AN ARRIVAL EXTRAORDINARY

Prof. F. Ramsdell (direct from Europe) the world's most celebrated palmist, astrologer and clairvoyant, has arrived in this city and opened offices in the Electric Hotel Annex 524 1/2 Main Street, Rooms E and F, where he can be consulted on all the affairs of life. Prof. Ramsdell has no equal in the profession.

He stands alone, the prince of clairvoyants, and is recognized by the press and public as the greatest master of the science of palmistry and astrology the world has ever produced. He guarantees to reveal every incident of your life, tell when, whom and where you will marry, tell you just what you are fitted for and how to obtain money you are in need of. The happiness of your life may depend upon the right solution and proper advice. The professor makes no mistakes, and all his predictions are true, and he may be relied upon. You may wish to know if it is advisable to make a change in business, in love and in marriage.

The professor tells of these things and many more. He is ever ready to help those with small capital to find a quick and sure investment. If your business is unsuccessful, if your health is not good, or if you are in trouble of any kind, you should see this truly gifted medium at once. He has helped thousands on the road to success, and he can and will help you. He not only tells you what your life has been and will be but also how to better your condition in every possible way. Thousands of people are failures today simply because they do not see these things for themselves, or are not following the right trade or profession.

Prof. F. Ramsdell has made a life study of these things and he is now prepared to show you how to make a thorough success of your life. His fee is reasonable and within the reach of the caller, no matter who, and if he does not make you a reading that is superior to any you have ever had, he will positively refuse to accept any fee whatever.

Notice! All diseases diagnosed astronomically and clairvoyantly. Come, all you sick people, and I will tell you exactly what sickness you have, and will also tell you where and when you can be cured.

POTATO DEALERS ARE EXPECTING INCREASE

"Though we hope for some improvement in the potato market before the end of the month, there is no assurance whatever that anything of the kind will come," said one of the leading dealers Saturday. "It is of course possible that the Southern buyers a little later will be in a position to take Oregon Burbanks and other varieties at Burbank prices in a limited way, for supplies of cheap River stock in California are being reduced to some extent, but the buyers there can draw from other states as well as Oregon, and in view of that fact the prospect for a market for the surplus of this state is still far from encouraging."

The Oregon buyers who earlier in the season took over considerable quantities of American Wonders, Early Rose and Garnets, paying 50 to 60 cents a hundred at country shipping points for the living stock, and were confident that the Southern planters would be in the market for them for seed purposes before the end of the year, still have the bulk of their purchases on their hands. Further, late reports from California indicate that the few cars that were sent there from this state in December are for the most part still in storage there, unsold.

"We have more potatoes on our hands now, bought at prices that showed little profit for the producer, than we know what to do with, and so far as we are able to learn, other buyers, jobbers, retailers and the big consumers, like the hotels and restaurants, are in about the same position. As a result for the farmer's surplus there seems to be no satisfactory outlet. The growers living near the city are selling potatoes directly to consumers wherever possible and taking whatever prices they are able to get."

WHOM SHALL I MARRY? HOW OFTEN SHALL I MARRY? SHALL I EVER BE DIVORCED? DOES ANOTHER SHARE THE LOVE THAT RIGHTFULLY BELONGS TO ME? IF SO, WHO? IS MY DISEASE INCURABLE? WHEN SHALL I LEAVE HERE? AM I LIABLE TO ACCIDENT? SHOULD I INVEST MY MONEY? IN WHAT SHALL I INVEST? HAVE I ANY ENEMIES? CAN I TRUST MY FRIENDS? IN WHAT TOWN OR STATE WOULD I BE MOST SUCCESSFUL? HOW CAN I SELL PROPERTY? HOW CAN I HAVE GOOD LUCK? HOW CAN I SUCCEED IN BUSINESS? HOW CAN I MAKE MY HOME HAPPY? WHERE AND WHEN CAN I GET A GOOD POSITION? HOW CAN I MARRY THE ONE I CHOOSE? HOW CAN I MAKE ANYONE LOVE ME? HOW CAN I CONTROL ANYONE?

LAST CAR LEAVES FOR OREGON CITY AT MIDNIGHT

SCENE FROM "A MODERN EVE" AT HEILIG THEATRE
The Musical Comedy success, "A Modern Eve," will be the attraction at The Heilig Theatre, 7 and Taylor Streets, Sunday night, January 5, and will continue for 6 nights, beginning Monday, January 6, at The Heilig Theatre, at 11 and Morrison. Special price Matinees Wednesday and Saturday.

The season's most successful musical offering, "A Modern Eve," a Berlin operetta, which is being presented by Martin Beck and Mort H. Singer, will be presented at the Heilig Theatre, Seventh and Taylor Streets, on Sunday night, January 5, and at the new Heilig Theatre, (Formerly the Baker) Eleventh and Morrison, for six more days, beginning Monday night, January 6, with the popular price matinee on Wednesday and a special matinee on Saturday.

"A Modern Eve" was imported from Berlin, and is credited with being the most accomplished musical offering from the light opera field of Europe since "The Merry Widow" was brought over. Its success in the American cities has been phenomenal, and its music, by composers Victor Hollaender and Jean Gilbert, enjoys an unsurpassed vogue throughout the country. "Goodbye Everybody," a waltz song, has created a great furor as did "Every Little Movement" of "Madame Sherry" fame. The large cast appearing in this engagement includes Adele Rowland, the pliant comedienne, Alexander Clark, musical comedy's premiere comedian, Ray Ramond, Henrietta Tedro, Arline Bolling, Marion Roddy, Harry Dickson, Louis Kelso and John Patton. The marvelous Millers, the world's greatest whirlwind dancers, are a big feature. There will be a large beauty chorus and an augmented orchestra.

Parçment.

Parçment was first produced in 198 B. C. by Attalus, founder of the monarchy of Pergamum, Turkey.

ADVERTISING TALKS NO. 9

(By Ralph Kaye)

By your being permitted to enter the columns of a publication it is understood that your published promises are the truth—the whole truth and nothing but the truth. In other words the readers take you on your oath until it is proved otherwise.

"Advertising in a way, is legal advice." So says W. L. Larned, in Printers Ink. I take it that Mr. Larned means that every time a retailer wholesaler or manufacturer advertises he is advising the public of the merits of his goods with the same truthfulness, earnestness and sincerity that a lawyer advises his clients.

The lawyer in giving advice based on law and by his knowledge convinces both his client and jury. Once the adviser goes by the law of truthfulness and the public knows that he can be depended upon, no matter what his assertions are—he has an asset and a business foundation of incalculable value.
