

SCHOONER HITS BAR, KILLING 5

CAPTAIN, REFUSING TO BE SAVED, LEAPS TO DEATH ON ROCKS

AVIATOR TRIES TO RENDER AID

Christofferson Makes Two Flights in Attempt to Pick up Members of Ill-Fated Crew

MARSHFIELD, Or., Nov. 1.—Five lives were lost on the Coos Bay bar this morning, when the little gasoline schooner Osprey was wrecked and when her captain, refusing to be the only one of the crew saved, leaped to death on the jetty rocks.

Even the bodies probably will not be recovered, and what little is left of the boat is being torn to splinters at nearly the same point on the dangerous submerged jetty where, about a year ago, the North Star No. 1 a gasoline launch, was wrecked and six lives lost.

Heroic attempts were made to save the men by the tug Roscoe, but without result. The lifesavers were out, but were unable to do anything, as the sea was rolling high, and an airship flight was made over the bar by Aviator Christofferson, of Portland, in the hope of locating some of the men, but they had met death so quickly and the waves of the bar had so rapidly accomplished their work of destruction that there was no chance to do anything when the news of the disaster reached this city.

The correct list of the dead follows: Captain Gus Johnson, of Wedderburn, master of the Osprey; Chester Johnson, of Coquille, engineer of the Osprey; Joe Peltan, of Aberdeen, seaman of the Osprey; Captain H. Jacobson, formerly master of the wrecked Berwick, passenger; Indian Ned Harvey, of Wedderburn, passenger.

HAWLEY TO RUSH OPENING OF LOCKS

CONGRESSMAN WILL INSIST UPON SPEEDY TRANSFER TO U. S.

TITLE DISPUTE CAUSES THE DELAY

Plan is to Give Shippers Relief From Heavy Tolls—McCourt Promises to Assist in Work

SALEM, Or., Nov. 1.—Representative Hawley has taken up with United States Attorney McCourt, at Portland, the matter of the speedy acquisition by the Government of the locks at Oregon City. It seems to have been the general impression that since the Government and the state provided the funds for the purchase of the existing locks and their repair, there would be no further delay in the passing of the title to the United States.

Mr. Hawley found that persons using the locks were still subjected to the usual tolls, and he set about to determine the cause and urge expedition in the transaction, so that shippers could have an open river. Mr. McCourt advises Mr. Hawley that the Portland Railway, Light & Power Company recently submitted an abstract of the titles to the lands sought to be acquired by the Government, but that upon examination of abstracts it was found most of the land embraced in the property had been included in platted townsites and the plats thereof had never been placed on record.

As the descriptions in the conveyances referred to the tracts by lots within these townsites, it was impossible to determine whether the land extended over the land covered by the locks. The United States Attorney returned the abstracts to the company with the request that the original plats be secured or a survey made that would definitely identify the property. The company has complied with this request but a number of defects are yet supposed to exist, these being largely inconvertible. The company has had exclusive possession of the property for years so title under the statute of limitations has probably vested, so the War Department probably will accept the titles in spite of the defects.

GLADSTONE 'PHONE FRANCHISE CHANGED

The Gladstone council at a meeting Friday evening decided not to extend the water mains to Bowles addition at present. It was unanimously agreed that the telephone franchise, which has been under consideration for several weeks, should be changed so as to provide that the companies pay 50 cents a year for each telephone instead of \$50 a year for a license. The money is to be paid quarterly. The contractor was paid in full for the improvement of Railroad Avenue. A committee will be appointed at the next meeting of the council to make the assessments.

BOMB HURLED INTO SINGLE TAX RANKS

PREMIER ASQUITH AND LLOYD GEORGE DENY THEY FAVOR FELLS' SCHEME

SPEAKERS ARE CALLED FALSIFIERS

Men Favoring Henry George Plan Use as Arguments that Statesmen of Great Britain are With Them

(By special cable from London, to the Oregon Equal Single Tax League, relayed from Portland.) LONDON, Nov. 1.—When Premier Asquith, of England, learned for the first time today that the single taxers of Oregon had been representing that his government, himself and Chancellor of the Exchequer, Lloyd George, were in favor of single tax, he was exceedingly indignant.

The Premier immediately had issued the following official statement from his office at 10 Downing Street: "Mr. Asquith stated in the house of commons July 30 and in a speech at Ladybank, October 5, that the policy of government does not include single tax."

It is against the policy of the Premier to give out interviews but his private secretary furnished your correspondent with a copy of Mr. Asquith's speech at Ladybank in which he said: "Whatever the proposals of the government may be they will not embrace what is called the policy of single tax, which to my knowledge has not a single supporter in the present cabinet, and which in my opinion and I believe is the unanimous opinion of my colleagues also, by singling out for the purpose of bearing the whole burden of taxation of the land to the exclusion and relief of all other forms of property is consistent neither with justice nor with expediency."

Your correspondent could not get in touch with Mr. Lloyd George but Mr. Asquith's statement that not one of his colleagues favors the exclusive land tax certainly covers him. George Lambert, Member of Parliament, informed your correspondent, however, that Mr. Lloyd George had given him permission to say that the chancellor was not in favor of single tax. Members of the cabinet, who, owing to their official positions were unable to declare themselves on the policies of another country, were mortified to learn that Oregon single taxers had chosen to lie deliberately about their attitude.

CANDIDATES SPEAK HERE THIS EVENING

BIGGEST RALLY OF CAMPAIGN BE HELD AT WOODMEN HALL TONIGHT

ALL CITIZENS URGED TO BE PRESENT

Republican Nominees, Including District Attorney Tongue and Other Prominent Speakers to Make Addresses

Believing that they will be successful at the polls next Tuesday and encouraged by many offers of support from various sections of the county where the Democrats are strongest, the Republican candidates have arranged monster rally to be held in this city tonight. The meeting will be held in Woodmen Hall and the largest crowd of the campaign is expected to be in attendance. All the candidates for county offices, including E. B. Tongue, candidate for reelection for district attorney, and other prominent men probably will make short addresses.

The candidates, besides Mr. Tongue, who will speak are E. C. Hackett, nominee for sheriff; J. F. Nelson, nominee for assessor; E. P. Dedman, nominee for recorder and Gustav Schroer, T. M. Gill and C. Schuebel, candidates for representative in the legislature. The candidates conducted a big rally in Milwaukie Friday evening. The speakers were enthusiastically received, and were assured that the city and neighborhood would give a large plurality for the national, state and county tickets. The meeting was held in Milwaukie Hall, and, despite a woman suffrage meeting in the theater, the hall was crowded.

The meeting tonight at Woodmen Hall is expected to be the largest of the campaign and all citizens are invited to attend. That the hall will be crowded is assured. George C. Brownell probably will be one of the speakers.
