AN IMPROVED ANTISEPTIC

The scientific combination of Peroxide of Hydrogen and a 5 per cent solution of Boric Acid has proven to be one of the most effective Bactericides known to the medical profession and is especially adapted for use on burns, boils, ulcers, pimples and as a mouth wash etc. Every home should have a bottle on hand for instant use in case of an emergency or accident as the value of a prompt application can hardly be estimated. Borated Peroxide of Hydrogen may be purchased today at Huntley Bros. Co. at the prices other stores charge for the common Peroxide. For sale by the Rexall Store, HUNTLEY BROS. CO.

Republican Candidates

E. B. TONGUE.

The Prosecuting Attorney is the legal advisor of all the county officers. The success of all legal matters of county and state business referred to him depends upon his good judgment. Often thousands of dollars are at stake and the loss or gain to the county rests upon his advice or upon the conduct of the suit.

The office of District Attorney will cost the tax payers more than three times as much as any other office unless successfully conducted. Thousands of dollars can be wasted on useless, frivolous or malicious prosecutions.

Mr. Tongue, the present District Attorney is a candidate for re-election. Does his record merit a second term?

He has won over 96 out of every hundred Circuit Court cases.

He has won every criminal case tried in the Supreme Court.

Clackamas County has not lost a single cent through wrong advice.

Clackamas County has not hired a single lawyer to help him try a case.

With two or three exceptions he has personally conducted every case in the Circuit Court of the four counties since he has been in office.

He does the work for the two judges while the district attorneys prior to him did the work for one.

He has personally conducted all his official cases in the Supreme Court.

The Oregon Journal, the Democratic paper in commenting on the Pender mure case used the following language, "With a brilliantly evolved mass of circumstantial evidence the state rested.....The argument of Prosecuting Attorney Tongue was a master piece of phrasing and legal ingenuity. For two hours he held his hearers tense and chilled with a statement and plea as stern and uncompromising as was ever heard in a court of law." Concerning the same trial the Oregon Mist said: "One of the features of the great trial was the wonderful and brilliant argument made by District Attorney Tongue. Many people who heard it say it was the greatest speech ever made in the Columbia County Court."

A democratic paper speaking of the celebrated Blakesley case said: "The talk of Mr. Tongue was probably the best one that has been heard here for years. That he is an able prosecutor there is no doubt."

Yours truly,
G. SCHNOERR.

Another daily newspaper recently referred to him as "one of the best prosecutors in the West."

G. SCHNOERR.

If I am elected, I will, during my term of office, be opposed to the creation of new Boards and Commissions and favor the repeal of many of them.

I am opposed to single tax. I favor good roads into all parts of Clackamas County; favor the repeal of fish and game commissioners; work for the repeal of the Law creating County School Supervisors; am opposed to large appropriations for the benefit of a few officers; want a dollar's worth of service to the state to every dollar expended; a square deal to everyone and strict economy in every department of state. Favor statement Number One and Direct Primary Law.

I further state to the people of Oregon as well as to the people of my legislative district, that during my term of office, I will always vote for that candidate for United States Senator in Congress who has received the highest number of the people's votes for that position at the general election next preceding the election of the senator in congress, without regard to my individual preference.

Believing that we are more often harmed by the passage of bad laws than the neglect to pass good ones, I shall use my best endeavors to prevent pernicious legislation.

I shall favor strict laws for the apprehension and punishment of those engaged in the White Slave Trade and shall favor the promotion of the Social Hygiene Society.

I shall favor strict laws for the extermination of quack doctors who prey upon our young men.

I shall do my best to secure the passage of an eight hour law for the laborers in the paper mills of Oregon, if a majority of the laborers in the mills at Oregon City desire it.

I shall favor just and equal taxation on all property of the state whether owned by corporations or individuals.

Yours truly,
G. SCHNOERR.

C. SCHUEBEL.

To the voters of Clackamas County: As a candidate for the Legislature I respectfully ask your support in this campaign for the following reasons:

1st. I favor an amendment to the Fire Law providing that each Road Supervisor shall be ex-officio a fire warden within his district with full power to issue permits at any time to burn slashings. Then the farmer can clear his land when the slashings will burn.

2nd. I favor repealing the School Supervisor Law, thus saving the tax payers of Clackamas County \$4,000 a year in unnecessary salaries.

3rd. I have prepared and will endeavor to pass a law that will compel the P. R. Y. L. & P. Co. WATER TRUST to pay a license on 250,000 water H. P. claimed by them in Clackamas County, the same as any other person appropriating water after May 22, 1909.

4th. I have prepared and will endeavor to pass a law that will compel the P. R. Y. L. & P. Co. WATER TRUST and all other persons who have appropriated or claim water power in Clackamas County, to pay taxes on the water power appropriated as the farmer and other persons are compelled to pay taxes on their property whether they use it or not.

5th. Because I propose a law limiting the hours of labor in any one day, in MILLS AND FACTORIES ONLY, not to exceed ten hours or more than 60 hours a week except in cases of emergency where life or property is in danger. Thirty-six states and territories now have similar laws to protect these classes of wage workers. The men in the paper mills at Oregon City are generally compelled to work 7 days a week, 11 hours on the day shift and 13 hours on the night shift. I believe that workmen should be protected by law from the greed of Organized Capital.

The corporations are opposed to me because I am in favor and have pre-

pared and am submitting to the public through the columns of the newspaper the various bills above mentioned. They will endeavor through various means to prejudice the minds of the voters on side issues, if possible, and some of their strikers are now out trying to trade votes by getting men to pledge themselves to vote against me.

I believe that a member of the Legislature should represent the interests of the people as against special interests and if elected to the Legislature I shall do all in my power to have the laws passed that I have mentioned and shall assist in cutting off useless commissions and unnecessary appropriations, and will serve the people honestly and faithfully to the best of my ability.

Yours respectfully,
C. SCHUEBEL.

E. P. DEDMAN.

To the voters and citizens of Clackamas County:

As the nominee of the Republican party for the office of Recorder of Conveyances of Clackamas County I wish to state that I have been a resident of this county for over thirty years. I am and have been for many years a farmer by occupation and a tax payer. I have had previous experience in the Recorder's office and know how the work should be carried on. I am deeply interested in the welfare of this county and believe I will be able to conduct the office of County Recorder in such a manner as will be of benefit to all the people. If you see fit to trust me with this office I will at all times be found attending strictly to my duty as recorder and will always conduct the office in a strictly business-like manner.

Yours truly,
E. P. DEDMAN.
