POULTRY SHOW IS TO BE BEST EVER HELD

Entries for the Poultry show to be held in the Oregon City Armory on January 3 and 4, are being received Not only every variety of chicken is being entered, but also ducks, geese, turkeys, rabbits, guinea pigs and even weazels.

A great deal of satisfaction is being expressed by the management of the show in that the professional exhibitors, who as a rule go from show to show throughout the country, capturing prizes and advertising their stock, will not be in preponderance. This is a fact which is as welcome as it is emarkable. Not only are the farmers of the

county taking an active interest but the residents of Oregon City who poultry are entering their birds, and it is known that competition will be keen in the Leghorn, Barred Rock Rhode Island Reds and Orpington classes

The Leghorn family seems to be the greatest favorite, largely because
