TAX LEVY FOR The county court 1913 16 MILLS went on record Thursday for re-trenchment, but not so much re-trenchment as to impair the efficiency of the various departments. Because of the state tax levy having been lowered from four to one and one half mills the court was enabled to reduce the levy for the county from seventeen and one half to sixteen mills. As a result the amount estimated for school and library purposes is \$92,273 as against \$89,500 for 1912, for general county purposes \$85,484 as against \$50,000 for 1912 and \$200,000 for roads and bridges as against \$208,000 last year. It might be inferred from the figures that there will be less money spent on roads this year than last, but such is not the case. Twenty-eight road districts have voted special taxes, the majority of them ten mills. So there will be more money spent on the roads this year than ever before. Another significant feature of the work of the court is the increased levy for school and library purposes. Our schools are now regarded as among the best of any states in the west, and the county court is determined that they shall remain so. A growing attendance made it necessary to provide a little more money for this work. Certainly the school heads will approve the work of the court, which has always been as generous in its allowances for school work as the county's income warranted.

Tea Making Hints. Use water which has just come to a boil, but which has not been boiled before or allowed to simmer on the stove for some time. Warm the teapot by pouring in hot water a few minutes before the tea is required and allow it to remain in the pot until the tea is made. Allow one teaspoonful of tea to each person, with one extra one. Pour boiling water and allow to stand for three to five minutes. Fill the teapot or the tea will cool rapidly.

Inaugural Ball. It is probable that for the first time in history the inaugural ball this year will be held in the rotunda of the United States capitol underneath the dome, which is surmounted by the Goddess of Liberty. The pension bureau, where the inaugural balls are usually held, is not available any longer because of the valuable documents and papers stored there which would be jeopardized if fire should break out.

GRANGE INDORSES The Pomona SUPERVISOR LAW Grange, in session at Oswego, indorsed the county school supervisor law by a vote of two to one. The grange at a previous meeting refused to indorse the law, but at that time it was not fully understood. When its merits were thoroughly explained to the members there were but few who opposed the plan. Why shouldn't the Grange favor the system when it has been indorsed by the leading educators of the country? The head of the Washington State Schools said that the system was responsible for the Oregon rural schools forging ahead of those of Washington. He has announced that he will do everything in his power to have Washington enact a similar measure. By all persons who know anything of the conduct of schools the supervisor

Billiard Parlor For Women. A billiard parlor for women has been opened in Kansas City by Mrs. Bertha May King, the champion woman billiard player. It has fifteen tables and female attendants. Speaking of her enterprise, Mrs. King said: "Women will be glad to learn the great indoor game if they are provided proper places. Few if any of the public rooms are exclusive enough for women. I propose to make my place one of refinement and exclusion, where women can learn and enjoy billiards and feel free to come and go. As an evidence of the benefit of the game as an exercise I can say that since I have played billiards I have rarely experienced a day's illness."

A HARMLESS REMEDY, MADE FROM GARDEN SAGE, RESTORES COLOR TO GRAY HAIR

A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are looked upon as heralds of advanced age. Gray hair, however handsome it may be, makes a person look old. We all know the advantages of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things. So why suffer the handicap of looking old on account of gray hairs, when a simple remedy will give your hair youthful color and beauty in a few days' time? Most people know that common garden sage acts as a color restorer and scalp tonic as well. Our grandmothers used a "Sage Tea" for keeping their hair dark, soft and luxuriant. In Wyeth's Sage and Sulphur Hair Remedy we have an ideal preparation of Sage, combined with Sulphur and other valuable remedies for dandruff,

itching scalp and thin, weak hair that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair. Get a fifty cent bottle from your druggist today, and notice the difference in your hair after a few days' treatment. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.
