

A GIGANTIC SALE!

REORGANIZATION OF THE J. LEVITT STORE

We are going to reorganize for the purpose of opening a chain of stores. In order to do this we must lower our stock to the lowest possible ebb and turn it into cash. We will cut the heart out of the prices in order to move the stock rapidly. The store is crowded with thousands and thousands of dollars worth of this season's merchandise. This tremendous stock must be sold and turned into cash. **THE SACRIFICE WILL BE CLEAN TO THE CORE.** The cash must be raised. The greatest buying opportunity ever offered the public.
