A SMART FALL HAT.

A tailored hat, being as a rule the first millinery consideration of the season, is shown above in this drawing, from sketch recently made in a smart shop. The lines are those of the conservative, close-fitting model promised us for the season, with smartly rolled brim and bowl shaped crown. It is of soft grey felt and has no trimmings save the novelty feather ornament and wings to the right of the front. Hats of this felt defy rain and weather and are consequently the most practical for wear with the every day street suit.

CATTLE RECEIPTS LIGHT; QUALITY GOOD

The Portland Union Stock Yards Company reports as follows: Receipts for the week have been cattle 676; calves 65; hogs 278; sheep 6734. Horses and mules 113.

Cattle receipts have been of light volume this week, most of the stuff received being cows and heifers, well finished and of good quality. Choice steers are in demand, but prices about the same as a week ago, however, prices will improve now since the heavy liquidation has discontinued. Heifers range from \$5.85 to \$6.00 and a few extra choice were up to \$6.25, but this could not be obtained for any large bunch. There is a good demand for bulls and light veal calves.

The arrivals of hogs have not been as heavy as last week, consequently the price jumped up 10c since last Monday's opening. Top hogs are selling at \$7.85 with the prospect of a steady market.

With an increase in the receipts of sheep and lambs over last week, top lambs are selling from \$5.75 to \$5.85. Best wethers \$4.50 to \$4.55. Ewes \$3.00 to \$3.55.

Entries from all breeds of dairy animals have been coming in by every mail and the catalogue will be ready for the press this week, giving full list and classification. This will be the best show of the kind ever attempted this side of Chicago and besides the coat entries, several hundred head of animals entered at the Chicago show will be in attendance.
