WILSON TO FIGHT FOR GREATER UNION

PRESIDENT-ELECT DECLARES THERE CAN BE NO DIVISION IN COUNTRY

SECTIONAL FEELING AT LAST GONE

Man Elected to Succeed Taft Announces Plans for Future at Place of His Birth

STANTON, Va., Dec. 28.—President-elect Wilson, by birth a Virginian, but by adoption a son of New Jersey, proclaimed today the hope that his administration might mean the final obliteration of everything that in the past divided the North and the South.

"I suggest an added significance to the occasion," said Governor Wilson, in presenting the greetings of New Jersey to Virginia, "because it is a son of the South who brings the greetings of the North."

Standing on the porch of Mary Baldwin Seminary, in the chapel of which he was baptized, the President-elect spoke to a crowd gathered from far and wide on the occasion of his return to his native town on his 56th birthday anniversary.

While Mr. Wilson spoke with feeling of his hopes for a spirit of reunion that would recognize "neither region nor section, nor North nor South," he talked significantly of his future course in politics, with particular reference to the conduct of business.

The presidency, the Governor said, he regarded "as an office in which a man must put on his war paint," but he added that his visage was such that he "did not mind marring it, for a man can keep his manners and still fight."

A great many men who have taken the narrow view of legislation for sectional advantage would have to be mastered, the Governor pointed out, in order, "that they may be the instruments of justice and mercy."

To the business men of the country he held out also the appeal that serving the Nation meant giving full value for value received, and remarked that in past decades too much of the fortune making had "consisted of getting something for nothing." The Governor said that he had no quarrel with the free exercise of brains in business, but he objected to brains that established "an airtight isolation" or monopoly into which no competition could enter.

SPECIAL EDITION LAUDED BY CLUB

"OREGON CITY PUBLICITY" GIVES SUPPORT TO BIG PROGRESS NUMBER

MORE MERCHANTS TO SHARE RESULTS

"We Intend to Secure Copies to Send to Each of Our Readers," Says Editorial in Paper

Commenting editorially upon the forthcoming Progress and Anniversary Edition of the Morning Enterprise, the December number of "Oregon City Publicity," the official publication of the Oregon City Commercial Club, takes occasion to hand us a few bouquets upon last year's efforts and predicts a successful issue for January, 1913.

Since the Commercial Club, through its Publicity Committee, was one of the most liberal supporters of our Anniversary number last year, and was apparently so well pleased with the results accomplished that it voluntarily renewed its order this year, the Enterprise appreciates such an expression. The editorial was as follows:

"The Oregon City Enterprise is preparing to publish their annual 'Progress Edition' about January 15, 1913. We wish them success again this year and feel quite sure that this book will be another fine piece of work—as it was last year.

"We intend to secure enough copies to send one to each of our readers. We appreciate the efforts of the Enterprise in publishing an annual special edition and extend our hearty support."

THE OUTLET

PERPETRATED BY WALT McDUGALL

ABERDEEN, Wash., Dec. 28.—Heroic work by the Westport lifesaving crew saved the officers and men, 30 in all, of the British four-masted bark *Torridale*, which went ashore near the entrance to Grays Harbor early today. It was the fate of the crew to realize that they were drifting to a most certain death. Seven hours' work in a life-boat in one of the worst seas ever known was the form of Providence that saved Captain Collins and his men.

ST. PAUL'S XMAS FESTIVAL PLEASURES

The Sunday school of St. Paul's Episcopal Church held its Christmas Festival Saturday night. The Cantata, "A Garden of the Christmas Fairy" was presented under the direction of Miss Marion Lethwaite and Oscar Woodfin at the piano. It was a big success. The following children took part:

Christmas Fairy—Alice Holman.
Fairies—Velma Randall, May Tobin, Geraldine Schwab, Mable Dawson.
Children—Lune Scott, Helen Lovett, Rhoda Dawson, Maideen Blanchard, Winnie Smith, Leola Smith, Edith Hazell, Hilda Sheahan, Alice Dawson, Gene Kenney, Avalma Fuller, Edna Rockwell.

After the cantata the Rev. C. W. Robinson, rector of the church, told the children an interesting Christmas story. Each child was presented with a box of candy and oranges and figs. Afterwards the children and others enjoyed dancing and music.

Miss Alice Holman as the Christmas fairy in the cantata received much applause for her more than excellent rendition of Ethel Rowland's famous cantata.

MRS. NAOMI HAWLEY TO BE BURIED IN INDIANAPOLIS

SOCIAL MEETING AIDS FUND FOR SIDEWALK

A delightful program was rendered at a social meeting of the Mount Pleasant Improvement Club Saturday evening. The meeting was held at the schoolhouse and the attendance was much larger than at any of the previous meetings. An interesting program was rendered and refreshments served. The proceeds were sufficient to make certain the building of the sidewalk between Mount Pleasant and Oregon City. The sidewalk which is now in a dilapidated condition cost about \$400 and it has been decided to build a new one the entire distance. Work will be started in a few days and the walk will be completed early in the summer. The club will hold its regular meeting next Tuesday night when plans for raising the remainder of the money will be discussed.

STREET CAR MEN HAVE FINE ENTERTAINMENT

A delightful entertainment under the auspices of the Association of Mechanical Employees of the Portland Railway, Light & Power Company, was given Saturday evening in the big auditorium at the Oaks. More than 150 residents of Oregon City attended, and Kenneth Woodward, son of R. E. Woodward, sang delightfully. His first song was, "She was a Grand Old Lady." The young man responded to an encore. Refreshments were served and afterward many of those present indulged in skating and dancing. At least 2,000 persons were present.

38 LABOR HEADS FOUND GUILTY

MEN CHARGED WITH DYNAMITE PLOTS MUST SERVE LONG TERMS

EXCITED CROWDS AWAIT VERDICT

Wives of Men Weep When Announcement is Made and Urge Husbands to Have Courage

INDIANAPOLIS, Dec. 28. Thirty-eight of the 40 labor leaders were found guilty, in a verdict returned today, of complicity in the plots to blow up the works where it was impossible to organize a union, one of which resulted in the death of 21 persons in the Los Angeles Times building. Each of the 38 was found guilty of all the counts in the indictment and is liable to a maximum term of 39 1-2 years imprisonment. The two acquitted are Herman Seiffert, of Milwaukee, and Daniel Buckley, of Davenport, Ia. Scenes of excitement in the crowds on the streets awaiting the verdicts and a great variety of attitudes of men on trial marked the tension as the jury filed into the courtroom at 10 o'clock this morning.

Upon the announcement of the verdicts, wives of the men wept while one shouted to her husband to have courage, as the punishment might be light.

Frank M. Ryan, president of the International Association of Bridge and Structural Iron Workers, was among those convicted. He, with others, was accused of using the union's funds to destroy the property of contractors who refused to recognize the union.

The following were found guilty: Frank M. Ryan, president of the International Association of Bridge and Structural Iron Workers; John T. Butler, Buffalo, vice-president; Herbert S. Hockin, formerly secretary, of Detroit; Olaf A. Tveitmo, San Francisco, secretary of the California Building Trades Council; Eugene A. Clancy, San Francisco; Philip A. Cooley, New Orleans; Michael J. Young, Boston; Frank J. Higgins, Boston; J. E. Munsey, Salt Lake City; Frank C. Webb, New York; Patrick F. Farrell, New York; John H. Barry, St. Louis; Paul J. Morrin, St. Louis; Henry W. Leggett, Denver; Charles N. Beum, Minneapolis; W. E. Reddie, Milwaukee; Michael J. Cuman, Philadelphia; Richard H. Houlihan, Chicago; James Conroy, Chicago; James H. Coughlin, Chicago; William Shupe, Chicago; Edward Smythe, Peoria, Ill.; James E. Ray, Peoria, Ill.; Murray L. Pennell, Springfield, Ill.; W. C. Bernhardt, Cincinnati; Willard Bert Brown, Kansas City, Mo.; William J. McCain, Kansas City, Mo.; Frank K. Paynter, Omaha; Peter J. Smith, Cleveland; George Anderson, Cleveland; Michael J. Hannon, Scranton, Pa.; Edward E. Phillips, Syracuse, N. Y.; Charles Wachtmeister, Detroit; Frank J. Murphy, Detroit; Fred J. Moore, Duluth; Ernest G. W. Basey, Indianapolis; Fred Sherman, Indianapolis; Herman B. Kline, Muncie, Ind., former organizer for the United Brotherhood of Carpenters and Joiners.

The jury was discharged and court adjourned until 10 A. M. Monday, at which time sentences will be imposed. After Judge Anderson had cleared the courtroom of all spectators and the families of the defendants, the 38 prisoners were taken into custody by deputy United States Marshals and special detectives and were taken to the Marion County jail.

Seiffert and Buckley, the only two men out of the 40 labor union officials to be adjudged not guilty, immediately were discharged from custody.

CLUB WANTS CHANGE IN ROAD DISTRICT

The West Side Improvement Club at a meeting at Willamette Saturday voted to adjourn the road meeting scheduled for 2 P. M. to further consider the road improvements. A 10 mill tax at the present time was opposed.

It is proposed by the club to petition the county court for a change of the boundaries of district 34 to take in the property of the settlements of Willamette, West Oregon City and Bolton, the present jurisdiction of the club, after which the district will see to it that the proper funds are levied for road purposes and that the roads are built where needed. It is probable that the bill by F. M. Gill, representative, will be endorsed. Giving the district control of its money is favored by many.

The next meeting of the club will be held at Bolton next Thursday.

BEST WATER TO BE HAD FOR \$100,000

Advertisement of City Would Reimburse Taxpayers for Cost—Figs. Given in Support of Plan

With the recent typhoid epidemic now on the decrease it becomes apparent to the people of Oregon City that some thing should be done to improve the city's water supply, if the city is to keep pace with its thriving neighbors who boast of their superior water at the expense of Oregon City.

Many merchants and business men of this city are taking steps to ascertain how the city water can be best improved at the least cost to the public. Prominent among these is Jesse Hayell of the Northwestern Association, who has gone to considerable effort in figuring out the cost of piping Bull Run water into this city from Grays Crossing, a distance of nine miles.

Mr. Hayell, who has seen the problem of pure water worked out in many cities of the east, believes that good water can be furnished Oregon City in sufficient quantities from the Bull Run pipe, at a cost that would be entirely within the reach of the people. Mr. Hayell states that by tapping the Bull Run pipe line with a 12-inch iron pipe, laid three feet beneath the ground, the water could be brought into the city at the rate of 250,000 gallons per day which would much more than supply the present needs of the city; at the cost of \$10,000 per mile or about \$100,000 for the entire distance. Mr. Hayell believes that 250,000 gallons per day would be more than ample to supply Oregon City and bases his figures on the fact that there are about 1000 households in the city, each consuming about 100 gallons per day, thus a little less than half of the water would be used at the present time, but in case a 12-inch pipe did not prove sufficient, a 16-inch pipe could be laid, costing about \$150,000, which would supply the city for many years to come. Members of the Portland Water Board have stated that they would favorably consider the proposition.

In connection with State Engineer Lewis' recent plan to supply all of (Continued on page 2.)
