## DEMOCRATS SAY SENATE IS WON

SMITH, OF GEORGIA, DECLARES PARTY HAS FIFTY IN UPPER HOUSE

### SEVEN SEATS, HOWEVER, IN DOUBT

Wilson Party Hopes for Recruits to Senate From Oregon, Tennessee, New Jersey and Delaware

WASHINGTON, Nov. 8.—"The reorganization of the Senate by the Democrats on March 4 is assured," said Senator Smith, of Georgia, today, in summing up the status of the Senate after March 4.

Senator Smith spoke with assurance, due largely to his familiarity with the situation on account of his connection with the senatorial branch of the campaign work. He spent a month in Chicago looking after the legislatures in various states.

"We have 30 Democrats who hold over and five who have already been elected making 35," said the Senator. "We have Democrats from Georgia, Texas, Arkansas, Montana, Oklahoma, North Carolina, South Carolina and two from Colorado who have been elected in the primaries.

"The Democrats undoubtedly have carried the Legislatures of New Jersey and Delaware, which insure Democratic Senators from each of those states. Advices from Nevada and Oregon clearly indicate the election of Democratic candidates for the Senate. This would give 49 Democrats, or a positive majority of the Senate.

Mr. Smith was inclined to make additional claims on the states which are considered doubtful. He said that according to his advices, the Democrats will have a majority of the Legislature of Tennessee, which would insure a Democratic Senator from that state. He also counted on further accessions from Illinois and from some of the other states.

"We can safely rely on 50 Democrats in the next Senate," he declared.

## CASCADE COUNTY BILL HIT AT HOME

MAJORITY OF RESIDENTS OF PROPOSED DISTRICT AGAINST MEASURE

### PREDICTIONS VERIFIED BY VOTE

447 Ballots for Measure and 621 in Opposition in Territory Proposed for Secession

Analysis of the vote of the eastern part of Clackamas County on the measure providing for the creation of Cascade County demonstrates clearly the claim, made prior to election, that a majority of the residents of the district embraced in the proposed Cascade County were opposed to the bill. This contention is substantiated by the returns from the 11 precincts making up the territory that was in the boundaries of the proposed Cascade County, and in these 11 precincts there were only 447 votes in favor of the measure and 621 votes against.

Eliminating the precinct of Estacada, where the county division scheme was originated, there were only 276 votes for the bill and 587 in opposition to it. The votes by precincts follow, according to the unofficial returns: Bull Run—yes 8, no 37. Boring—yes 8, no 96. Cherryville—yes 4, no 32. Cascade—yes 20, no 90. Damascus—Eagle Creek—yes 32, no 104. Estacada—yes 15, no 136. Dover—yes 5, no 17. Ia—yes 276, no 34. George—yes 7, no 23. Springwater—yes 56, no 28. Viola—yes 18, no 24. It is not regarded as likely that the official count will materially alter these figures.

## WOMAN, INJURED IN WRECK, ASKS \$15,000

Emma J. Palmateer has filed suit against the Portland Railway, Light & Power Company for \$15,000 damages for alleged personal injuries. The plaintiff alleges that while she was riding on one of the defendant's cars between Portland and Estacada June 21, 1912, the car struck a cow and was derailed. She avers that she was thrown from her seat and seriously cut and bruised. The plaintiff further alleges that the accident was due to negligence on the part of agents of the company. She says she is permanently injured. Brownell & Stone represent the plaintiff.

## LANE'S ELECTION ALMOST ASSURED

With receipt of complete returns from every county in the state excepting Curry and Lake, Dr. Harry Lane's election to the United States Senate was given additional surety Friday. The count now gives Lane 36,247 to 34,748 for Selling, his nearest competitor.

Lane's lead over Bourne is 11,871, while Selling has beaten Bourne in the state by 10,372. This latter fact is of particular interest among the betting fraternity, as much money was wagered that Selling would have a lead of 10,000 over Bourne.

## SHEAHAN "TACKLES" ALLEGED BURGLAR

Joseph Sheahan, son of William Sheahan, became a near hero Thursday night when he captured a man supposed to be a burglar on the front veranda at his home. The young man pounced upon the alleged intruder the same as he would pounce upon a man on the gridiron who was in the act of pulling off a forward pass. Mr. Sheahan had been visiting friends, and, upon returning home found Henry Yelkus, known as "Molalla Harry", an Indian, on the veranda. A front window was open and Mr. Sheahan at once decided that the man had been in the house. Yelkus was not only tackled but was battered somewhat. T. W. Sullivan, who lives near the Sheahan home, which is on Water Street, was attracted, and when he arrived the young gridiron hero was sitting on his prisoner. Night Policeman Cooke was called and arrested Yelkus. He is being held pending an investigation. An investigation revealed that a robber had entered the Sheahan home and ransacked several bureau drawers. Friends of Yelkus, however, assert that he is an honest man and happened to be upon the porch of the Sheahan home as a result of imbibing too much of the fluid that cheers and later clouds one's brain. Two attempts to enter the Sheahan home had been made before this one in the past month.

W. P. This machine will give the plant a capacity of between 50 and 60 tons a day. The building will be about 142 feet long and 40 feet wide. Mr. Hawley announced that work on the

Linn E. Jones, formerly a member of the Oregon Legislature, Friday announced that he would be an independent candidate for mayor at the December election. Petitions urging Mr. Jones to become a candidate have been signed by more than 500 voters and more signatures will be obtained. He is the first to announce for the office, and it is probable that he will not have opposition. Mayor Dimick, who is serving his fifth term, has not announced whether he will be a candidate to succeed himself, but friends say he has higher political ambitions. Judge Dimick was a candidate for the Republican nomination for Governor at the last

## COUNCIL TO CONSIDER FREIGHT FRANCHISE

The city council, at a special meeting, this evening, called by Mayor Dimick, will consider the proposed freight franchise of the Portland Railway, Light & Power Company. All members of the council are urged to be present. The franchise is one of the most important matters before the council and the taxpayers are taking an active interest in it.

At a meeting of the council Wednesday evening Councilman Tooze introduced a resolution, which was adopted, which provided for the Southern Pacific Company asking for a franchise for a right of way over Center Street. The resolution also suggested that the council compel the company to remove the wooden posts from under the track at Twelfth Street and remove all other obstructions in streets. The company also will be expected to pave the streets under its viaducts. A copy of the resolution was forwarded to the officials of the Southern Pacific Company.

## PETTY GIVES ANTLERS FINE MOUNTED ELK

James Petty, a capitalist of Oregon City, Friday presented the Oregon City Lodge of Elks a large elk headsomely mounted. Mr. Petty purchased the elk from Frank Bohnart, of Seaside, who killed the animal. Although Mr. Petty is not a member of the order of Elks he has many friends who are members, and they thoroughly appreciate the handsome gift. The elk has been placed in one of the most conspicuous places in the interior of the new home of the Elk lodge. While Mr. Petty would not say what the trophy cost it is understood that he paid Mr. Bohnart \$205 for it.
