DISTRICT ATTORNEY SEEKS DIVORCE HERE

F. S. Ivanhoe, district attorney at La Grande, Or., has filed suit for divorce here against Mrs. A. E. Ivanhoe, alleging cruelty. The plaintiff avers that his wife frequently accused him of infidelity and once charged that she witnessed an attempt by him to commit murder. Several days after the complaint was filed the plaintiff filed a motion asking that it be dismissed, but the Circuit Judge has not acted upon it. The Ivanhoses were married in Boise City May 16, 1887 and have two grown children, Forest 24 years of age, and Lytton, 22 years of age. The plaintiff alleges that his wife continually found fault with him and that finally April 20, 1907, he was forced to leave her. He says that he owns block 19 in Coggan's Addition to La Grande and that the defendant has an equity of \$2,000 including a house she has erected on it. He asks that he be declared the owner of the property with the exception of the equity of the defendant.

HELEN SMITH, HIT BY ROBBER, RECOVERS

Miss Helen Smith, daughter of Peter Smith, who was knocked senseless by a housebreaker Saturday evening, was much improved Monday, and her physician, Dr. M. C. Strickland, said she was in no danger. The wound was not serious, but the young woman suffered severely from shock and fright. She was hysterical for several hours after the attack. Miss Smith, who was alone in her home, was playing a piano when the man knocked at the door to the parlor. As she opened the door he knocked her down. He tore rings from her fingers and stole all the silverware in the house. Much of the silverware was found wrapped in a cloth near the Smith home. The man was described as being about six feet tall and wearing a black hat. Sheriff Mass and the Oregon City police are searching for him.

CHIEF ENGINEER INSPECTS LOCKS

Brigadier General W. H. Bixby, chief engineer of the United States Army, accompanied by Major J. F. McIndoe, chief of army engineers in the Northwest, and E. Burslem Thomson, assistant United States Engineer, inspected the locks at the Falls of the Willamette Saturday. General Bixby came here to determine the feasibility of making a channel six feet deep from Portland to Eugene and to have the locks transferred to the government as soon as possible in order to abrogate the collection of tolls. The chief engineer and his party declined an invitation to have luncheon with a Commercial Club Committee, declaring that they wished to devote all the time possible making an investigation for the proposed work.

OFFICIAL VOTE DOES NOT MAKE CHANGE IN RESULT

The official count for Clackamas County on the measures voted on at the general election November 5 has been completed. As in many other counties of the state, the largest affirmative vote on any measure is on the constitutional amendment increasing the liability of stockholders in banking corporations, and the lightest affirmative vote is registered on the bill to create a hotel inspector. EUROPEAN POWERS HOLD CONFERENCE

ARMY STAFF CONFERENCE WITH KING AND WAR MINISTER
 BALKAN KINGS MAKE PROPOSALS
 President of Bulgarian Chamber of Deputies in Vienna Confering With Emperor Francis Joseph

VIENNA, Nov. 12.—Continuous audiences between Emperor Francis Joseph and the Austro-Hungarian Minister of War and the general staff of the army are believed to portend a definite step soon by Austria in regard to the Balkan situation.

Dr. S. Daneff, President of the Bulgarian Chamber of Deputies, is here, bearing, it is said, proposals from King Ferdinand and King Peter connected with Serbia's desire for a port on the Adriatic Sea.

To these significant occurrences are added the arrival at Budapest of Archduke Francis Ferdinand, the heir to the Austro-Hungarian throne, and his forthcoming visit to the German Emperor.

Dr. Daneff also is supposed to be empowered to make special agreement with Austria-Hungary concerning Bulgarian interests and Roumanian claims.

A local newspaper, the Sonn und Montags Zeitung, sums up the position of the Austro-Hungarian Empire in the Balkan question in the following points:

1. Assured and unrestricted facilities for access to the Eastern markets and free commercial transit to Saloniki.
2. The integrity of Albania.
3. The protection of Austria-Hungary's political interests by the creation of local relations with Serbia and the exclusion of political antagonism.
4. Compensation for Roumania.

BEATIE AND HARDING ASK APPOINTMENTS

FRIENDS URGE JUDGE FOR MARSHAL AND DRUGGIST FOR POSTMASTER
 APPLICANTS STAUNCH DEMOCRATS
 Head of County Court Given Credit for Bringing Party into Power in Clackamas County

R. B. Beatie, county judge, and George A. Harding, one of the prominent pioneers of this city, have announced that they would be applicants for the offices of United States Marshal and Postmaster of Oregon City respectively.

Dr. S. Daneff, President of the Bulgarian Chamber of Deputies, is here, bearing, it is said, proposals from King Ferdinand and King Peter connected with Serbia's desire for a port on the Adriatic Sea.

George A. Harding, Oregon pioneer, and staunch Democrat, who will be applicant for Oregon City Postmaster.

No Democrat in Clackamas County has more friends than Judge Beatie. He has been regarded as the leading member of his party here for more than 20 years and his friends declare that he is the logical man for the United States Marshalship under the Wilson administration. He was born and reared in this county, moving to Pendleton, in 1887. From there he went to Alaska, returning to Oregon City in 1899. He was the Democratic nominee for sheriff in 1906, winning by 82 votes. He was one of the first Democrats elected to an important office in the county. Judge Beatie was re-elected sheriff in 1908 by a majority of 1172 and in 1910 was elected county judge by a majority of 1132. He was an ardent supporter of W. J. Bryan in all the Commoner's races for the presidency and contributed liberally to the campaigns. He also was a contributor to the Wilson campaign. Friends of Judge Beatie give him credit for having done more for the Democracy in this county than any other man, and declare it was his popularity and hard work that made it possible for the party to elect men

Clackamas Southern Railway Company Issues Letter

To the People of Clackamas County:

The Clackamas Southern Railway Co. will be ready to begin laying the track from Oregon City to Beaver Creek, as soon as the rails arrive that have been ordered. We desire to lay them down immediately and ballast the tract so that we can begin to bring in logs and cord-wood and make the road pay from the very start. We have more than \$53,000.00 of stock subscribed that is unused, but this we are unable to use except for grading and bridges, under our contracts with the subscribers.

It will require \$10,000.00 to lay the steel and ballast the road from Oregon City to Beaver Creek, and in order to do that we must sell this additional small amount of stock.

One business man in Oregon City has taken \$1000.00 of the above amount, and two others have taken \$500.00 each, and we believe this sum should be raised in a few days time, as it is sold at \$50.00 per share, with a par value of \$100.00. This road is now a success and we feel that Oregon City will help place the first six miles in active operation. Your investment would be safe, and at the same time greatly aid Clackamas County and Oregon City.

You will not be called on to pay one dollar of the amount until the track is laid two miles and rails are here for the full six miles.

We are confident you will do your best and help this splendid enterprise, and at the same time make a safe investment, by taking a portion of the amount to be raised.

The Company has about Twenty Thousand Dollars (\$20,000) of stock subscribed in addition to the Fifty-Three (\$53,000) Dollars above mentioned, for grades and bridges which have not as yet been accepted by the Company, but which will be accepted when terms are agreed upon.

If you desire the immediate completion of this road to Beaver Creek which will insure the remainder of the line in a few months time, we ask you to come forward and accomplish two things at one time. First, help Oregon City and Clackamas County; second, make a good, safe, sane, investment that will net you good returns.

If you are interested and desire to help the Board of Directors and the other stock-holders of this County, we ask you to sign the following stock subscription contract and mail it to the Secretary, and when this first six miles of road has been completed you will say to yourself, "I am proud of assisting one of the greatest enterprises ever inaugurated in Clackamas County and at the same time made a safe, sane and honorable investment."

Oregon City, Oregon November 12, 1912.

In consideration of the delivery to me of _____ shares of the capital stock of the Clackamas Southern Railway Co. at \$50.00 per share (fully paid and non-assessable) by W. A. Huntley Trustee, I hereby agree to pay therefor the sum of \$_____ to said W. A. Huntley, Trustee, and Treasurer of said Company, when the track is laid from Oregon City, southerly a distance of two miles in and along the present grade of said Clackamas Southern Railway, and the rails are in Oregon City for the remainder of the distance from Oregon City to Beaver Creek, a distance of six miles.

Dated this _____, 1912.

Connections are now being made with the line of the Portland Railway, Light & Power Co., so that cord-wood, lumber, piling and other timber can be sent direct to the Portland market and the money derived therefrom will be scattered over that part of the County tributary to the road and be a great benefit not only to the people along the line, but those engaged in other lines of business.

Remember you don't have to pay one dollar of this subscription until you see the rails laid down for a distance of two miles and the remainder of the rails on the ground for the full six miles of track.

Do not allow paid knockers of antagonistic interests to warp your judgment or interfere with the completion of this enterprise owned and controlled by our own home people.

Address all communications to Clackamas Southern Railway Co., Oregon City, Oregon.

Respectfully submitted,
 CLACKAMAS SOUTHERN RAILWAY COMPANY.
 By G. B. DIMICK, Secretary.

At the suggestion of the superintendent it was decided to invite as speakers at the assemblies this year teachers of the Oregon Agricultural College, the state university Monmouth Normal School, the directors of the Oregon City School Board, the pastors of the city, representatives of the Portland Young Men's Christian Association, C. E. Spence, master of the state Grange, County School Superintendent Gary, Gilbert L. Hedges and State Senator Walter A. Dimick.
