

RALLY SHOWS SUNDAY SCHOOL WORK GROWING

With H. E. Cross, General Sunday School Superintendent in charge, the annual rally of the Sunday School of the Baptist Church Wednesday evening was a big success.

SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand On Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles."

TAX COMMISSION LOWERS STATE LEVY

SALEM, Or., Jan. 8.—The state tax commission today completed its apportionment of state taxes for this year among the various counties.

Table with 2 columns: County Name and Amount. Includes Baker, Clackamas, Clatsop, Columbia, Coos, Crook, Curry, Douglas, Gilliam, Grant, Harney, Hood River, Jackson, Josephine, Klamath, Lake, Lane, Lincoln, Linn, Malheur, Marion, Morrow, Multnomah, Polk, Sherman, Tillamook, Union, Wasco, Wheeler, Yamhill.

H. W. CONYERS IS VICTIM OF PARALYSIS

H. W. Conyers, of Clatskanie, Or., who frequently visited this city, died at his home at 2 o'clock Wednesday morning after an illness of several weeks.

POMONA GRANGE OFFICERS INSTALLED

F. J. Tooze, in his address Wednesday afternoon before the Clackamas County Pomona Grange, in session at Oswego, declared that the efficiency of the public schools of the city and rural districts depends on whether a child is taught its responsibility to the community and its head, heart and hand educated.

Mrs. H. L. Vall, of Evening Star Grange, installed the following officers for the ensuing two years: Master, J. D. Chitwood; vice-master, W. W. Everhart; lecturer, Mrs. Anna Lewis; steward, V. E. Larkins; chaplain, T. R. A. Sellwood; secretary, Mrs. Maggie A. Johnson; treasurer, R. A. Wright; gatekeeper, A. J. Lewis; co-reas, Mrs. Hannah Mudgett; Flora, Mrs. W. W. Everhart; lady assistant steward, Miss Zelma Cummings; executive committee, J. W. Thomas, A. J. Lewis and W. W. Everhart.

ROSE CLUB TO GIVE DANCE. The Rose Club, which was recently organized, will give a dance at Busch's Hall on the evening of January 10.

TWENTY NINERS MEET AT OSMUND HOME

The Twenty-Niners were delightfully entertained Tuesday evening at the home of Mr. and Mrs. Theodore Osmund. The home was beautifully decorated and Mrs. Osmund served a delicious luncheon.

Half A Million Free Votes

Saturday, Jan. 11th (one day only) we will distribute 500,000 free votes to the automobile contestants. For each NEW yearly subscription to the Daily Enterprise we will present 10,000 bonus votes.

Table with 2 columns: Subscription Type and Free Votes. Includes 1 Year's Subscription to Daily 10,000 votes; 6 Months Subscription to Daily 5,000 votes; 1 Year's Renewal to Daily 5,000 votes; 6 Months Renewal to Daily 2,500 votes.

This is a plain straight forward offer with no stings attached. But take our tip, this is your big chance to land at the top of the list. Come in today and get full instructions, receipt books, etc. Remember this extra special offer is good the one day only.

Have You Seen The Coupon Book Prizes?

Two special prizes will be awarded the contestants selling the largest number of Huntley Bros. Co. Coupon Books before January 15, 1913. The prizes can be seen in the automobile window at the Rexall Store. Every Coupon Book sold earns 5,000 extra votes.

Advertisement for Huntley Bros. Co., J. Levitt, V. Harris, and Star Theatre. Includes names of stores: The Rexall Store, The Leading Clothier, The Quality Grocer, The Best Pictures.

MORNING ENTERPRISE CLACKAMAS COUNTY'S LEADING NEWSPAPER

Anyone can make delicious, crisp wheat cakes by following this recipe—a new one received from a famous Vermont cook:

- WHEAT CAKES
1 1-2 cups flour
4 even teaspoons baking powder
1 1-2 teaspoon salt
2 tablespoons sugar
1 1-2 cups milk
1 egg
1 teaspoon melted butter or two of rich cream

Sift flour, baking powder, salt and sugar into mixing bowl; add milk very gradually, beating smooth. Add well-beaten egg and melted butter or cream. "Bake" on a hot griddle, slightly but evenly greased. Do not have cakes too thick; as soon as lightly browned on both sides, spread one side with butter, roll them up and serve immediately on a warmed plate.

But cakes aren't cakes without plenty of

TOWLE'S LOG CABIN SYRUP

Your grocer has just received a fresh supply, right from Vermont, where it "grew." Towle's is good all the time, but if there's one time when it's better than another, it's right now when the cool weather gives folks good appetites.

making youngsters grow and keep well—children need sweets and Towle's is fine for them. Their craving for Towle's is Nature's guide to the nourishment they need.

And that flavor—always like the "first run of sap" because the Towle way of making syrup keeps the original mellowness of the maple.

To-morrow morning will be a good time to try this new Wheat Cake Recipe. Order a can of Towle's Log Cabin Syrup from your grocer to-day and give the family a treat. We are going to print more recipes, too. Cut this one out and paste it in your cookbook—then watch for the others and get the whole Towle series.

The Log Cabin Can is your guarantee of purity and superior quality.

"Jack Towle" will send you a valuable recipe book and a miniature can of Towle's Log Cabin Syrup for five 2-cent stamps, to cover postage—send to-day. Address Jack Towle, care of

Towle Maple Products Co. Dept. 24 St. Paul, Minn.

"From my camp to your table." —Jack Towle

COIFFURE STYLES.

Pearls In Hair a Victorian Revival.

CLASSICAL HAIR ARRANGEMENT.

To the face with regular features this classic hairdressing is very becoming, but the woman with a plain or even merely a piquant face should beware of so severely simple a style.

WHEN A ROOM IS STUFFY.

Closeness May Be Overcome When Windows Can't Be Opened.

There is no greater purifier of air than open windows, but sometimes in sickrooms this method of changing the air is impossible.

Have you ever tried overcoming closeness by carrying a rolled burning newspaper through a sickroom? Equally good is a tablespoonful of vinegar ignited over an alcohol lamp.

An atomizer for spraying cologne can be used with toilet water or witch hazel with refreshing effect.

There are special spirit lamps that have a connection with a platinum ball attachment that are excellent to permeate a room with purifying odors. There are special mixtures for burning in these lamps, but a good cologne or toilet water answers.

The lamp burns until the platinum ball grows red hot; then the flame is extinguished. The vaporization of the cologne is increased by coming in contact with the heated metal, and the room is soon fragrant.

A quick way to cool a room is to wet a small crib sheet with cologne or water highly scented with perfumed bath tablets. Hang in a draft of air or shake the sheet lightly while still wet.

Burning lump camphor is favored by some nurses, especially in sultry weather, as mosquitoes avoid the odor.

Ready to Strike It.

When a fellow has money to burn the chronic borrower is a match for him.—New York Mail.

RIGHT AND WRONG.

Do the right and your ideal of it grows and perfects itself. Do the wrong and your ideal of it breaks up and vanishes.—James Martineau.

The Trouser Coat. Extremes in juvenile styles are to be met with on every hand, but probably the limit has been reached in the coat illustrated, which is decidedly "Frenchy."

The material used is a moire poplin in a lovely shade of tan. Belt, cuffs

FRENCH MODEL OF SILK AND MOLESKIN, and narrow turned down collar are of moleskin.

As you see, the coat is exceedingly abbreviated at the bottom and narrows into almost the width of a man's trousers leg. On a tall, stylish child this coat is stunning.

Substitute For Hot Water Bottle.

The following suggestion is taken from the Farm and Fireside, where it is published in the housewife's department: "For people with steam heat old magazines stuck in the radiators will be found a fine substitute for hot water bottles. Magazines so heated never burn and when placed in a bed or a baby's carriage hold the heat far a long time."

SAMUEL MILLS TO BE BURIED AT CORVALLIS

Samuel Mills, of Parkplace, died at his home at 11 o'clock Tuesday. Mr. Mills was eighty years of age. Dilatation of the heart, from which he suffered several months, caused his death. Mr. Mills is survived by a large family. The funeral will be held at Corvallis this afternoon.

The Old Order Changes.

The old Scots parliament decreed that "golf and football shall be utterly cryt done," and today the Scots parliament does not exist, while football and golf have inherited the earth.—Dundee Advertiser.

COMPANY L LOSES BASKET BALL GAME

The Gladstone basketball team won a decisive victory Wednesday night from Company L, O. N. G. team. The score was 14 to 4. Following were the players:

Gladstone—Hollowell, center; Rivers, right forward; Hendricks, left guard; Luenberger, left forward; Burns, right guard, and L. Lueberger, substitute.

Company L—Reams, right guard; Blanchard, center; Cook, left forward; Meado, right forward, and Barnes, left guard.

Galt, of Gladstone, defeated Quinn in the heavyweight wrestling bout. Cook won from Woodward in the lightweight bout. The boxing bout between Spegel and Snidow was a draw. Reams defeated Hill in a lightweight bout.

After the athletic contests a well-laden luncheon was served by the company, which plans giving similar entertainments monthly. Captain L. E. Blanchard, of Company L, was in charge of the entertainment.

COUNCIL HEARS WATER REPORT

(Continued from page 1)

It was decided to get suggestions from the residents of the city regarding the naming of parks. The people are urged to make their suggestions through the newspapers. Mr. Tooze suggested that Seventh Street park be called Library Park and Twelfth Street Park Firwood Park.

Mr. Tooze urged that the streets which residents had asked to be improved be given attention as soon as possible. He declared that almost the entire cost would be defrayed by the property owners. Residents of Thirtieth and High Streets petitioned for improvement in 1910. Other streets which the property owners want improved are Seventh, Fourteenth, John Adams extension to ward bluff, Madison and Division Streets.

CANBY HAVING RAPID GROWTH

(Continued from page 1)

The building of the P. E. & E. R. R. from Canby to Molalla is expected to add a great deal to the trade of Canby. Twenty carloads of steel are now at the local yards in Canby and it is expected that 10 more carloads will arrive soon. These 30 loads of steel will complete the line to Molalla. The grading on this line is completed, and the steel for the two bridges, one across Milk Creek and the other over the Molalla River is in Canby. It is understood the bids on the main line of the P. E. & E. R. R. are all in and work will soon be started on that line, which passes through Canby.

crete structure 48 x 86, containing a full basement besides the large auditorium which has a seating capacity of 480. The floor of the auditorium is sloped towards the pulpit, thus making it in easy sight of every seat. In the basement are located the Sunday School room, the banquet room, the kitchen and the furnace room. The church is heated by hot water and cost \$10,000, exclusive of furnishings. The dedication of this beautiful structure will probably be some time in March. The style of architecture is Old Spanish Mission, modified by suggestions of Oregon Bungalow, with large stained beams and rafters forming the roof. The church is well lighted, containing two large art windows. Rev. C. L. Cressy is the pastor.

The new Masonic building is a modern reinforced concrete structure, with two stories and basement, covering a lot 50 x 100 feet. One half of the lower floor of the building will be occupied by Huntley Brothers, druggists, while the remainder will be used by Saylor and Prouty for an up-to-date confectionery and billiard parlor. The up stairs will be used by the lodge, with a few offices in the front of the building. The lodge rooms and the banquet rooms will occupy the remainder of the floor space.

The new High School, a modern structure costing \$20,000, was open for school purposes on the second of January. This building, which is built on the most modern and scientific lines, is perfectly equipped in every way to handle the demands that will be placed upon modern education. It contains an auditorium with a seating capacity of 300, besides 11 other spacious rooms. The heating plant is one of the special features of the building, it being so arranged that two large furnaces, driven by electric fans, both heat and ventilate the entire structure without the use of opening of windows or doors. The building has three stories besides the basement.

Carlton and Rosencrans' new two story concrete store building covers a plot of ground 100 x 100 feet. This structure, which will be the most modern as well as the largest department store in Clackamas County, will have many conveniences, such as a rest room for the use of the public, an electric elevator, quick delivery carriers and other conveniences. Carlton and Rosencrans are expecting the parcels post to make a large increase in their business. A feature that will add a distinctly cosmopolitan air to their store is the fact that the basement will extend beneath the sidewalk, making it 110 x 110 feet. Glass prisms in the sidewalk will light the basement. The entire structure will be occupied by Carlton and Rosencrans.

The Odd Fellows' building which will be completed in six weeks, is two stories in height and is also of concrete, its dimensions being 57 by 100 feet. The entire lower floor of this structure has been leased by the Big Six Department Store. The Odd Fellows will occupy the entire upper floor, with a library, lodge rooms, and a banquet room. Elaborate furnishings have been purchased through a Canby company.

The building of the P. E. & E. R. R. from Canby to Molalla is expected to add a great deal to the trade of Canby.
