**DOUBLE S. & H. GREEN TRADING STAMPS**  
**ALL DAY TODAY**

GIVEN BY OREGON CITY'S LEADING STORES

**GORGEOUS PREMIUMS Easily Procured!**

The American people are the most exacting of all nations. Unless a thing is beyond criticism, unless all claims for it are justified this great American jury will condemn it. On the other hand, if a thing has proved its worth, if promises made are fulfilled, no people are more ready or willing to grant their endorsement. For fourteen years the American public has freely and openly sanctioned S. & H. Green Stamps. They have been quick to recognize the splendid benefits which they may easily derive from this famous profit-sharing plan. In searching for a method with which to share profits with our patrons, it is but proper that we should decide upon the FAIREST, SQUAREST and BEST MEANS. Type will not adequately describe the Magnificent Premiums that are at the disposal of all who collect S. & H. stamps. To be properly appreciated they must be SEEN. The Sperry & Hutchinson Co. maintain a splendid exhibit of them at BANNON & CO.'S store, Oregon City. You are cordially invited to frequently visit and inspect them. Cut out the various Coupons printed below, present them to the different stores. Each coupon entitles you to Ten (10) S. & H. stamps FREE with a purchase of fifty cents or over, in addition to the double stamps which you are entitled to today. Coupons are good until December 31st.
