Are You Not Paying Too Dearly For Your Material Progress?

By PIERRE LOTTI, French Author and Traveler

HAVE you not perhaps paid—are you not perhaps PAYING TOO DEARLY FOR YOUR MATERIAL PROGRESS? It is ill to lose the faculty of contemplation and the conditions of life that encourage it.

PROGRESS IN COMMERCE AND INDUSTRY YOU HAVE ACHIEVED TO A POINT WHICH OVERWHELMS, BUT I FEAR YOU HAVE ALLOWED YOURSELVES TO FORGET A PROGRESS WHICH IS TO BE PREFERRED TO THESE FORMS OF IT. THE KIND OF PROGRESS I MEAN RESULTS IN THE GREATEST HAPPINESS AND THE GREATEST LIBERTY.

Contemplative nations, like China and Turkey, in the early days of their history were HAPPIER than we with all the accompaniments of modern discovery. More and more, if these traditions of peace and inwardness are destroyed and the world learns to quicken its pace without corresponding deepening of thought, DECADENCE INEVITABLY SETS IN.

When you destroy a contemplative nation like Turkey or a group of revolutionary leaders tries to introduce new ideas it is as if a MONASTERY OF OLD TIME, which has been the symbol of quiet thought to men for ages, were suddenly to be effaced and its influence lost.

THE CONTEMPLATIVE NATIONS REPRESENT AMONG THE NATIONS OF THE WORLD WHAT THE CHURCHES AND THE MONASTRIES STAND FOR IN THE INDIVIDUAL NATION. THEY ARE THE ALWAYS LIVING EXAMPLES OF HUMAN THOUGHT AND THE IDEAL.

As time passes these monuments of the older civilization are more and more inspiring for those who respect the wonderful meaning of tradition.

TO THINK IS ITSELF A FORM OF ACTION, AND, IN A SENSE, A SUPERIOR FORM OF IT. IT IS THIS DISCOVERY WHICH AMERICA COULD MAKE WITH SUPREME ADVANTAGE TO HERSELF.

Bulgarian Troops Off to Front; Ox Teams For Turkish Army

BULGARIAN troops started their campaign against the Turks in a successful march toward Adrianople, the Turkish stronghold on the Macedonian frontier. The Bulgars are fighting men, hardy on the march and relentless in battle. King Ferdinand's army has been raised to a high point of efficiency. A Bulgarian regiment is herewith shown starting for the front. That ancient custom in war rub elbows with modern, as far as Turkey is concerned, is evinced by the other illustration, which shows an ox team used for army transportation. Yet the Turks have adopted army aeroplanes and have had officers trained in England.
