## MILLIONAIRE SUIT UNDER ADVISEMENT

Judge Eakin heard the arguments until late Friday night in the suit for divorce of Charles D. Taylor against Minnie N. Taylor, on a motion to dismiss the case. George C. Brownell and John F. Logan appeared for Taylor, and Flegel & Reynolds, of Portland, represented Mrs. Taylor, who was successful several months ago in having the case reopened, after Taylor had obtained a decree of divorce.

The court will take the motion under advisement. Flegel & Reynolds want an order for \$3000 attorney's fees and \$2,500 a month alimony for Mrs. Taylor before they will consent to a dismissal of the case but Taylor's attorneys are resisting this move, though they say they are willing to consent to an order for fees for Mrs. Taylor's lawyers, but not as large an amount as \$3,000.

Taylor is a millionaire mining man, who made a rich strike in Goldfield, Nev. He is believed to be in British Columbia at the present time, and if the suit is finally dismissed, which seems probable, it is expected that another action for separation will be instituted in Canada.

## SCHOOL OFFICERS IN ANNUAL CONVENTION

School directors and clerks will gather from every nook and corner of Clackamas County today to attend the annual convention of school officers, which will be convened at 10 o'clock, at the Commercial Club. L. R. Alderman, State Superintendent of Public Instruction will deliver an address at 2 o'clock in the afternoon, and his subject will be, "What can be done for the county school?"

"Lighting and ventilating of school rooms" will be the subject for discussion beginning at 10 o'clock. Other subjects to be discussed are "The drinking water," "Holidays," "The annual institute," "Local meetings," "The teaching of agriculture," and there of course will be a question box. T. J. Gary, Superintendent of the county schools, has announced that the chairman of a member of the boards in each district were eligible as delegates and each delegate was allowed \$2 expenses. Mr. Gary urges all officers to attend the convention and participate regardless of whether they are delegates.

## ANNUAL ROLL CALL BRINGS OUT CROWD

A large company gathered at the Congregational Church Thursday evening for the annual roll call and many sent responses who were not able to be present. A very interesting feature of the evening was the presentation of a new framed picture of Mr. and Mrs. Peter H. Hatch, former members of this church, leaving Oregon City for Salem in 1863. Mr. Hatch was one of the founders of the church in 1844, coming to Oregon City from Maine via the Sandwich Islands. The pictures were presented in choice by George E. Hatch, in behalf of himself and his brother, Edward Hatch, and accepted in a few felicitous words by Mrs. Dye.

Another event of unusual interest was the presentation of a "Warranty Deed of Good Will" to Deacon and Mrs. James Wilkinson, in commemoration of their forty years of service as deacon and deaconess of this church, an unusually long period in a western church. The document assured them of the warm appreciation of the members for faithful service and expressed the hope that they might both round out at least fifty years in these offices. It was signed by the officers of the church and presented by C. H. Dye.

At the conclusion of the meeting the ladies of the church served refreshments.

## W. O. W. INSTALL NEW OFFICERS

At the regular meeting last night Willamette Falls Camp No. 48, W. O. W. the following officers were installed:

Nearly 100 members were present. Eight applications for membership were received and three were initiated. Deputy District Manager Martin was present and reported a large increase in membership in the Pacific Northwest, over 200 thousand members having been initiated during the month of December, 1912. The members of the degree team which won the membership contest, closing January 1, were each presented with a gold W. O. W. button by Manager Martin. Camp Organizer G. L. Sildow was also presented with a handsome gold emblem ring. After the regular meeting an oyster supper was served at which followed a smoker and a general good time.

## DEMAND FOR HOPS CONTINUES STRONG

There seems to be no abatement in the demand for hops, and with holdings in the Coast states reduced to small compass and the owners of the stock as a rule confident regarding the future, the market holds in a steady to firm way at the prices quoted the first of the week. Some trade in choice goods between dealers at 20 cents is reported in the local market, and a few transactions at 19 to 20 cents are said to have been put through in the Yakima Valley this week.

The contract market now is attracting some attention, as usual at this time of the year, and a few deals on the coming crop are reported to have been closed at 16 cents. The chances however, are that not much in the way of contract business will be done until a later in the season.

A considerable portion of the spot stock now being taken over by the dealers, it is said, is for shipment to England, the brewers there in many instances still being short on their season's requirements.

## ROBERT MATTOON SLAYS BIG COYOTE

Robert Mattoon, son of William Mattoon, County Commissioner, killed a coyote near his home Tuesday. The boy had been hunting the animal for more than a week, and his mate is still at large. Mattoon received a bounty of \$1.50 for the hide. The animal had for several months killed sheep and chickens in the neighborhood and several of the hunters of that section have been on the search for it. The animal is the first one of the kind that has been in the neighborhood for several years.

## JURORS IN CRIPPEN CASE CANNOT AGREE

Effort on the part of Mrs. Mary E. Conkling to recover \$7,500 damages from the Hawley Pulp & Paper Co., as damages because of the death of Jesse Crippen, failed in the Circuit Court Friday when the jury reported its inability to agree, after having been out all night. Mrs. Conkling is administratrix of the estate of Crippen, who was killed while employed at the Milwaukee mill of the Hawley Pulp & Paper Co. The case was tried before Judge J. A. Eakin, and a jury of 11 men. After the case had been opened, one of the jurors, N. R. Graham of Elliott Prairie, received intelligence of the death of his brother, and he was excused, the attorneys agreeing to try the case with the remaining 11 jurors, who were discharged by Judge Eakin Friday. The case may be tried at a later term of court.
