Men In Petticoats.

The petticoat was first worn exclusively by men. In the reign of King Henry VII. the dress of the English was so fantastic and absurd that it was difficult to distinguish one sex from the other. In the inventory of Henry V. appears a "petticout of red damask, with open sleeves." There is no mention of a woman's petticoat before the Tudor period.

He was in a happy mood at his Princeton (N J.) home as the telegrams and letters of congratulations rained upon him; also the president elect is shown with his wife and their three daughters, who from left to right are Jessie, Eleanor and Margaret. Much interest attaches to these young ladies, and already there is speculation as to which will be the first White House bride after March 4, 1913.

THE FIRST GRAY HAIR SIGN OF AGE

EASY WAY TO PRESERVE NATU-RAL COLOR OF THE HAIR AND MAKE IT GROW

A harmless remedy, made from common garden sage, quickly restores gray har, to prevent it from losing its color hair, to prevent it from losing its color and lustre, is just as important as to care for teeth to keep them from dis-coloring. Why spend money for cosmetics and creams to improve the com plexion, and yet neglect your hair, when gray hair is even more conspic uous and suggestive of age than wrinkles or a poor complexion? Of the two it is easier to preserve the natural co-lor and beauty of the Hair than it is to

have a good complexion.

All that is necessary is the occasional use of Wythe's Sage and Sulphur Hair Remedy, a preparation of common garden Sage and Sulphur, combin ed with other valuable remedies for dry, harsh, faded hair, dandruff, itching scalp and falling hair. After a few applications of this simple, harmless remedy, your hair will gradually be re stored to its natural color, in a short time the dandruff will be removed. and your hair will no longer come out but will start to grow as Nature intended it should.

Don't neglect your hair, for it goes further than anything else to make or mar your good looks. You can buy this remedy at any drug store for fifty cents a bottle, and your druggist will give you your money back if you are not satisfied after using. Purchase a bottle today. You will never regret it when you realize the difference it will make in your appearence.

Willie (handing his uncle a bottle of glue-I hope you will have a very happy birthday, Uncle Dick. Uncle Dick-Thank you, little man. But what is this for? Willie-Oh, I thought you would be so pleased with it. I heard papa say the other night that you never could make your stories stick together.
