE POINTS OUT WHAT THEY MEAN

COUNTY ASSESSOR GIVES FIGURES

U'Ren Book, Sent Broadcast, Omits at Least \$3,500,000 Assessed Property—Many Other Mistakes

By CHAS. V. GALLOWAY, Chairman Legislative Committee.

SALEM, Oct. 21. (Special)—What has been widely advertised by promoters of the single tax propaganda as "four trivial errors" in the comparative present roll and single tax roll of Clackamas county, represent a total of something over \$3,500,000, according to a statement made by J. E. Jack, assessor of Clackamas county, over his signature. These errors include an assessment of over \$400,000 on the Willamette Pulp and Paper Company, which should be entirely exempt under the single tax; and as the appearance of these figures on the roll would have proved a heavy blow only to that form of taxation, none but single taxers would consider such omissions of small importance.

In a letter addressed to Grant B. Dimick of Clackamas county, Assessor Jack had the following to say relative to these errors:

"The four errors in the single tax roll as mentioned by Mr. U'Ren as being of small importance are as follows:

First—In the assessment of the Willamette Pulp & Paper Company there appears an error in the assessed valuation of \$419,870.00, and in the tax this company should have paid is an error of \$7556.32. (Page 155, Single Tax Roll.)

Second—In the assessment of the Crown Columbia Pulp & Paper Company there appears an error in the assessed valuation of \$30,000, and in the tax this company should have paid is an error of \$902.50. (Page 106, Single Tax Roll.)

Third—In giving the amount of taxes of the First National Bank of Oregon City, which that bank paid, an error of \$406.24 was made. (Page 110, Single Tax Roll.)

Fourth—In giving the amount of taxes paid by the Bank of Oregon City, an error was made of \$717.70. (Page 99, Single Tax Roll.)

The above are very important mistakes and it appears no effort has been made to correct them. In addition to the above there are many other mistakes too numerous to mention. The assessment valuation of over \$3,000,000 which appears on the regular tax roll of Clackamas county for 1910, covering numerous corporations, was also omitted and does not appear in the single tax roll.

Yours very truly,
J. E. JACK,
Assessor of Clackamas county

JOSEPH SHEAHAN SURPRISES BURGLAR

Burglars made an unsuccessful effort to enter the home of William Sheahan, 1010 Water street, Sunday evening. Mr. Sheahan's son, Joseph, was the only member of the family home at the time. He heard a noise downstairs about 10 o'clock and looking out of a second story window, saw a man trying to open a window to the sitting room. Mr. Sheahan went down stairs to call the police over the telephone, but the man evidently hearing him, made his escape.
