Dave Shepard came nearly losing his team in the ditch south of the water tank Saturday evening. Dave has been in the habit of driving his team and wagon in there to wash them off. Saturday evening one of them slipped and tripped the other, both horses went down. The water was about four feet deep. All Dave could do was to hold the horses heads out of the water while as luck would have it, Orville Weddows passed by driving his cows home. Orville ran for help and by the timely aid of six or eight men with ropes they got the horses out. Dave says he will not try it again.

LIVE ROAD MEETING IS HELD AT WILHOIT

WILHOIT, Dec. 17 .- One of the liveliest and most interesting elections was pulled off at Wilholt Saturday. Dec. 14, since the famous Wilholt Springs, were discovered. The contestants were Len Shanks and Al. Groshong for the high honor of road supervisor. One o'clock p. m. was the time set for the great srimmage but long before that hour, the patriots from Missourie Ridge, Rock Creek, and the Big Burn began pouring into Wilhoit in great numbers, and the suffragettes were there in a very conspicious number too. The suffragettes gave some very interesting pointers on road building. rules of etiquette were principally laid aside: it being more conveneith for the suffragettes to speak sitting, as two or more could speak at once,

bullseyes hit for a five-mill tax, and one for no tax. The second volley was 113 ballots fired point blank at Shanks and Groshong-Groshong got hit 35 times while Shanks got riddled 75 times. Frank Gray got hit with five stray ballots. Shanks is now the bigh high muck-a-muck, for another term.

After the first volley of ballots were

fired, the secretary announced 85

SAGE TEA WILL DARKEN THE HAIR

RESTORE FADED AND GRAY HAIR TO NATURAL COLOR-DAND-RUFF JUICKLY REMOVED

There is nothing new about the idea of using sage for restoring the color of the hair. Our grandmothers kept their hair dark, glossy and abundant by the use of a simple "Sage Tea." Whenever their hair fell ont or took on a dull, faded or streaked appearance, they made a brew of Sage leaves, and applied it to their hair

with wonderfully beneficial effect. Nowadays we don't have to resort to the old-time tiresome method of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves; and all we have to do is to call for the ready-made product. Wyth's Sage and Sulphur Hair Remedy, containing addition of Sulphur another old-time scalp remedy.

This preparation gives youthful color and beauty to the hair, and is one of the best remedies you can use for dandruff, dry, feverish, itching scalp, and falling hair. Get a fifty cent bottle from your druggist today, and you will be surprised at the quick results. All druggists sell it, under the guarantee that the money will be refunded
