SHAPIRO TURNS STATE'S EVIDENCE

"GYP THE BLOOD" DIRECTED FLIGHT AFTER MURDER WAS COMMITTED

CHAUFFEUR IDENTIFIES FOUR GUNMEN

Shapiro Admitted He Had Told falsehood Before Deputy Police Commissioner But Fear Had Sealed His Lips

NEW YORK, Nov. 12.—William Shapiro, co-defendant of the four gunmen indicted as the actual slayers of the gambler, Herman Rosenthal, turned state's evidence today.

Testifying at the gunmen's trial for murder, Shapiro identified the quartet, "Lefty Louie," "Gyp the Blood," "Whitey" Lewis and "Dago" Frank Crofca as his passengers in the "murder car," which he drove to the Hotel Metropole, where Rosenthal was killed. He saw them get out of the machine, he said, heard the shots fired, and declared that when they came back to the machine they had revolvers in their hands.

"Gyp the Blood" Shapiro said, "had placed a revolver to his head and ordered him to 'hurry up and drive away.' He had heard 'Dago Frank' say he testified, that Police Lieutenant Becker, since convicted of instigating the murder, had 'fixed the cops.'"

Shapiro's appearance as state witness, was one of the results, according to District Attorney Whitman, of the death of "Big Jack" Zelig, leader of the gang of East Side thugs to which the four gunmen belonged. Shapiro testified on the stand today that he had refused to identify the gunmen through fear of being killed. "Shapiro told me," Mr. Whitman explained after court adjourned, "that he was afraid that if he testified against the gunmen, 'Big Jack' Zelig would have him 'croaked.'"

"When Zelig was killed, Shapiro got his nerve back and decided to tell the truth."

Mr. Whitman added that the indictment against Shapiro probably would be dismissed.

HARRINGTON-PIERCE NUPTIALS BEAUTIFUL

One of the prettiest weddings ever solemnized in Clackamas County, was that of Miss Wava Harrington, youngest daughter of Mr. and Mrs. Edward Harrington, and T. S. Pierce, at the home of the bride in Gladstone Saturday evening. The Harrington home was beautifully decorated with green and white and the ceremony was performed under a canopy trimmed with ferns, Oregon grape and ivy. Rev. W. T. Milliken, of the Oregon City Baptist Church, was the officiating clergyman. The bride, who was stunningly gowned in pan satin and carried a bouquet of bride's roses, orchids and lilies of the valley, was escorted by her father, Miss Pearl Harrington, sister of the bride, and bridesmaid, Miss Iva Harrington, and her sister, Mrs. John Copley, of The Dalles, received the guests most graciously. The best man was John Pierce, brother of the bridegroom. After the ceremony a delicious supper was served, after which Mr. and Mrs. Pierce left for San Francisco and Southern California where they will spend their honeymoon. Rudolph A. Kuner rendered Mendelssohn's wedding march and a duet was rendered by Mr. Nad and Mrs. T. A. Burke. Garland Hollowell rendered a solo.

Probably no couple in Clackamas County for years has received as many and as handsome presents as those received by Mr. and Mrs. Pierce. The silverware was especially fine. Among those present and who partook of the wedding supper were the following: Pearl E. Harrington, John Pierce, W. S. Milliken, Viola Morris, Godfrey J. M. Heckart, Nora Heckart, Mrs. Helen Sherman, W. J. Sherman, Gaylord G. Godfrey, Rudolph A. Kuner, Blanch Wallace, Emma Hamilton, Ray S. Walsh, J. N. Harrington, Harriett Spulack, Isabel M. Wallace, Arthur T. Brown, H. M. Pierce, Clara Robbins, Ona M. Reimer, Homer Harrington, H. E. Foulger, Mrs. Nettie Welsh, Francis Walsh, T. E. Burke, Mrs. T. A. Burke, Vurgil H. Epps, Hazel Ford, Carrie Pierce, LeGrand M. Baldwin, Irene Moore, Garland E. Hollowell, G. W. Harrington, J. J. Burgess, Mrs. George Harrington, Roselyn R. Robbins, Iva M. Harrington, Misses Kate Aletha and Maggie Harrington, Gertrude Hamilton, Mrs. L. A. Forshner, Mrs. G. W. Church, Mrs. Marie Harrington Copley and John Harrington Copley.

Mr. and Mrs. Pierce will live in Olympia, Wash., in the winter and in Dawson, Alaska, where the bridegroom is connected with the Northern Navigation Company in the summer.

WIRES HEAR LAND POLICY RAPPED

HEAD OF CONGRESS IN OREGON WANTS STATES TO GET REVENUE

MAHONE GOING TO CAPITAL TO WORK

Teal is Urged for New Secretary of Interior—Stipp Thinks Ex-Justice King Better Man

Declaring that public lands should be leased for the benefit of the states, and opposing the Pinchot policy of leasing them for the benefit of the United States, L. D. Mahone, secretary of the Oregon Mining Congress, made a forceful address Tuesday at the luncheon of the Live Wires. He said he opposed the Pinchot policy for several reasons and cited instances of two middle western states having supported the public schools and a university with money derived from leasing public lands. It has not been necessary, according to the speaker, in these states to raise school money by direct taxation the past two years. Mr. Mahone said he would go to Washington in a few days to oppose the measures. He will have a conference with Secretary of the Interior Fisher and other prominent government officials.

Livy Stipp referred to the possibility of J. N. Teal, of Portland, being appointed Secretary of the Interior in the Wilson administration. He said Teal had a thorough knowledge of water powers, but the speaker doubted whether his knowledge of land conservation was as thorough as it might be. He thought W. R. King, ex-justice of the Oregon Supreme Court would make a better man for the place, if an Oregonian was to be appointed. Mr. Mahone differed with Mr. Stipp, declaring that Mr. Teal was the more competent of the two. B. T. McCain told of Brigadier General Ely, chief engineer of the United States Army and Major J. F. McIndoe having visited the locks at the Falls of the Willamette. Mr. McCain said the plan was to transfer the locks to the government as soon as possible in order to dispense with the tolls.

Recorder Stipp Tuesday fined J. P. Schroeder \$10, Rudolph Schroeder \$5, C. C. Schroeder \$5, Milton Price \$5, and W. M. Osborn \$5 as the result of an altercation on the street several days ago. Fred Haynes, who was implicated did not put in appearance, being employed in Portland. The Schroeders are said to have had an altercation with a brother of Price earlier in the day. When they met him on the street they thought he was their foe and attacked him. Price, who fought back, is said by witnesses to have acted in self defense. Haynes sustained a broken nose. E. L. Shaw made the arrests.

The defendant will be tried before City Recorder Stipp this morning at 10 o'clock.

BOY'S LEG FRACTURED WHILE HE'S BOXING

A peculiar accident occurred in Jennings Lodge Monday evening, when George Michalodorf, who was engaged in a friendly bout with a friend, sustained a fracture of his left leg. The lad had struck a blow and was in the act of stepping back when his foot caught on a board and broke his leg near the ankle. The boy's father, who lives in Portland, was called over the telephone but refused to render any aid. The boy was rendered medical aid by the county physician and is in charge of the county.

JURY CAN'T AGREE IN STRUCKEN SUIT

A jury in Circuit Judge Campbell's Court was unable to agree upon a verdict Tuesday afternoon and evening in the suit of C. Stucken, recently charged with the murder of E. T. Mass, Sheriff. The defendant in reality is the Merchant's Protective Association which provided a bond of \$3,500 for the protection of the sheriff. Judge Campbell instructed the jury that in case a verdict was agreed upon to seal the paper and return it today. Strucken was the owner of merchandise at Sandy, which had changed hands several times before he bought it. The Merchant's Protective Association sued out a writ of attachment against George Ketch, a former owner under a law which provides when the owner of a store sells out he must give all creditors five days' notice and make an affidavit to that effect. Sheriff Mass closed the store on the writ of attachment, and at a sheriff's trial a verdict was returned in favor of the defendant. The protective association gave the \$3,500 bond to continue the prosecution. A sheriff's sale yielded about \$600. Stucken is represented by Dimick & Dimick, and the defendant by Angeil & Fisher.

'WE'RE READY TO VOTE,' SAY WOMEN

MESDAMES TOOZE, EBERLY AND ANDREWS ADDRESS BROTHERHOOD

FAIR SPEAKERS LAUDED BY THE MEN

"We Have Studied Ballots and Questions at Issue," Declare Women, "And We Can Vote Intelligently"

The members of the Presbyterian Brotherhood listened Tuesday evening to the women tell how they intended to use the ballot at the next election. They told the men that they had studied the ballot for some time and were able to vote intelligently on all matters that would come before them. Before voting they declared they would give each subject to be voted on careful consideration and that they would vote independently and they would show interest in the home and vote to improve moral conditions. Among the women who spoke were Mrs. F. J. Tooze, Mrs. George Eberly, Mrs. Edward Andrews and Mrs. C. Schuebel. The women made convincing arguments and their talks were filled with brilliant humor. After the women had completed their talks Rev. J. R. Landaborough, F. J. Tooze, C. Schuebel and H. R. Phingsten spoke on the Suffrage question and lauded the women on their ability to speak, asserting they had made better speeches than the men could have made on that subject. A supper was served by the women before the meeting and an orchestra played several selections.

'HELLO!' SAYS 'PHONE CO. 'CHARGE TOO BIG'

The Home Telephone Company filed an objection at a meeting of the City Council of Gladstone Tuesday evening to a rate fixed by the council at a recent meeting. The city council held that the telephone company should pay fifty cents a year for each telephone in use in Gladstone to pay for its franchise. The telephone company alleges this rate is exorbitant. The council did not act on the objection at the meeting. It was decided that in the future the ordinance prohibiting stock from running at large in Gladstone be enforced.

An ordinance for the improvement of Arlington Street was passed and the contract for this work is to be let in the near future.

E. L. Shaw Given Vote of Thanks for Treatment of Dogs in Pound—Harding Is Again Honored

Miss Anita McCarver, one of the organizers of the Oregon City Humane Society, was elected president for the fourteenth consecutive year at a meeting of the organization in the Bank of Oregon City Tuesday evening. Miss McCarver was the first president of the society, and her work has been of such high order that the members would not listen to any suggestion that she retire from its head. Other Officers elected to serve for the ensuing year are as follows:

Vice President—George A. Harding, Secretary—Mrs. E. G. Caulfield.

Treasurer—E. G. Caulfield. Directors to serve for three years—John Humphrey, Percy Caulfield, and Adam Wilkinson. The directors whose terms have not expired are Mrs. George A. Harding, George A. Harding, Mrs. E. G. Caulfield, Mrs. Adam Wilkinson, Miss Anita McCarver and Miss Nan Cochran.

The attendance was larger than at any previous meeting and members were enthusiastic over the work accomplished. Twenty-three complaints of cruelty were received during the year and letters of warning were sent to the persons accused with good results. A vote of thanks was extended E. L. Shaw for making every effort to find homes for dogs taken to the pound, instead of having them summarily disposed of as has been the custom before. The society especially appreciated the work of Mr. Shaw in having auction sales of dogs which has had such good results.

It was recommended that the society provide drinking fountains in Elyville and on Twelfth Street. They probably will be installed the coming summer. The treasurer's report showed that there was \$67.42 in the treasury.
