tailor for his suit or overcoat, then see our immense line of woolens before you place your order. It consists of over 400 of the most fashionable and best pieces of cloth the market can produce. Controlling our own mills, and buying our trimmings in tremendous quan tities with which to make our clothes to order, we are in a position to do what the small tailor can NOT do and make a living. Besides, our Company has the necessary cash with which to take advantage of all inducements offered in the market; whereas we do a strictly Cash business, and therefore do not make you pay for the losses on the credit customer. For these and other reasons we make a suit or overcoat to your individual measure for

-which others can not produce for less than from \$30.00 to \$35.00 We make them right, trim them right, and above all fit you right. We guarantee this or do not want you to take the clothes. Can you ask for anything more? Don't be a ready-made man, but have your clothes made to your special order. Get that distinction, style and proper fit which gives tone to your individuality. A trial will mean money saved by you, and a steady customer to us.
