

Republican Candidates

WM. J. WILSON.

To the voters of Clackamas County: I am now acting as Coroner of Clackamas County by virtue of an appointment made by the County Court on July 5, 1911. Since that time I have endeavored to fill the office with credit to the County. If the voters of this county see fit to entrust this office to me and thus express their approval of my past record, I shall at all times endeavor to do my duty and will always be on the job.

Yours truly,
WM. J. WILSON

T. J. GARY.

To the voters of Clackamas County: In asking for your support at the November election, I wish to say that the progress of the schools of this county during the last four years shows that someone has been active. While I do not claim credit for all that has been done, I do know that in many instances I was the direct cause of the progress that was made.

Four years ago there were many schoolhouses and grounds in the county that were a discredit, and in some instances a disgrace to the community. Now almost every district has a reasonably good building and many have improvements that would be a credit to any community.

Believing that the teacher is the most important factor in any school, I have labored to rid the County of teachers who would not or could not do good work. In this I have known neither friend nor foe. As a consequence, I have made some enemies. (The public official who does not usually a weakling) but I have the satisfaction of knowing that the teaching force of the County is far superior to what it was when I began as Superintendent. Every official act of mine has been for what I consider, the best interest of the girls and boys.

I taught for several years in the one room country school and afterward in the graded schools of the County—seven years at Milwaukie, five at West Oregon City, and three at Willamette. This experience, together with my work as Superintendent of the schools of the County should qualify me for good work.

Realizing that the greatest problem, that we have in the rural schools, I visited all of them with the exception of two, (they were not in session at the time), and studied their condition. I have since visited most of them many times. I hope to continue to make these schools what they should be.

The fact that I received the nomination in the recent Primary Election from both the Republican and Democratic parties shows, I think, that I have been Superintendent for the whole people. I purpose being Superintendent of the Schools for all the people, if elected in November.

Thanking you for past favors, I am Cordially,
T. J. GARY.

W. L. MULVEY.

Candidate for re-election to the office of County Clerk.

Dear Sir:

If my record for the past two years as County Clerk meets with your approval, I respectfully ask your support and vote for re-election to this office on November 5th. If re-elected I will, in the future as in the past, to the best of my ability, give to the people of Clackamas County a clean, honest administration, and will conduct the business of the office as economically as possible consistent with good accurate work.

W. L. MULVEY.

E. C. HACKETT.

To my fellow citizens:

I was born and reared in your midst and feel, that with my varied experience in office matters, that I am fully equipped to give the people of Clackamas County the best service possible.

During the year 1910, it cost the people of Clackamas County \$4375.06 to run the Sheriff's office; during the year 1911 it cost \$6314.58.

With my practical experience along these lines I am sure I can improve on the above showing and save the people money. If you desire my services, they are at your command, and you know how to get them.

Your obedient servant,
E. C. HACKETT.

J. A. TUFTS

Mr. Tufts will succeed himself as treasurer of Clackamas County. He will in the future, as he has done in the past, be on the job all the time. He has and will work for the interests of the tax payers. He will give fair and courteous treatment to all.

D. T. MELDRUM.

D. T. Meldrum, the Republican nominee for County Surveyor, is particularly well qualified to occupy that position. He has been faithful during his first term and merits re-election. He comes from a family of surveyors, being a son of Judge John W. Meldrum, one of the pioneer surveyors of Clackamas County. The Republican candidate is a competent man, a graduate of Cornell University and should receive the vote of every Republican.

WIL LIAM H. MATTOON.

William H. Mattoon, candidate on the Republican ticket for commissioner, formerly from Viola and now from Estacada. Chosen in the primaries to succeed himself. Mr. Mattoon has

Heart to Heart Talks.

By EDWIN A. NYE.

A SONG THAT LIVES.

To write something that will live and be sung by little children long after you are dead—Gus Fischer did that.

You never heard of Gus Fischer—William G. Fischer of Philadelphia? Well, no matter. He died the other day, and I want to say, though the dispatches gave as his obituary just three lines, I should rather have written his one successful song than to be the author of the best seller of the season.

You may be world weary or biased, you may have been out of Sunday school these many years, but—

Remember how your feet hung from the church pews halfway to the floor? You see, in those days there was no primary department with separate room and low chairs and tables and group teachers.

Remember the superintendent? He looked so different in his Sunday clothes from week day Will Smith. He smiled so much more, for one thing. How snappily he banged his desk bell for order!

And there you are, dressed in your Sunday best, and you hold the hand of your little sister, and the other hand grips the big red penny for the poor heathen children over the sea.

How solemnly grand the little cabinet organ on the platform!

"Now, children," smilingly shouts the superintendent, "let us all stand up and sing No. 23."

And No. 23?

Why, that was Gus Fischer's song, which we all knew and all could sing:

I love to tell the story,
"Twill be my theme in glory—
To tell the old, old story
Of Jesus and his love.

You did not know what the "theme in glory" might be, but your childish treble rang out strongly and helped to swell the chorus.

Don't you remember?
Now, there's nothing classic about Gus Fischer's production, and it has no great melody. It never lent itself to the village band like the smooth melody of "Safe In the Arms of Jesus," but—

It is safe to predict that so long as there are children to sing it so long will that song be used.
Gus Fischer will write no more. Is it profane to fancy that, whatever may be his "theme in glory," he must sometimes pause and listen to hear the children sing his song of the old, old story?

Very High.

Hewitt—He's a highbrow.
Jewett—Yes, a regular skyscraper

The Best Light at the Lowest Cost

ELECTRIC LIGHT is the most suitable for homes, offices, shops and other places needing light. Electricity can be used in any quantity, large or small, thereby furnishing any required amount of light. Furthermore, electric lamps can be located in any place thus affording any desired distribution of light.

No other lamps possess these qualifications, therefore it is not surprising that electric lamps are rapidly replacing all others in modern establishments.
