RESTORE GRAY HAIR TO NATURAL COLOR

BY COMMON GARDEN SAGE A SIMPLE REMEDY FOR DANDRUFF, FALLING, FADED, GRAY HAIR

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea" which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who have placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp, and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh faded hair, when a simple, harmless remedy will bring back the color in a few days and don't be tormented with dandruff, itching scalp and loose, falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles and give color, strength and beauty to your hair.

ST. PAUL'S PLANS CHRISTMAS FOR POOR

The Brotherhood of St. Paul's Episcopal Church last Christmas attempted

twelve miles into the country. We took care of three families in the Logan and Springwater country, families in Mount Pleasant, and one family in Willamette also three children in Gladstone. There was about one hundred names submitted to us, all of which were carefully investigated and no presents or money were sent to the un-needy or to parties who were being provided for from other sources. We paid absolutely no attention to creeds, and provided Christmas for children belonging to the Roman Catholic, Baptist, Methodist and other churches besides our own. We also provided one destitute family consisting of a father and two boys with fifteen dollars worth of groceries to aid them in bringing the father back to health, he had been sick for a long time with typhoid fever.
