

By proclamation of Governor West, Thursday, November 21, will be observed as Home Industries Day all over Oregon. Manufacturers and merchants are requested to be prepared to meet the demands for the products of the Oregon industries that will result from reaching all the people of Oregon in one day for the practical idea of getting behind the industries that are the foundation of our prosperity. Retail merchants should make a display of Made in Oregon Products on that day in their show windows and help educate the people to give support to their manufacturing establishments. Readers of this paper are requested to study the Made in Oregon in this paper and to call for household necessities, building materials, machinery or anything they need in the course of their business. Patronize the home merchant and home industries if you want Oregon to prosper and become prosperous yourself.
